## **PEREZ HILTON - CELEBRITY NEWS,** **ENTERTAINMENT NEWS & GOSSIP**

### **OMG - Is Ilya Rozanov CHEATING on Rose Landry's ex Shane Hollander?**

Hold onto your helmets, hockey fans, because the love story everyone has been swooning over might be skating straight into an ice-cold scandal. Rumor has it that Ottawa Centaurs captain Ilya Rozanov is cheating on his All-Star Hockey husband Shane Hollander. And yes, contrary to the sport that they play, the receipts are absolutely scorching.

Pictures have surfaced showing the allegedly “happily married” hockey player sitting in an Ottawa coffee shop, completely glued to his phone, texting a woman identified only as “Jane”. And these messages? Let me tell you honey, they are not your casual “hey, what’s up?” text you’d send a friend. They are explicit, lusty, and steamier than whatever latte Rozanov ordered that day.

The viral screenshots (we’ve all seen them) show Rozanov sending messages like:

“I’ve been thinking about \*\*\*\*\* your mouth ever since I left the house” and “You’re supposed to be on your knees for me”.

Questions are flying: Is this a full-blown affair? Will Shane Hollander stay with him? Could this be the end of hockey’s most beloved (and most scandalous) power couple?

Fans are speculating that a heart-broken Hollander might turn back to his movie star ex: Rose Landry. The two have been spotted together recently, and the gossip mill is spinning: Are they really “just friends,” or did Landry see an opening and shoot her shot? Only time will tell.

## **NHL Couple Shane Hollander and Ilya Rozanov Spotted HOLDING HANDS Amid Cheating and Divorce Rumors**

*By TMZ Staff*

Has the plot surrounding Ottawa Centaurs captain **Ilya Rozanov** and his hockey-star husband **Shane Hollander** just taken yet another unexpected turn?

Only a couple days after social media lit up with pictures showing Rozanov exchanging explicit messages with a woman named “Jane”, the couple was spotted walking hand-in-hand and grabbing lunch in downtown Ottawa. The sighting came as a shock to hockey fans, who spent much of last week bracing themselves for what many assumed was an inevitable divorce.

The witnesses who called in the tip say the two looked calm, engaged in quiet conversation and looked largely unbothered by the storm still raging online. While getting a sandwich together isn’t exactly a grand display of affection, it was enough to send the internet into yet another round of speculation. Are they working things out? Were the screenshots faked? Or are they simply putting up a united front while fighting it out in private?

The scandal erupted four days ago when a Twitter user shared photos from a coffee shop showing a man clearly identifiable as Rozanov sending sexually explicit messages to a woman. The post went viral almost instantly and has prompted fan theories, dozens of think pieces and more than one celebrity commentator throwing their hat in the ring.

Adding another layer to the conversation, many fans have pointed out that Hollander and Rozanov are currently the only married couple in the NHL, making them a rare and highly visible symbol of gay representation in a sport that has historically shunned it. Many speculate that that might be the reason that the two are going out of their way to avoid a very public divorce, not just for themselves but to protect the sense of progress their marriage has come to represent.

Whether today’s appearance signals reconciliation, damage control or is simply the calm before the storm, one thing is clear: this story is far from cooling off.

**Shane Hollander** ✅ @ShaneHollanderHockeyPlayer

As many of you know, my husband Ilya and I had to keep our relationship private for a long time before we came out publicly. Back then, it wasn't easy to communicate the way we wanted without raising questions, so we put each other in our phones under fake names. (1/2)

**Shane Hollander** ✅ @ShaneHollanderHockeyPlayer

*Replying to @ShaneHollanderHockeyPlayer*

So to finally answer the question everyone's been asking: who is Jane? Jane is me.

There has been no cheating, only a husband who thinks that he's a comedian and hasn't updated my contact info in more than ten years (2/2)

**Ilya Rozanov** ✓ @rozanov81

*Replying to @ShaneHollanderHockeyPlayer*

For legal reasons my husband is exaggerating. I updated his contact before. The photo. Once. In 2011.

## End Notes

I have reactivated my dormant [Tumblr account](#)! Please come say hi and hang

To those who saw this appear and then dissappear, I made a mistake uploading it and it somehow uploaded to the first of December which was really weird (and probably my fault by clicking something I wasn't supposed to)

So the backstory for this is that I've been working on two fics that are slightly longer and heavier (The Rose Landry Archive and The Montreal Voyageurs Report) but I wanted to write something fun and light and not too fussy and then I watched the show and it reminded me of the fact that Shane and Ilya had each other saved under Jane and Lily lmao

Tell me all your thoughts in the comments, I can't wait to read them!! Bye!!
