I'm Reading Your Tweets (You're Liking My Posts)

by [some1_around](#)

Summary

A Twitter-fic companion piece to "I'm Reading Your Lips (You're Speaking My Language)" set post-chapter 3—will NOT make sense without reading that first and WILL spoil the story for you!

Notes

This is an unexpected post for me! I started working on chapter 4 and wanted Shane looking through his phone, and before I knew it I had like eight pages or fully formatted Tweets. I debated keeping it in but it just felt too long and too different from the rest of the fic, but I liked it anyway so I'm positing it separately (I will probably repurpose pieces of it for chapter 4, however, so think of this as a sneak peak!)

This ONLY make sense if you've read the other fic.

I don't want to be weird about this, but Roz shouting Shane's name like that while lying on the ice??? like woooooaaaaah

ESPN Carter Richter @CarterRichter

There's hockey, and then there's real life. It's stunningly refreshing to see a player at Hollander's level respect his teammates and opponents so much. Wonderful show of sportsmanship under pressure from the Captain of the Montreal Voyageurs.

Thoughts and Prayers to 81 @cameronw

Replying to @CarterRichter

→ they've literally been friends for ten years, it's not just sportsmanship

stan twitter strikes again @professionalyearner

Replying to @cameronw

→→ "friends"

ooga booga @Ontariyomama

lol can i ask - why is everyone acting like hollander wasn't also injured? ppl are acting like it's crazy that he left the ice at the same time but he was literally bleeding from the head

Robin @rbernet94

Replying to @Ontariyomama

→ He was bleeding from his head and still stopped to help his teammate!! Like!! That deserves MVP and the Lady Byng fr!!!

Kennedy M @KennedyMNYC

Replying to @Ontariyomama

→ The real fucking question is does the Boston Bears, a team with two Russian players, not have anyone who can translate for them during an emergency?? Like no one at all? Why are we calling in another team's captain to do this?? @NHLOfficial @TheBostonBearsNHL get your team translators, dicks.

Katie Ledbeck @katieledbeck

Replying to @KennedyMNYC

→→ this is the only correct take of what happened last night i fear #dobetterNHL

hollanov confirmed?? @iloveilyarozanov

People (me, personally) have been joking about this for years, but... hollanov confirmed? changing username ASAP

George @georgeabbotphl

Replying to @iloveilyarozanov

→ prime example of why men can't be friends anymore btw

stan twitter strikes again @professionalyearner

Replying to @iloveilyarozanov

→ i'm sorry but did you see shane's face when he realized ilya was down??? That's his fucking boyfriend

stan twitter strikes again @professionalyearner

Replying to @iloveilyarozanov

Replying to @iloveilyarozanov

ShaneHollanderFanCam @24babealltheway

Replying to @iloveilyarozanov

→ people are fucking focusing on the wrong things. Listen, i love hollanov, i like the Voyageurs, frankly i love rpf (sue me) but guys come on, while they are currently IN THE HOSPITAL? Let's all just collectively shut the fuck up for a day or two. There haven't even been any concrete updates on Rozanov!

Gay Sports News Room @GaySportsNewsRoom

BREAKING: Shane Hollander is Ilya Rozanov's emergency contact???

Coach Mary @MaryLouiseOH

Replying to @GaySportsNewsRoom

→ it's not breaking news if it's speculation

hockey bae @sashaisintoronto

Replying to @MaryLouiseOH

→→ it isn't speculation though

Coach Mary @MaryLouiseOH

Replying to @sashaisintoronto

→→→ It's still not that weird. Rozanov's dad just died. He has very few friends in the country who speak Russian. They've been friends for ten years. Seems pretty normal to me.

Barret @allthegoodthings123

Replying to @MaryLouiseOH

→→→→ Shane lives in Montreal. Ilya lives in Boston. He doesn't have a single friend closer to his home (i don't know, in the country he lives in?) who could do the job?

hockey bae @sashaisintoronto

Replying to @allthegoodthings123

→→→→→ the guy is famously an asshole, so maybe not lol

Robin @rbernet94

Replying to @allthegoodthings123

→→→→→ emergency contact isn't just "who can do this job," it's "who do i trust enough to do this job" and Ilya trusts Shane, that's that

CartierB @carterbrooks

Replying to @GaySportsNewsRoom

→ who is Shane's emergency contact? Seems like Rozanov is swallowing all the attention for this, but Shane has left the arena before the game finished, like, maybe once in his entire career. That hit was fucking crazy, I'd be shocked if they didn't both have concussions

Boston Bears @TheBostonBearsNHL

We are beyond happy to report that our Captain, @rozanov81 Ilya Rozanov, is awake and recovering after last-night's on-ice collision, and expected to make a full recovery.

Kennedy M @KennedyMNYC

Replying to @TheBostonBearsNHL

→ @TheBostonBearsNHL @NHLOfficial where the fuck are your translators/interpreters? This has been a major issue in the league for years. Your players come from around the world and you are not supporting them at all. Relying on players on opposing teams to take up the burden of translating medical knowledge is fucking insane. #dobetterNHL

Voyageurs Montréal @VoyageursMTL

Our Captain Shane Hollander is resting and recuperating today with his family after sustaining minor injuries in last night's game at the Bell Centre. As always, we commend our captain's sportsmanship in a tough moment on the ice. @rozanov81 Hoping your recovery is swift.

jamie's hockey fan club @jaimieshockeyclub

Replying to @VoyageursMTL

→ these bland media tweets after hands down the most dramatic moment i've ever seen on the ice are taking me out... like what do you mean we got ilya screaming shane's name in a silent arena and shane crashing to his knees beside him and your like "hoping your recovery is swift bro" come onnnnn

George @georgeabbotphl

Replying to @VoyageursMTL

→ @JJBoiziau imagine being such a pest you get your own captain taken off the ice

Mark talks hockey @markm1217

Replying to @VoyageursMTL

→ Well, the Voyageurs aren't making it to the playoffs so no 3-peat. And the Bears aren't going to get past @ScottHunterOfficial, so they won't win the cup either aaannnddd those are my two favorite teams. Great. Awesome.

Katie Ledbeck @katieledbeck

Replying to @markm1217

→→ you definitely have your priorities straight

hockey bae @sashaisintoronto

PlaneJane @JaneLewis

Replying to @CattieHanesYoutubeOfficial

→ I remember when he won the MVP award. I had the tv on in the background, not really watching (i only watch Bears games and i don’t give a shit about any other team so i just wanted to see if Roz would win) and when Roz dragged Hollander onto the stage i literally sat down and watched the whole speech. It was so beautiful and so

unexpected for Rozanov at the time, but i was absolutely captivated by the level of intimacy in that translation. I know ppl shit on Roz for dragging shane up there without telling him, but that was a fucking beautiful moment in hockey history

hollanov confirmed?? @iloveilyarozanov

ShaneHollanderFanCam @24babealltheway

→ can someone look at me the way hollander looks at rozanov in a dunkin donuts circa 2012? Please and thank you

hollanov confirmed?? @iloveilyarozanov

Replying to @24babealltheway

→→ i actually thought those pictures were fake when they came out. a Bears and a Voyageurs player walk into a dunkin together - there's a joke in there somewhere

jamie's hockey fan club @jaimieshockeyclub

Replying to @CattieHanesYoutubeOfficial

→ shane hollander is so fucking in love and so bad at hiding it (lets be honest, i would be too if ilya rozanov smiled at me like that)

Alex @ag1736413

Replying to @CattieHanesYoutubeOfficial

→ What always gets me with these two is how different they are with everyone else. Shane in interviews is so tightly wound and so well-spoken. I love him and I think he's probably the best player in the league right now (sorry Ilya), but he's such a polished guy. (1/4)

Alex @ag1736413

Replying to @ag1736413

→→ Rozanov is like the opposite, obviously. He's so brash and so purposefully aggressive with interviewers. Even though his English is way better now, it's always been pretty clear that he doesn't want to give serious interviews because of the language barrier (#dobetterNHL), but with Shane? (2/4)

Alex @ag1736413

Replying to @ag1736413

→→→ They're just different people when they're together. The way Shane smiles, there are so many videos where you can literally see his shoulders relax the second Ilya walks up to him. And their face-offs? When they're smiling and grinning like little kids, when usually they're the most focused, aggressive players on the ice? I've been a hockey fan my entire life, and I've never seen anything like it. (3/4)

Alex @ag1736413

Replying to @ag1736413

→→→→ I'm not speculating about the nature of their relationship, because that isn't

my business and I can't imagine what they've gone through in their careers, but wow. Those two people love each other. (4/4)
