The history of Hollanov, primarily as seen through the MLH Tracker on Twitter.

Notes

what is friendship if not exchanging deeply unserious social media aus about hockey yaoi?

this is kind of a mess but i simply had to get it out. inspired by the nhl tracker shenanigans on hockey twt

Jane

Did your team also get the briefing about that Twitter account?

Lily

what twitter account

Jane

I guess that's a no, then.

It's a fan thing, I think. Or a stalker thing? Not sure.

They track MLH players' Instagram followings.

Lily

ok

sounds very boring

Jane

It pretty much is.

But it's exposed some people's private lives.

Yours, for example.

Lily

oh?

Jane

Apparently, you keep thirst following models and beauty influencers

Lily

aw, hollander, you are keeping up with me?

Jane

No!

Other people were talking about it.

They were laughing at you, btw.

Lily

you are keeping up with me

you are jealous?

Jane

I'm fucking not

Lily

ok. see you next week

Jane

You won't.

Lily

why is scott hunter about to win the stanley cup

Jane

He had a good year.

Lily

in 1970s maybe

Jane

He's not even that much older than us.

Lily

i'm so annoyed

why did someone not stop him

Jane

Well, I was concussed. What's your excuse?

Lily

shut up.

...

what is he doing?

Jane

I don't know...?
