Gender poll!

Confused_Bug: 5 years ago

For those of you who know you are Bi, which gender do you find yourself liking more? Just curious :) I have some friends that have preferences for both, so I'm just wondering how the experience is for everyone else!!

Replies:

Илья_Rozanov: 5 years ago

честно говоря, я думаю, что мужчины мне нравятся больше

Hype around Shane Hollander?

Tier1Hater: 3 years ago

I can't be the only one that thinks he's really not all that. I mean, sure, he's got some good plays here and there, but he's branded as the guy who saved hockey. This just isn't true. I'll never take these conversations seriously, not when Scott Hunter is still in the league. He's skating laps around Hollander and it isn't even close.

Replies:

Ilya_Rozanov: 3 years ago

do not speak on what you do not know. i am warning you. scott hunter is fossil and hollander is youthful

BostonBorn43: 2 hours ago

Ilya Rozanov is a free agent at the end of this season. Is he planning to leave Boston? He hasn't resigned anywhere yet, so I'm getting a little worried.
