NHL vs. cop slide

by [sapphic_sprout](#)

Summary

ESPN @ESPN

Video leaked of Boston Raiders player Cliff Marleau (@CMarleauRaiders) taking a nighttime tumble down the infamous Boston "cop slide."

OR

Going down the "cop slide" becomes a trend among NHL players when visiting Boston, and Ilya may or may not be responsible, but no one can prove it.

Notes

This was inspired by a TikTok from @parkquimin about whether Ilya Rozanov had ever gone down the cop slide in Boston. After the last few weeks of living and breathing this amazing show, I can't believe this is the thing that got me finally writing fanfic about it. I can't believe I got so emotionally invested in it. Hope you enjoy!

Format inspired by nineteenohtwo's Hit Post series, which is so fucking funny and amazing, and y'all should check it out!

Also disclaimer that I realized 2k words into writing this fic that the slide was built in 2022 and the video was from 2023...please ignore that and pretend it was built prior to 2016 and that the infamous cop slide video was also posted before then too. Trying not to let this drive me crazy as the fic writer who once spent 5 hours doing research to pick the exact right real London street for a fictional house for OCs to live in for one of my fics. I will accept the things I cannot change.

I know some of the names have been changed from books to TV show, so for those characters who are in the show so far, I use their show names.

ESPN @ESPN

Video leaked of Boston Raiders player Cliff Marleau (@CMarleauRaiders) taking a nighttime tumble down the infamous Boston "cop slide."

Attached video:

[Description: Video focuses on slide, only illuminated dimly by some nearby streetlights. Bangs and muffled curses heard for a few seconds before Marleau appears from the tunnel, on his stomach with his hands out to try to catch his fall as he shoots out onto the ground. Quiet snickering is heard from behind the camera as the person recording takes a few steps back and continues to film as Marleau pushes himself to his hands and knees and turns his head to glare. "You're such a [bleeped] [bleeped]," he says as he stands, reaching towards the camera as the person filming begins to laugh harder before the video cuts off.]

City of Boston @CityofBostonOfficial

@CMarleauRaiders @BostonRaidersOfficial As a reminder to all, the slide in the Boston City Hall Plaza is made for children from ages 5 to 12, and should not be used by adults. Signage is posted around the structure indicating this rule.

Cliff Marleau @CMarleauRaiders

sorry boston. won't happen again

Boston Raiders @BostonRaidersOfficial

For the record, we discourage our players from taking physical risks on and off the ice, and advise our fans to obey all stated guidelines for the use of Boston public spaces.

Boston Raiders @BostonRaidersOfficial

Cliff Marleau is not injured and will be playing in the upcoming Boston vs. Montreal home game tomorrow night.

EM @masshole21

so.....what i'm hearing is,,, cop slide safe

ellaaaa @raidersfangirl26

what I'M hearing is, if i go to the cop slide at like midnight on a tuesday there's a chance i could run into a hot russian or a 6'3" tank of a hockey player who could crack me in half like a glowstick. either way i'm there

hockey addicts anonymous @rozanov81forever

okay so i'm not the only one who thought that sounded like rozy laughing from behind

the camera??

ellaaaa @raidersfangirl26

oh no, absolutely 100% him. in fact, to go further, i'm like 1000% certain he dared marley to go on that death trap

Hayden: where did you go?

Hayden: pleaseeee tell me you didn't ditch us for boston lily again. you already saw her yesterday. we're celebrating!!! boston raiders eat it!

Shane: Sorry man, just headed out. Couldn't find you to say goodbye. Tired from the game. And early flight tomorrow.

Hayden: aw fuck. jj just had the greatest idea!!

Shane: ???

Hayden: SLIDE

Shane: Fuck, Hayd. No.

Hayden: if shithead marleau can do it, so can i

Shane: Seriously? Are we twelve? Please don't.

Shane: Hayden??

Shane: It's not safe man, especially not since you've been drinking.

...

Text Thread: Shane & JJ

Shane: JJ please don't go on the slide and don't let Hayden go. You know how much of a lightweight he is. He's totally drunk right now, and it's off limits for a reason.

Shane: Just because Marleau did it and didn't get hurt doesn't mean we should, especially with our spot in the playoffs precarious as it is. That's the competition we should be worried about.

JJ: sorry, capitaine. we will be safe, i promise. no one gets hurt. have a good sleep!

Shane: Fuck.

Hayden Pike @RealHaydenPike

slides are for kids. slides are for kids. slides are for kids

Jacki Pike @JackiPike35

Is this something I'm going to be pissed at you about when you get home?

Hayden Pike @RealHaydenPike

i love you??

...

Text Thread: Shane & Jacki

Jacki: What's the damage?

Shane: It's not that bad all things considered. Just a few bruises. It's more the hangover that's making him feel like shit I think.

Shane: The real damage is that the Metros have to pay for Boston to disinfect the slide.

Jacki: Disinfect??

Shane: Apparently he threw up all the way down.

Jacki: Oh god.

Shane: Yeah. Management isn't happy.

...

City of Boston @CityofBostonOfficial

The area around the slide in Boston City Hall Plaza will be closed to the public today for biohazard cleanup. We ask people to please be mindful and work to preserve our public spaces.

Georgie @hollanderdynasty11

Uh. Whatcha get up to last night @MontrealMetrosOfficial?

Clara vs the world @dagenaisforprimeminister

Hayden Pike @RealHaydenPike

JJ Dagenais @JJDagenais

sorry boston. will probably happen again

City of Boston @CityofBostonOfficial

We would deeply appreciate if it doesn't.

Shane Hollander @ShaneHollanderHockeyPlayer

On behalf of my team, I'd like to apologize to Boston for the inconvenience and damage to city property. We will all strive to be more respectful of visiting cities in future.

ellaaaa @raidersfangirl26

oh please don't. i hate the metros with a fiery passion but still, this is the most entertained i've been in months

EM @masshole21

Georgie @hollanderdynasty11

LOL as if anyone believes our own hometown Ottawa-raised Good Christian Boy (affectionate) Shane Hollander had anything to do with this anyway

hockey addicts anonymous @rozanov81forever

uhhhh why does it seem like all the visiting teams recently are already a little beat up even before playing boston? is there a fight club we should know about??

hockey addicts anonymous @rozanov81forever

like i looked at their previous games and found no reason. not that i'm complaining if it's helping us win but.....???

ellaaaa @raidersfangirl26

omg someone finally said it. i've been wondering about this. dallas fuckhead kent was playing like shit last week, like he was holding his stick all weird and not shooting with as much force, like maybe his wrist was sprained or something?

beau @hotelcuckchair

oh, absolutely. he can goad a player into anything on the ice, that's gotta translate off the ice as well. ragebaiter supreme has to be responsible for all of this

hey...remember when i said slides are for kids? some of you didn't get the memo clearly. so i'm gonna say it louder this time: SLIDES ARE FOR KIDS. we get enough concussions without this, too

Subject: Boston Slide

NHL Players:

It has come to our attention that there have been many recent incidents with the infamous slide in Boston's City Hall Plaza in recent months, where our visiting hockey players have received minor to moderate injuries going down said slide. We have been contacted about this by the Boston city Mayor's office with pleas to discourage players from going on the slide. There's clear signage indicating the slide is not made for adults, and there was an incident last November where a team in the league was forced to pay for the slide to be disinfected, which we'd like to avoid happening again.

Thank you.]

Shane Hollander @ShaneHollanderHockeyPlayer

Not sure you're supposed to screenshot and share the emails we get, but yes. No more concussions than needed, please, guys. I have one right now, and it's not fun.

Hayden Pike @RealHaydenPike

Shane Hollander @ShaneHollanderHockeyPlayer

No. Leave me alone, I'm bored.

Hayden Pike @RealHaydenPike

i'm telling yuna on you

Agreed. And @ShaneHollanderHockeyPlayer so glad you're doing better but stay off your phone, sir! We need you next season without brain damage, please and thank you!!!

ellaaaa @raidersfangirl26

@dagenaisforprimeminister ummm excuse me but hayden pike (derogatory) did not

start this trend. @CMarleauRaiders did. put some respect on his name

Clara vs the world @dagenaisforprimeminister

the guy who fucked my captain up? no way does he get any respect put on his name. and @RealHaydenPike is the one who somehow made it so that the slide needed to be disinfected so he's the real hero anyway

Jane: Why are Koyla and Miitka saying you promised that if any player can go down the Boston slide and not get hurt, you'll throw the game in their team's favor?

Lily: 😂

Jane: Please fucking tell me you didn't actually say that.

Lily: If I did I do not remember. And of course I would not actually do that.

Jane: I cannot believe you. Is this what it's been the whole time? This is why everyone's been stupid enough to go on that thing when they come to Boston?

Lily: Well, not Pike. Pike did for nothing. Some do for fun.

Jane: You really think this is funny?

Lily: Very much yes. Especially when they are injured for game and I bait them after on ice. Much fun.

Jane: I can't convince them not to do it. You're on thin fucking ice for this. If they get hurt, don't think you're getting any this weekend.

Lily: Is this way you talk to boyfriend after so many weeks with nothing? As if you don't need it as much as I do. You know you'll be the one begging this weekend, lapochka.

Jane: You're such a fucking asshole

Lily: Asshole who loves you

Jane: Fuck. I love you too

Subject: Boston Slide (Again)

NHL Players:

Again, we'd like to remind players that while visiting Boston, please not to go on the slide in their City Hall Plaza. There has been a problem with injuries not sustained in games again this season, and the Boston Mayor's office has reached out to us to let us know that some graffiti on the structure has been traced back to certain players. We hope that a reminder is not needed that the league relies on each city's hospitality to us, and we don't want to compromise that.

You are not children. Stop jeopardizing each of your teams' chances for the opportunity to go on a slide. We have asked the Boston Raiders to conduct its own investigation into the actions of individual team members that might be causing this trend.

Thank you.]

i'm so depressed. don't talk to me.

hockey addicts anonymous @rozanov81forever

this couldn't be because of that, right??? we all saw that email screenshot on reddit in february...

beau @hotelcuckchair

no definitely not. boston wouldn't get rid of a player like rozanov for a joke like that, and everyone's known about that for years anyway. leaving was 100% his choice, or for another reason

Georgie @hollanderdynasty11

Okay so am I finally allowed to come out of the closet as a Ilya Rozanov fan? He's so good on the ice. Can't wait for him to turn Ottawa around

hockey addicts anonymous @rozanov81forever
okay so there were a couple people standing around at the bottom of the slide and someone came down it and fell on his back on the ground, prob winded since he stayed there for a few seconds. i think it was hayes bc rozanov (could tell it was him from the accent) was laughing and said something like: "that the best you can do, hazy?"

EM @masshole21
then he kept someone else from going up it. i think it was that rookie, haas? grabbed his shoulder and was like "no. no slide until third season, at least."

We are saddened to report that the fencing around Boston City Hall Plaza was found dismantled this morning. We again urge the public to abide by safety restrictions and posted signage.

Can everyone just agree to stop listening to @IlyaRozanov. Alright? Alright.

Ilya Rozanov @IlyaRozanov

@ShaneHollanderHockeyPlayer I have no idea what you accuse me of. I am innocent man and loving husband who has never gone on slide in life. Russians do not slide.

Zane Boodram @BoodZane

the world would be a better place if we could all just learn to ignore a challenge from @IlyaRozanov. someone else is gonna have to make that happen, though, bc i'm not strong enough

EM @masshole21

okay so it's been confirmed that @IlyaRozanov has been single-handedly responsible for ragebaiting probably dozens of famous hockey players into getting various injuries on the boston cop slide, but the question remains: has he ever gone on it himself?

hockey addicts anonymous @rozanov81forever
well he said he didn't in the response to shane

ellaaaa @raidersfangirl26

oh you sweet summer child, you believe that ? that felt like a "please don't make me sleep on the couch" defense

EM @masshole21

and with that level of sarcasm, i doubt it worked

beau @hotelcuckchair

something tells me that if hollander made ilya "ragebait" rozanov sleep on the couch every time he did something like this, they wouldn't be married at all. smells like foreplay to me. hate to say it but they're prob fucking it out rn

EM @masshole21

and it's times like these that i regret becoming online friends with someone whose username is hotel cuck chair

hockey addicts anonymous @rozanov81forever

@hotelcuckchair yeah somehow i don't think you hated to say that at all

Cliff Marleau @CMarleauRaiders

@IlyaRozanov hey rozy, remember those bruised ribs you had for the 2017 playoffs? you knew what a slide was back then

Shane Hollander @ShaneHollanderHockeyPlayer

@IlyaRozanov Are you fucking kidding me? The cop slide? I couldn't do the 2017 playoffs because I had a concussion and a broken collarbone and you played like shit with bruised ribs because you CHOSE to go down the fucking cop slide?

Ilya Rozanov @IlyaRozanov

Marley, next time we play, I will give you bruised ribs, broken collarbone, and concussion all back, since all were your fault and still you run your mouth.

Ottawa Centaurs @OttawaCentaurs

We would like to clarify that none of our players will be intentionally trying to seriously injure anyone from the opposing team in any upcoming match.

Georgie @hollanderdynasty11

These PR teams must be losing their minds. And has anyone checked on the no doubt underpaid staffer running the City of Boston Twitter account lately? I wonder if they're doing okay...

Alice Roan @alice_in_nightmare_land
I'm not, but thanks for asking.

October 2022

Shane stared incredulously from his husband to the gigantic metal structure standing before them, the gentle, early fall breeze just able to move a few pieces of hair into his eyes. He brushed them away impatiently and scowled.

"Are you fucking kidding me?" he demanded. "Are you actually fucking serious right now."

"You are hockey player, yes? What is little slide to hockey player? We get much worse on ice."

Ilya's smile was twitching at the corners of his lips, though he was still clearly trying to suppress it at least partially.

"Who the fuck do you think you're talking to right now?" Shane asked as Ilya smirked at him. "You think I'm some idiot who wants to prove something to you and doesn't know any better? I'm your *husband*. I know exactly what you're doing. I've been in this league as long as you have. I've seen all the videos, and the Twitter posts, and the emails."

"Well, if you are scared—" Ilya started, his eyes dancing with mirth even in the darkness.

Shane turned on his heel and crossed his arms over his chest as he walked away.

"I'm going back to the hotel. Should've known an evening walk around the city sounded too romantic to not be a trick."

Ilya began to laugh behind him and quickly ran to catch up, one arm wrapping around his husband's shoulder as he pressed a kiss into his cheek, which Shane ducked away from, huffing out an annoyed sigh.

"You know I just tease," Ilya said as he pulled away, but keeping his arm around Shane's shoulders as he matched his stride. "I would not actually want you to go down that."

Shane glanced over at him, his expression still set in annoyance, though it was already ebbing slightly.

"No?" he asked, attempting to sound disgruntled as ever, but some affection creeping in. "You'd let the Centaurs, the Raiders, and all the All-Stars teammates you can con into it go down it, but not me?"

Ilya grinned at him again, all teeth and beaming eyes, eyes that, after all these years, Shane could finally read the love shining out of like the sun.

"Yes," he replied. "Exactly that. Too dangerous, *solnyshko*, for you. For me."

Because old habits died hard, Shane fought valiantly against the blush, even though it was dark. Even though it was just his husband, who he loved, who loved him. His husband, who loved him, calling him *sunshine*. His husband, telling him in so few words how lost he'd be without him. The blush won.

"So why did you ask me to, then?" Shane asked, turning to face forward again in part to avoid looking at the fond expression on Ilya's face as he gazed at Shane, and in part because someone needed to steer them away from bumping into any lampposts, and it clearly wasn't going to be Ilya.

Ilya laughed lowly under his breath.

"Because I knew you wouldn't," he said. "You know me too well to fall for tricks now. You are only one who knows me so well to know always when I am baiting."

There was something wistful in his voice, as if he was wishing in some way for the boys they had been, so many years before, when each had been so uncertain and so reactive to everything about the other. As if he was wishing to do it all over again, so he could feel what it was like to learn and grow in and around each other and fall in just the same way.

But Shane just laughed and shook his head, turning to glance at Ilya again. "I'm pretty sure you're still perfectly capable of baiting me, whether I know what's going on or not," he said, before flicking his eyes back to the sidewalk ahead. "You manage to get a rise out of me almost every day at practice, if not at home."

Ilya was silent for a moment, seemingly considering this. "Is true," he said finally, the tone of his voice neutral.

Shane felt rather than saw Ilya's lips brush his ear as he leaned closer, felt the warm breath on his skin, making him shiver.

"Let us go back to hotel, *da?*" he asked, his voice rougher, lowered an octave. "Then we can see how quick I can get a rise out of you."

And, as for that idea, well...Shane didn't have a problem with it at all.

I have never, myself, been on the cop slide in Boston, and my friend Sierra from Mass refused to drive up there and go on it for research. She says just say no to the cop slide, and for safety reasons, I guess I will advise the same.

Chapter 3: Bonus II: January 2023 - Shane Takes the Bait

Chapter Summary

In which Shane baits himself and gets exactly what he hoped for.

Chapter Notes

Wow, just wow. The response to this fic has been absolutely insane - more than 2k kudos in less than 48 hours???? Do I even need to go back to therapy anymore?? (Just kidding.) Your comments have been making me giggle and blush and kick my feet. The life lesson I'm taking from this is that I need to do more things just for the bit.

A lot of y'all were really hoping to see Shane go down the slide, though, and a comment from oneoflifeslollopers finally convinced me to write it. So thank you for the idea, and enjoy :)

Text Thread: Shane, Wyatt Hayes, & Zane Boodram

Shane: Ilya's asleep. Meet in 5?

Bood: hell yes!!

Wyatt: I was hoping you were gonna change your mind

Wyatt: Remind me why you're doing this, again? You said Roz didn't even want you to, right?

Bood: LOL roz would send the whole NHL down that thing head-first with a smile, but with hollzy, it's too far

Bood: he's so whipped

Shane: Because he thinks I won't.

Wyatt: So, to recap: your husband thinks you're too smart for him to bait, and you want to prove him wrong??

Shane: Yes.

Wyatt: Cool, cool. Just wanted to make sure I had that right.

Bood: logic has no place here, hazy. now stop being a chicken and get out here

Wyatt: You sure Roz won't wake up and notice you gone?

Shane: You seriously don't need to worry about that.

Bood: if you heard what i heard through those hotel walls in san fran, wyatt, you wouldn't worry either. pretty sure hollzy knows how to tire roz out ;)

Wyatt: More than I needed to know

Wyatt: Fine, I'm coming

[Video attached. Description: Shane starts climbing up the jungle gym to the top of the slide.

Someone from off to the side: "Oh damn, he really is just going for it, I guess."

Another voice, louder, from behind the camera: "Go Hollzy!"

Shane turns back to give them both an unimpressed look and the middle finger.

Video cuts to view of the end of the slide, which Shane shoots out of quickly, but still in an upright sitting position. At the edge, he puts down his feet to stop himself to avoid sliding onto the ground, standing quickly as cheers erupt from behind the camera. He glances around, dusts himself off, then winks at the camera, beginning to smirk.]

Georgie @hollanderdynasty11

Uh, no. I would bet so much money that Shane Hollander researched the shit out of this before doing it. He was probably watching those physics videos and stuff. Never underestimate the Hollander dynasty.

Text Thread: Shane & Ilya

Ilya: Just got out of meeting. Where are you?

Shane: Why? Did something happen?

Ilya: I saw picture and Harris just showed me video. I am angry with you.

Ilya: And so fucking hard.

Shane: Then you know how I feel all the time.

Shane: Hotel. You know the room number.

Ilya: 5 minutes.

...

Hours later, in the locker rooms gearing up for their evening game against Boston, Shane heard the telltale buzz of his phone from the cubby above his stall. Pausing for a moment in the act of putting on his helmet, he picked it up and glanced down at the text that appeared.

Ilya: This means I must throw the game in your favor tonight, yes?

Shane glanced around and found Ilya leaning nonchalantly against the side of his own stall, already in full gear minus his hockey gloves, talking to Troy. He gave no sign that he knew Shane was watching, but Shane knew this game. He turned back around and huffed a quiet laugh, then typed out a response.

Shane: Lucky we're on the same team now, then.

He put his phone face down in his cubby and finished strapping on his gear, ignoring the buzz of a response in favor of dragging out the phantom warmth of Ilya's eyes on the back of his neck, the prickle of anticipation and adrenaline that always came with that look. When he was done, he picked up his phone again and read the words there.

Ilya: The luckiest.

Shane smiled to himself, his cheeks warming ever so slightly, letting that giddy feeling wash over him again—the very same as it always had so many years before, in secret texts before games. Warmth that used to need to be frozen out into something flat and unrecognizable on the ice. But this time, when he set his phone down and turned, ready to head into the tunnel, he shot his husband a secret smile. Just because he could.

...

Clara vs the world @dagenaisforprimeminister

yes i did fall on my face. yes it was, unfortunately, fun. and yes @raidersfangirl26 did laugh at me the whole way back to her place, as promised

Georgie @hollanderdynasty11

@dagenaisforprimeminister If you move to Boston I will mock you until the end of time

ella @raidersfangirl26

well i'm not moving to ottawa. they don't have a 16 foot slide

Clara vs the world @dagenaisforprimeminister

but boston doesn't have shane hollander and ilya rozanov

Chapter End Notes

Please continue to praise me. I will take it as flirtation :) (mostly joking but also not)

End Notes

I've gotten a lot of comments saying they'd actually like a Ella/Clara spinoff, which is wild bc they're just my OCs but if you also would actually seriously like this let me know in the comments and keep an eye on this story bc I have many many ideas. I made a series you can follow, since if I do write one, it'll be a separate fic not added as a bonus chapter (I have too many ideas).
