Ilya Rozanov's Sex Ed Class

by made_of_tea

Summary

Harris appeared in the doorway. "Troy said we're giving a dick-sucking talk?"

Ilya threw his hands out, exasperated. "We do not need every dick-sucker in the building to explain this."

"Maybe not, but I don't want to miss an Ilya Rozanov dick-sucking speech," Harris said, standing next to Troy.

Since Ilya had joined the Centaurs, he'd become the go-to person for locker room sex talks. His playboy reputation preceded him. Rookies flocked to him for sexual advice.

It only got worse once he came out as bisexual. Because then the rookies brought in their gay sex questions. Ilya waved them off if it got offensive, but for the most part he was happy to educate the younger players. The sexual education courses in America were dogshit.

He hadn't told Shane about this phenomenon, but he was bound to find out now that he played for the Centaurs.

One day, after practice, Young approached him. "Roz, can I ask you something? Uh, sex-related?"

Shane glanced over at him, seemingly surprised people were comfortable enough to ask him about these things. Ilya shrugged. "Sure."

"So, um, I started seeing this girl, right? And she's great, I really like her. But she's trans, and hasn't had surgery down there. So, uh, I guess what I'm asking is, do you have any tips for sucking dick?"

Ilya laughed loudly, unable to help himself. Unfortunately it got most of the room's attention. "You are asking me how to suck cock?"

Young rolled his eyes. "I mean, yeah, kind of."

Ilya clapped him on the shoulder. "Well, you have come to the right person. Not only have I sucked Shane's cock for eleven years-" Shane smacked his arm, "-but I also have experience with most kinds of people."

"What does that mean?" Troy asked, having entered the locker room.

"I have had boy dick and girl pussy, of course. But I have also had girl dick and boy pussy. I do not discriminate."

"Slut," Shane said.

Ilya grinned at him. "You receive all the benefits of my slutting around. You're welcome." He turned back to Young. "I will give you all my dick-sucking tips."

Luca approached. "Could you also give me, um, pussy eating tips? I've never done it before and I'm seeing Jasper now, so…"

"Yes, everyone can have my transgender sex tips." Ilya did not miss the doubtful look Shane and Troy shared. "What, you don't think I give good dick-sucking advice? Would you like to stick around and help out?"

"Actually, yeah," Troy said. Shane nodded.

"Why? You have not sucked girl cock."

"A dick's a dick. And I know my way around a dick," Troy said.

"I just want to see what you say," Shane said.

Bood and Wyatt joined the group. "And we're here to verify the pussy eating tips. We're pros."

While Ilya didn't like being upstaged like this, he also appreciated the support. "Again, not the same as boy pussy, but all advice is good. You two sit."

Young and Luca sat on the bench. A couple other rookies sat nearby, listening but not actively involving themselves.

Harris appeared in the doorway. "Troy said we're giving a dick-sucking talk?"

Ilya threw his hands out, exasperated. "We do not need every dick-sucker in the building to explain this."

"Maybe not, but I don't want to miss an Ilya Rozanov dick-sucking speech," Harris said, standing next to Troy.

"Why'd I think that joining a team with my husband would be normal?" Shane muttered to himself.

"Your husband's Ilya Rozanov. What'd you expect?" Troy muttered back.

Ilya clapped his hands together once. "Now. Has this girl been on estrogen for very long?"

Young shrugged. "I don't know. She doesn't talk about it a lot. Why?"

"Sometimes estrogen makes it more difficult to get hard. Mostly not an issue, but something to keep in mind. You should talk to her about this beforehand, as well as what kind of words she likes. She might want you to refer to her dick or ass as a pussy. Vice versa, Jasper may want you to call his pussy a dick. That is between the two of you. Just something to consider."

Luca nodded studiously. Young remained stoic.

"Now, do you have a gag reflex?"

"Uh, kind of," Young said.

"Take it slow. I don't mean slow pace. But you don't have to take it all at once. You can start with a little, use your hand on what you can't fit in your mouth. Then work your way down as far as you can. Is okay if you can't fit it all. Think of what you like from a blowjob and… what is it? Do the same?"

"Replicate," Harris supplied.

"Replicate. And hopefully she will tell you what she likes and does not. Swallowing is optional. I do it because I am not quitter, but it is okay if you are."

Shane stepped in at that. "Not swallowing isn't quitting, it's your choice. Some people don't like the taste or texture, and that's perfectly fine."

Bood narrowed his eyes at them. "I hope you know we're all making similar inferences about your personal sex life."

Ilya wasn't sure what inferences were, so he said, "Shane swallows sometimes. On special occasion."

Shane gave him a look. "You don't need to tell them that!"

"Anyway, if you want to get fancy with your dick sucking you can put a finger or two in her ass. Ask permission first, as always. Use lube. Find her prostate. Very good." Ilya looked at Troy, Harris, and Shane. "Anything to add, cocksuckers?"

Harris' face did a funny thing. "I've never been called that in a good way. That was weird."

Troy smiled. "He's called me a fag as a term of endearment, so I'm used to it. But I would like to add some things." He addressed the small group that was listening. "With a blowjob, you have options with how dominant you want to be. You can be fully in control, deciding how much to bob your head and how much to take, or you can basically let your partner fuck your mouth. That's up to your personal preference."

"Also," Harris said, "you don't have to be on your knees. If you don't want to kneel the whole time, you can lie on a bed. There are lots of positions you can try."

"Like sixty-nining," one of the rookies towards the back said.

"Like sixty-nining," Harris echoed. "But also other positions."

"Watch out for your teeth and use your tongue," Shane said.

Young nodded. "I think I've got it. Thanks, guys."

"Let us know how it goes," Ilya said. He looked at Luca. "Now. Pussy eating. Testosterone can make pussy drier, so lube is helpful. But your spit will make it wet as well. Use your tongue, but you can also suck. Find his clitoris."

Bood spoke up. "It's hidden between the folds. Usually more towards the top than the hole. It's the most pleasurable spot, but make sure to move around. Don't be afraid to get your tongue inside."

"And like Harris said, there's lots of positions," Wyatt said. "I like when my wife sits on my face. You can explore and find out what you like."

"I have met very few people who don't like eating pussy," Ilya said. "You will figure it out mostly in practice."

"And if he likes penetration, you can use your fingers at the same time," Wyatt added.

"Got it," Luca said, slightly pink in the face. "Um. How do I know when he… comes?"

"He will probably tell you. Is like spasming, inside," Ilya said. "Feels very good around your cock, if you fuck him."

Luca turned bright red at that. Shane stepped in. "But just because you have a dick and he doesn't, it doesn't mean you need to top. Obviously discuss with him, but you can do whatever you prefer."

Luca nodded, though he was an even darker shade of red after that.

"This has been very productive sex talk, no?" Ilya asked.

Young gave him a thumbs up. "Very productive."

Ilya grinned. "Now we all go home and fuck our partners."

"Captain's orders, we're all getting laid tonight," Bood said.

"Consensually, of course," Troy said.

Ilya nodded. "Yes, always consensually. For example, Shane, can I suck your cock when we get home?"

Shane glared at him. "Fuck you."

"That too, sure. You want it or not?"

"You don't have to ask in front of everyone," Shane said.

"Why not? We just had sex talk."

Everyone around them began wandering off, laughing at the two of them. Ilya noticed most of them were texting, other than Troy, who was following Harris down the hall. Huh. Maybe everyone was getting laid tonight.

Ilya hooked his chin over Shane's shoulder. "Please may I fuck you when we get home?"

"No. First you're gonna suck my dick and we'll see if you're really qualified to be giving advice. Then maybe I'll let you fuck me." Shane grabbed his bag and walked down the hall to the carpark, leaving Ilya to chase after him with a grin on his face.
