mic'ed up

by hozanova (reymanova)

Summary

Every time Ilya and Shane are on hot mics, Harris loses a year off his life.

Chapter 1

Chapter Summary

Ottawa mics up both of their captains for a game.

It goes about as well as you'd expect.

Chapter Notes

For two months now I've been telling myself that I would NOT cave and start writing Hollanov fic.

I failed.

(Does this fandom already have a wonderful selection of social media / texting fics, AND a robust selection of mic'ed up fics? Yes! Will that stop me? No <3 Uwu or whatever)

See the end of the chapter for more notes

Video:
CRAIG SIMPSON: Big night tonight as the Ottawa Centaurs take on the Anaheim Hammerheads at home — both of the Centaurs captains, Ilya Rozanov and Shane Hollander, are mic'ed up and live for this evening's matchup.

CHRIS CUTHBERT: You left out a pretty crucial detail there, Craig — former rivals Hollander and Rozanov are also married to each other, so we're in for a show both on the ice and on the mic.

SIMPSON: [laughing] Oh, sorry, I thought that was implied. Didn't realize there was a single soul in Canada who doesn't know that at this point.

CUTHBERT: We've been told both Hollander and Rozanov were given a stern talking to by the Cens PR and media teams to keep things appropriate for national television tonight.

SIMPSON: Hollander I trust with that task. Rozanov… I'm not so sure. He's a bit of a wild card.

CUTHBERT: Let's just say, our tech team has the bleep button on hand. We'll be putting them to the test tonight with that five second live delay.

gracie (world's first hollanov addict)

Buckle up, hockey fans. Think you'll need some popcorn for this one 🍿

Video:
[Shane and Ilya bonk their helmets together on the ice.]

ILYA ROZANOV: Go kill em, moya lyubov.

SHANE HOLLANDER: [even more awkward than usual] You too. Uh, good luck, Rozanov.

ROZANOV: Oh okay, I see how this is. [directly into mic, but loud enough for Shane to hear] Hello hockey fans, I am Shane Hollander, I am very professional, I will only speak to my husband in formal style for entire game because I am scared by teeny tiny microphone.

HOLLANDER: Shut up.

ROZANOV: Shut up? This is not how a Canadian hero should speak to his captain!

HOLLANDER: Fu— eff off.

ROZANOV: Excuse me, ref????? THIS MAN IS NOT BEING PROFESSIONAL PLEASE GIVE HIM MANY PENALTIES.

Okay my Russian is elementary at best but did Roz just call Hollander "my little tomato"???? Did I hear that right????

alina in hockeytown❤️
@whenwheelsfly
okay i want it on the record that i am a detroit fan and WILL be a detroit fan for the rest of my days, but as everyone's favorite local russian expert (#slavaukraini btw), the gc has roped me into being their own personal translator for the night. so i figure i might as well put it on main

so, for your reading enjoyment: a rus>eng translation thread for everything rozanov says on mic tonight 🧵

starting with: yes, he did in fact call hollander "my little tomato" lol. he also called him "my love" earlier, and under his breath called the ref what i can only translate as an "ugly shit-skate"😂

Sportsnet ☑️
@Sportsnet
Ottawa strikes first! First goal of the night comes from Rozanov, with the assist from Hollander🚨🏒🥅

Video:

ROZANOV: You call that a pass????

HOLLANDER: You still scored off it, asshole.

ROZANOV: Yes, only because I am undisputed best hockey player in the world with reflexes like a very handsome fox.

HOLLANDER: Undisputed? That's a new one for you.

ROZANOV: Excuse you, I have known this word for a long time. Problem was for many years I could not make it sound good coming out of my mouth. [pause] You know what does sound

good coming INTO my mouth, though—

HOLLANDER: LIVE TELEVISION, ILYA.

ROZANOV: I was going to say Poyushchaya Ptitsa, is best Russian food in Ottawa. Get your head out of the pipe, Mr. All-Canadian Good Boy, I am trying to support local business.

HOLLANDER: My head out of the— what? Do you mean get my head out of the gutter?

ROZANOV: Yes, whatever. Gutter, pipe, is all the same in your stupid language. You still understand me, no? Anyway. [taps on the mic] People on TV, restaurant is called Poyushchaya Ptitsa, is in Kanata. Tell Oleg I sent you, maybe he gives me free food as a thank you for so many new customers.

OKAY I'M SORRY my little brother keeps trying to show me all the new things he's added to the spaceship he built on minecraft lollllll

but here's the catch-up of rozanov's russian, which at this point is mostly just increasingly absurd pet names for hollander:

- my beautiful wife (he specifically said wife. not husband. lmao)
- my maple syrup boy

- my meerkat
- my zamboni

he also chirped at chesnokov on the hammerheads that maybe he would be better at blocking shots if his eyes weren't on complete opposite sites of his head😂😂😂 unfortunately the mic didn't pick up chesnokov's response

@whenwheelsfly
more on-mic pet names for you #hollanov fiends:

- my cheese grater
- my good clamshell (unclear why this one he specified "good"? are there..... bad clamshells????)

rozanov also chirped at chesnokov that he should brush his teeth bc his breath smells like pampushki (pampushki are these really good roll things that are pretty garlicky, which is lowkey hilarious because chesnokov means "garlic"😂😂😂😂)

HOLLANDER: Stop.

ROZANOV: [singing] I bet her mama never told her why… I'm gonna try for an uptown girl...

HOLLANDER: Ilya, stopppp.

ROZANOV: But Hollander… you are my uptown girl……

HOLLANDER: It's distracting. Get your head in the game.

ROZANOV: [singing] Getcha, getcha head in the game. You gotta getcha getcha getcha getcha head in the game.

HOLLANDER: How…. how do you even know that song?

ROZANOV: What are you talking about? Everyone knows the squeaky basketball song.

HOLLANDER: Have you even seen High School Musical?

ROZANOV: Of course. Me and Svetlana did a movie marathon one time. All three. Very interesting. First one is famous but is actually not as good as the others. This is my… what did Harris call it? Hot something? Hot potato?

HOLLANDER: [laughing] Hot take?

ROZANOV: Yes yes, that. Do you not agree? That first is secretly the worst?

HOLLANDER: Uhhh. Sure.

ROZANOV: You have never seen these films, have you?

HOLLANDER: No.

ROZANOV: Oh my godddd, you are so annoying. And so boring. I was living in Russia when these came out! How have I seen them and you have not!

HOLLANDER: I mean, they're not even Canadian. They're American.

ROZANOV: And? Sveta was torrenting them in communist Russia, what's your excuse?

HOLLANDER: Russia hasn't been communist your entire life.

ROZANOV: Ah ah, this is not true. Six months, I live in communism, and the Russian people are saying "nonono this baby Ilya Rozanov, he is too perfect, is not fair to have him owned by the state. Government is ugly, does not deserve this beautiful boy, we need him to be free." Then voila! No more communism.

HOLLANDER: That is not what happened.

ROZANOV: How would you know? You were busy with goo goo ga ga in Ottawa. In English AND French, because you are perfect baby Shane Hollander. Annoying. [blows raspberry] Okay, here is my plan: tonight we will watch High School Musicals and you will see I am right.

HOLLANDER: All three tonight?

ROZANOV: Okay, maybe one tonight. Two tomorrow. I will make poppy corn. One bag for us, one bag for Anya.

HOLLANDER: You know it's just called popcorn, right? Not poppy corn?

ROZANOV: What am I, Booboo the Fool? Yes, of course I know this. But poppy corn is more fun. You have no whimsy.

HOLLANDER: Who the hell is teaching you all these words?

The game hasn't even started yet, but for @ilyarozanov81 it's always time for a good chirp 🐥

Video:
[Rozanov skates up to the center line during warm-ups, where Hunter is stretching.]

ROZANOV: Think you're going to make it to the end of the game? Or should I tell the med team to keep the stretcher ready?

HUNTER: I think you just want an excuse to uninvite me from the little retirement party your husband is throwing me tonight.

ROZANOV: Well, yes. Obviously.

HOLLANDER [skates up]: You still trying to convince the public that you don't voluntarily go to the Kingfisher at least twice every time you're in New York?

ROZANOV: This is to see Eric. And Kyle. And Kip. Not this loser.

HOLLANDER: Sure.

ROZANOV: You know, Hunter, Shane thought maybe we could have this party a little later, not during the season, you know? But I said no no, if you insist on doing it we will have to do it now. New York is not making playoffs this year because their center is a dinosaur, but Cens are winning the cup, so we will be so busy later and who knows when we will see Hunter next. Have to do it now while Grandpa Dino Man can still walk.

HUNTER: Don't act like you're so far behind me, Rozanov. I've seen you out there favoring your left side the past few games. With no new injuries on record this season? That's a classic old geezer move. Your age is finally catching up to you.

ROZANOV: Oh, so you are watching my play closely? You are hoping to learn some tips and tricks? Is sweet that you are still trying even when they are about to put you down.

HUNTER: In your dreams.

ROZANOV: Maybe favoring left side is a hot new trick recommended by science. You wouldn't know, you are so old that the only treatment you know is… Shane, what was it called in the documentary we watched? Where evil bird-face man cut the lady's arm to make her fever go away?

HOLLANDER: Bloodletting?

ROZANOV: Yes, that. Hunter treats everything with bloodletting because he was born in the Middle Ages.

HUNTER: Hollzy, he fucked up something on his right side, didn't he?

HOLLANDER: Oh yeah. Too many hard hits on that right knee and now it creaks and cracks like nobody's business.

ROZANOV: Fake news. Not real.

HOLLANDER: I keep trying to get him to go to PT more often, but he insists he's fine.

ROZANOV: I am fine. I am very hot and fit, ask anyone here.

HOLLANDER: [humoring him] You're very hot and fit. But you're also a professional athlete in your thirties who didn't start properly taking care of your body until a decade into your career, when I finally forced you to.

HUNTER: Let me know if you want any of my old man tips and tricks, Roz. Sounds like you need 'em.

ROZANOV: Go fuck yourself, Hunter.

HOLLANDER: Quit swearing, Ilya, we're live.

ROZANOV: Oh, so you can tell the whole world lies about my very healthy and perfect knee, but I cannot swear a little? And anyway, he swore first. Does not seem fair.

HUNTER: Life's not fair, buddy. That's something you'll learn in your old age.

HOLLANDER: Go back to the line before that. Sing it again.

ROZANOV: You have never asked me to sing before. Is this some sort of new kink?

HOLLANDER: No, you weirdo. Just — I want to hear what lyrics you said.

ROZANOV: [singing] God, what have you done…

HOLLANDER: Uh huh. Keep going.

ROZANOV: [singing] You're a pink pony girl, and your dad's at the club.

HOLLANDER: That's not the lyric.

ROZANOV: I'm sorry, you think YOU know pop music lyrics better than me? Once I showed you a picture of Sabrina Carpenter, you said she looks like a nice girl but you have never seen her in your life.

HOLLANDER: Well this song's not by Sabrina Carpenter, and I do know the lyrics. Which are not "your dad's at the club". It's "you dance at the club".

ROZANOV: No. This is wrong. It is "your dad's at the club".

HOLLANDER: Why would her dad be at the club?

ROZANOV: I don't know. She is already talking about her mom. Why not?

HOLLANDER: It's a gay club, Ilya.

ROZANOV: Okay, so? Maybe her dad is gay. I don't judge.

HOLLANDER: Would you want to go to the club with your — no, with my parents?

ROZANOV: Um, yes. I would have so much fun with Yuna and David.

HOLLANDER: Okay fine, if you were me, would you want to go to the club with them?

ROZANOV: Well you never want to go to the club, so I do not know why it matters who's there.

HOLLANDER: You know what? Never mind. Just know I'm right.

ROZANOV: No way. You do not know any lyrics of anything. Impossible.

HOLLANDER: We all grow and evolve as people, Ilya. I mean, not you, because you still refuse to fold socks. But normal people can.

[Shane and Ilya walk back out to the rink after intermission.]

ROZANOV: No, I do not believe it. The internet is wrong.

HOLLANDER: Literally every site you went to said the lyric is "you dance at the club". How could all of them be wrong?

ROZANOV: They are playing one big practical joke, maybe.

HOLLANDER: Hey, Coach? Finish the lyric. "I'm a pink pony girl, and…"

COACH WIEBE: [looking incredibly confused, faintly picked up by mics] "And I dance at the club?"

HOLLANDER: See?? Even Wiebe knows.

ROZANOV: Even Wiebe can be wrong sometimes. Like when he tried to have us playing on different lines at first. Wrong. Stupid.

HOLLANDER: You do remember you're on a live mic right now?

ROZANOV: Yes, I have said this to his face and I would do it again. Me and Wiebe are besties.

HOLLANDER: Sure.

ROZANOV: I think Fabian met Chappell Roan once. Do you think she follows him on Instagram? Next intermission I am texting Fabian and asking him to ask her what the lyrics are.

ROZANOV: Hey, Hunter? I know you don’t know because you are a million years old, but next intermission can you ask your husband what the lyrics are to Pink Pony Club?

HUNTER: The fuck are you talking about, Rozanov?

ROZANOV: Ugh, I knew you would be useless.

HUNTER: Gee, thanks.

ROZANOV: Did you switch from rainbow tape to regular tape at intermission?

HUNTER: What? Oh, yeah. The pride tape was fraying on me.

ROZANOV: So instead of replacing with more pride tape, you put boring white tape on? This is homophobia, I think.

HUNTER: Rozanov, you were at my gay wedding.

ROZANOV: Mmmm, this was so long ago, though. Now you are upset you are losing to the gayest team in the league, so you decide to become homophobe at intermission.

HUNTER: Your husband isn’t using pride tape.

ROZANOV: Shane is very specific about stick tape. When he does not have the right kind, this is very bad for him, for me, for the whole team.

HUNTER: But by your logic, doesn’t that make him a homophobe?

ROZANOV: He likes my cock too much to be homophobe.

HUNTER: Jesus Chr— [sighs] He’s gonna kill you for that one.

ROZANOV: [grinning] Yes, probably. But he is hot when he’s angry.

ILYA: [singing] Ain't got antlers on my walls, but I sure know mating calls from the stalls in the bars on a Friday night. And other boys may need a map, but I can close my eyes and — [points at a rapidly reddening Shane] — have you wrapped around my fingers like that.

[Bood whoops and pushes Shane towards Ilya. It only serves to make him blush harder. Ilya drops to his knees on the table so he’s closer to eye height with Shane, though he still has a good several inches on him.]

ILYA: [singing] So, baby, when you need the job done… you can call me, baby.

[Ilya grabs Shane by the back of his head and pulls him towards his crotch. Shane shoves Ilya in return, sending him toppling over on the table and into a fit of absolutely giddy giggles.]

Video 2:
[Back on solid ground, Ilya is once again following Shane around like a walked dog. He grabs Shane by the hip and pulls him close, his front to Shane’s back as he sings into his ear.]

ILYA: [singing] 'Cause you ain't gotta tell me, it's just in my nature. So take it like a taker — [thrusts into Shane’s ass] — 'cause, baby, I'm a giver.

[Someone off-camera wolf whistles. Shane is basically a tomato at this point, but he's clearly too into it to resist now.]

ILYA: [singing] Ain't no need to hurry, 'cause, baby, I deliver. Ain't no country boy quitter… I get the job done. I get the job done!

[Suddenly, Ilya yanks on Shane's hand and turns them so they're face to face. He holds up an arm, clearly indicating that Shane should take hold and spin underneath it. Shane refuses to make eye contact, but he can't hide his smile as he acquiesces and lets Ilya spin him around.]

[After Shane has done a full 360, Ilya manhandles him until their roles are reversed and his back is to Shane's front. He grinds unapologetically on his husband. It gets dirty quickly, however, and after only a moment Harris is stepping in and pulling them apart like a prom chaperone.]

HARRIS: OOKAYYY, LET'S KEEP THIS PG-13 PLEASE.

[Ilya allows Harris to separate them, but immediately glues himself back to Shane's side and rests his chin on Shane's shoulder with a grin like the cat caught the cream. He is enjoying this way too much. Shane is far enough gone that he just pets Ilya's hair absently.]

HAZY: [off camera] Yeah, there are kids here!

HAAS: [indignant] You cannot keep calling me a kid, oh my god—

[Bood wraps his arm around Parker Chen's neck in a way that's meant to be friendly, but in his inebriated state is coming across a bit threatening. It looks like the poor rook's head is about to explode from the pressure.]

BOOD: Think of poor Chen's young, innocent eyes, he hasn't even heard the birds and the bees talk yet!

PARKER: What the hell, why come after me but not Jonáš?

BOOD: Uh, because he's from Eastern Europe, where it's cold and dark and there's nothing to do but fuck—

ILYA: True.

BOOD: —and you're from UTAH?

[Parker splutters, indignant.]

TROY: Maybe he's an experienced soaker, you never know—

[The entire room — barring Parker, whose jaw still remains on the ground — breaks out in riotous laughter.]

Video:
[Caption: Some got a 2nd wind and demanded an Aerosmith palate cleanser. Others,… well, they got the job done]

[A group huddles around the two mics, screaming along to I Don't Wanna Miss a Thing at the top of their lungs. Someone is probably going to lose their hearing.]

[Pan to Shane and Ilya cuddled up in the booth, legs tangled up. Shane's head rests on Ilya's shoulder, and Ilya leans back into him like he's kissing Shane's hair. Despite the hullaballoo around them, they're both fast asleep.]
