Summary

After the events of [I Like Jane For You](#), the public reacts to Rozanov and Pike as secret friends.

Conveyed through text threads, social media, and news articles.

Notes

This is almost exclusively for people who have read the first (I Like Jane For You). Ilya's POV (Do Not Text Jane) not necessary. I guess you can refuse to read the first one if you want, but yikes. To catch you up, Pike and Rozanov are secretly best friends in this world. It's a long story. Maybe just go back and read that one?

I'm asking for the slight favor that we collectively forget everything we know about how technology works. Just... trust me here don't look too closely. We're going to run with it because ya boo loves chaos.

Set post-cottage, around late fall 2017-2018 season.

Phone stuff is all set from Shane's POV.

This thing is littered with stupidity. Don't look too closely.

See the end of the work for [more notes](#)

Chapter 1: #SextingWithShane

lesbians and their cuck group chat

Hayden: I'll say it again here so I have backup

Hayden: last chance before I involve my spouse

Hayden: you have to stop commenting on my Instagram

Shane: ???

Shane: what???

Lily: whattt

Lily: I am funny and this page is so boring without me

Shane: omg

Shane: I hate where this is going

Lily: you love me

Shane: I do

Lily: 🥰

Hayden: focus???

Hayden: I've deleted every single one because they are completely unacceptable

Hayden: even if it weren't so stupid risky

Hayden: some of them are just weird and gross.

Hayden: others just imply we know each other too well

Lily: give me one example.

Hayden: fucking gladly. Let's all get ready to delete a bunch of these messages.

Hayden: you can't comment on a picture of pregnant Jackie

Hayden: "Jackie is my fertility goddess."

Lily: I am a spiritual person. 🙏

Hayden: you can't comment on a picture of Shane at practice

Hayden: "just sent you money for this lmk if you want more."

Shane: NO!

Lily: I think you would have to send more to get more money

Lily: if that is the question

Hayden: you can't comment on a selfie of me and Shane with hearts

Shane: no!

Shane: you didn't!!!

Hayden: if I post a picture of your Boston shirt in the trash you can't say "I thought I lost that shirt."

Lily: that was targeted ragebait.

Shane: who taught you "ragebait"

Hayden: on my post supporting Scott Hunter you wrote "you owe me 10 bucks"

Hayden: I never even put money on that

Shane: nvm I just googled "Ilya Rozanov + ragebait" and you are literally an example on the Wikipedia page

Shane: it's actually you antagonizing Scott Hunter

Hayden: this is the person you've chosen to love

Shane: it is

Lily: i love you too

Lily: anything else Mr. Social Media Tsar???

Hayden: yes.

Hayden: you can't comment "what are you trying to do to me" when I post a picture of Shane

Lily: he was holding my baby!!!

Lily: that was bait too

Lily: my ovaries!!

Shane: fucking christ Ilya

Lily: sorry

Shane: are you??

Hayden: that's the other thing

Hayden: you can't claim ownership of Amber in public

Hayden: it's very funny for us and we're all trying to find it cute and not creepy but not out loud ok?

Lily: this is too many rules

Hayden: and I'm only remembering the ones I have screenshots for but dude come on

Hayden: it would be one thing if they were just normal comments

Hayden: but you are like allergic to just being normal

Shane: just block him

Lily: noooo

Shane: everyone delete all of this

Katie @HollaAtMeHollander

has anyone noticed Ilya Rozanov commenting on Hayden Pike's insta? for like 2 seconds then the comments get deleted?

Katie @HollaAtMeHollander

I noticed it last time and forgot to screenshot this one but they're always really weird.

Katie @HollaAtMeHollander
thoughts?

↪ **Shane's Concussion** @Metrosboy2

yes! I thought I was going crazy... did he comment "mine" on Pike's new baby?

↪↪ **Yolanda** @yolandaMLH
what the fuck?

↪↪↪ **Shane's Concussion** @Metrosboy2
yeah and then the comment was just gone

↪ **Cups on** @Cupsoncupsbabyyy
I didn't even know they knew each other?

↪↪ **Katie** @HollaAtMeHollander
they don't! As far as I can tell, they were papped together once at a bar with a big group from both teams

↪ **Yolanda** @yolandaMLH
Rozanov has always been weird on social media. Remember when he took 3 days off with no explanation?

↪ **Yolanda** @yolandaMLH
The man posts 52,000 times a day and then just ghosted us 😭 I missed him sm

↪↪ **Katie** @HollaAtMeHollander
ew no 1. his posts are the worst girl what are you doing

↪↪ **Katie** @HollaAtMeHollander

2. there was an explanation remember? He just said “sorry made a friend” like he had just spent 3 days fucking nonstop

↪↪↪ **Shane’s Concussion** @Metrosboy2

I forgot about #SMAF lol I hate him but even I thought that was funny

↪ **Mitty's Biddy** @MontrealityBites

@HollaAtMeHollander Ok yes! And weirdly enough I have the screenshot for one of them I sent my friend bc it was so weird.

↪ **Mitty's Biddy** @MontrealityBites

On Pike’s post about the annual hotdog eating contest, he wrote “tell her not to fill up she has another hotdog eating contest this summer”

↪ **Mitty's Biddy** @MontrealityBites

but there were no women in any of the pictures! It was all players, not any WAGs. The dog even is a male, I think it’s JJ’s puppy, Bingo.

↪ **Mitty's Biddy** @MontrealityBites

so he has to be talking about someone off-camera, like maybe he knows one of the WAGs? Well enough to have plans over the summer?

↪ ↪ **Cups on** @Cupsoncupsbabyyy

ok let’s just pretend this isn’t innuendo, that would be an affair.

↪ ↪ ↪ **Shane’s Concussion** @Metrosboy2

fr this is rozanov we’re talking about

anonymous @hackeyhocker

@HollaAtMeHollander @MontrealityBites well ok let’s find out about this. Should be easy enough.

Shane: ugh ok yeah

Shane: like a lot

Shane: we are sort of in a relationship

Shane: why? you're reading the texts?

Rose: yes!!!!

Rose: I thought it was really messed up that hayden was friends with this guy who's been an asshole to you but then this timeline starts to make sense

Rose: a relationship??

Shane: yeah I think he's going to have to make a statement about himself today

Shane: wait are you asking just because they talk about guys in there?

Shane: or did you find me specifically?

Shane: I've gone through the doc a million times I don't think it's clear enough to ID me

Shane: they deleted a lot

Shane: not as much as I told them to but ok

Rose: Shane I found ME specifically

Rose: I'm the something stupid, from the tabloid, I'm someone you can fuck in public, I told you that you were gay

Rose: they talk about us

Shane: oh fuck you're right

Shane: you're in there I definitely should have warned you

Shane: I'm so sorry

Shane: and I'm sorry I know it looks bad but really we weren't a thing then and nothing happened while I was with you but I'm still sorry

Rose: no it's fine

Rose: I'm not mad

Rose: two more questions

Rose: he's really hot!!!!?

Shane: not a question

Shane: but yes he really is

Rose: you do not halfass anything huh

Rose: two

Rose: you have a statement ready for yourself, right?

Rose: between the cottage, me, all-star weekend, the game schedules...

Rose: you are wrong. there are 1500 ways you're in here.

Shane: it's that obvious?

Rose: baby

Rose: you are hanging by a feminine pronoun rn

Rose: collective stupidity is the only thing covering your ass

Social Media Reacts to the Rozanov/Pike Leaked Texts

Tracy Menudo

Hockey Today

Senior Off-The-Ice Correspondent

[image: a photo of Ilya Rozanov texting during MLH awards Summer 2017]

[image: a grainy candid photo of a group of men at a bar surrounding several high-top tables. To one side, highlighted with a superimposed circle, stands Ilya Rozanov and Hayden Pike, both holding beers and grinning widely.]

In what's being called MLH's weirdest scandal, a text thread was leaked early this morning between Boston's Ilya Rozanov and Montreal's Hayden Pike, two players who ostensibly

have no substantiated prior public friendship or connection. The pair has only been photographed in the same group once (see image above, Nov. 2016).

Internet sleuths have speculated about Rozanov's presence on Pike's social media for months, with a pattern of frequent bizarre comments getting deleted almost immediately from Pike's pages. Cyber crimes law enforcement says the leaked thread is believed to be the work of a hacker investigating that pattern. No other information was skimmed from either phone. The hacker has been caught and the phones are now secure.

The contents of the messages have the hockey world—and many others—in confusion. #LeakedTexts is trending in 24 countries.

The story is bizarre from the beginning. It appears Pike and Rozanov switched phones during the 2015-2016 season for about three days. The texts give some clues that the two players did not know each other before the switch, and this was not a planned exchange but an accident. Fans are calling this absurd quandary “sitcom material” and a “meetcute.” One twitter user chastises the players, writing “two high-profile MLH stars and not one phone password between them. No wonder they became friends.”

The timeframe coincides with a rare Rozanov 3-day social media blackout that left fans at the time wondering. When he returned, Rozanov infamously wrote “sorry made a friend” and resumed his characteristically prolific posting (note: Rozanov averages 35.7 posts/comments per day, more than any other MLH player). Rozanov fans began using “sorry made a friend,” or SMAF, to humorously excuse a long absence or to call out sick from work. Many fans speculated it was the beginning of a relationship or even a marriage. One fan on Twitter wrote, “bro just announced he had so much sex he couldn't log on for three days.” The timing of the start of these messages implies the friend was Hayden Pike. After 3 days, the pair met to retrieve their own cellphones in a parking lot between their two games [location pictured below]. The pair continued a text message conversation and developed an unlikely friendship. #Bromance is trending in 15 countries.

Fans are speculating about the secretive nature of the relationship. There is a pressure in the text messages that this friendship stay private, and the texts are carefully worded with secret code. There is some negotiation of what they can and cannot say in the thread, mostly with the goal to obscure gendered language, their own identities, and the identities of the people around them. The conversations are frequently interrupted with requests from both players that the other delete a message. As a result, this leaked thread likely contains only a portion of the messages sent between these players from Fall 2015 to Fall 2017. Some are impressed with the pair's foresight (one Instagram comment says, “Insane that their paranoia actually paid off”), while others speculate the caution is fictitious, and the leak was a planned stunt by the players.

Between the coded language and deleted messages, it is hard to gather information from the thread, but internet speculators are still trying. In fact, the texts are frequently compared to a puzzle. “I don't even like hockey but catch me with a red string and a cork board over these texts,” writes one twitter user. The mysterious nature of the texts adds to their allure and makes them endlessly debatable. In many ways, these are the prime conditions for a viral sensation.

The surviving and decipherable contents of the texts primarily discuss Ilya Rozanov's sexual and romantic endeavors. One twitter user comments, "Here I thought they'd just talk about hockey but now I know too much about Roz's sex life to ever sleep again." The messages frequently discuss Rozanov's longterm relationship with one woman in particular, Jane. It seems Pike and Jane met the night they returned the phones and began a close personal relationship. Over the course of the two years, Jane became a frequent guest in Pike's house and befriended his wife, Jackie Pike, as well.

But fans are most shocked to see discussion of lovers with male pronouns, with codenames like Panic Attack and Angry Kitten obscuring their true identities. Pike and Rozanov volley between gender pronouns for Rozanov's lovers, and the aforementioned codenames could be one or more people of debatable gender. A popular fan theory suggests these codenames are a catchall for any of Rozanov's many lovers. Speculation about the identity of the man or men has ranged from other athletes and sports journalists to actors and musicians, as internet sleuths unearth photographs of Rozanov with various queer celebrities.

At some points in the texts, it appears even Rozanov and Pike's relationship is sexual in nature. Rozanov describes his excitement to see Pike with detailed sexual plans. The term rivals-with-benefits is used, perhaps a reference to the Boston-Montreal divisional rivalry. Many fans speculate the missing texts could be the two men exchanging sexual words with each other, as sexting seems to be a common topic for them. A viral Tumblr post, tagged "#Haydenov," has catalogued Pike's negative reactions to Rozanov's sexual encounters with other people and argues the texts are proof the pair have a romantic involvement. If true, this would be uncharacteristic for Hayden Pike, who fans previously lauded for being a "wife guy."

Adding to the confusion, Rozanov repeatedly refers to Jackie Pike's fourth child, Amber Pike, as his own. He implies he was there for the conception of the child and discusses the quality of his sperm roughly 9 months before the birth, sparking speculation about the child's paternity. Rozanov's deleted Instagram comment on the birth announcement reads: "mine". Jackie Pike is mentioned in the texts as having sexted Rozanov and/or his partners and in one text Hayden Pike promises to "delete any text about [Rozanov] having a threesome with" Jackie Pike. Earlier this fall, Mr. Pike texted his surprise to learning Rozanov has a texting relationship with Mrs. Pike, who kept that relationship private from her husband for two years. The confusing love triangle has many fans calling this unlikely grouping a "throuple." Jackie Pike responded to our request for comment:

"My children are all unfortunately fathered by my husband, who cannot seem to keep his [...] phone out of trouble. No further comment, we are asking for privacy for our family at this time."

Though no formal statement has confirmed any details, the internet has reacted generally positively to Rozanov's potential sexuality. One Twitter user states, "damn we saw how much [*expletive*] he was getting, but he was also secretly bagging dudes this whole time? #legendstatus #YaBoiPutsUpNumbers." Another Twitter user responds to the number of singular they/them pronouns in the threads, "Rozy really said I'll take her, him, and them. #hattrick #BisexualKing". One negative tweet garnered attention: "I didn't start watching

hockey to watch gays #BanHunter #BanRozanov" but the overwhelming majority of replies to that tweet are in support of both players (more on Scott Hunter [below](#)).

Rozanov is a Russian citizen and promoting homosexuality is illegal in his home country. Many other athletes and famous figures in similar situations have received amnesty protections. At the time of publication, no such official request has been made on behalf of Rozanov.

The elephant in the messages is the sole link between real-life Pike and Rozanov: They are the best friend and the sworn enemy of Montreal's Shane Hollander. Many twitter users have noticed the texts strangely seldom mention the Metros star. There are light-hearted jokes and pranks at Hollander's (and Jackie Pike's and Jane's) expense in the first conversation. Just after the phones were returned, Pike said "Shane would still be the best Metro" if Rozanov was on the team. Then, the pair made almost no mention of Pike's teammate and Rozanov's rival for nearly two years. The exception is Rozanov referring once to the "2nd best hockey player," which fans infer to be Hollander (note: Hollander outscored Rozanov in the 2015-2016 season when that text was sent).

One of the most recent exchanges mocks Hollander's golden-boy image. Rozanov chirps about a dinner party, "Lord, there are so many rules; I feel like I am sexting with Shane Hollander." Twitter users latched onto this immediately, tweeting parody polite and chaste sexual messages with the hashtag #SextingWithShane, which has 56.7k tweets and is trending in 12 countries at time of publication. Some of the less explicit examples include:

"Yes, I would very much like to touch you, please, thank you. #SextingWithShane"

"Now I am taking off my helmet. Now I am taking off my skates. That was great. Thank you for a great night. #SextingWithShane"

"Ooh yes baby charge my lithium robot battery #SextingWithShane"

"#SextingWithShane what am I wearing? Rolex, Reeboks, CCM, Hanes briefs..."

"Send me PICS (Pucks, Ice, Celibacy, Skates) #SextingWithShane"

Shane Hollander's ex-girlfriend and close friend Rose Landry even joined the fun, retweeting some tame examples that reference her.

Some other hockey names appear in less humorous capacities. Most notable among them is Scott Hunter, who the pair speculated might be gay months before his iconic coming out at the cup finals in 2017. Hunter released the following statement:

"I have not read the texts. A violation of privacy like this should not be tolerated. This kind of incident breeds the fear that troubled me for years before coming out. Any amount of fame comes with the constant anxieties of having your laundry aired for the world to see, against your will. We all have a right to share exactly how much we would like the public to see. I hope the person responsible is brought to justice.

Though we are not close acquaintances, I know Mr. Pike is a good man and father. He

was supportive of me after I came out. He reached out to me to apologize, and of course I accepted that apology and forgave him. I ask my more enthusiastic fans to do the same and leave the man alone.

I know Mr. Rozanov personally. He is cruel with his words, he plays violent hockey, he is overall terrible as a person and a plague on society. It pains me to say this, but he is not a bigot. At the risk of jeopardizing his badboy image, I can tell you he approached me with some very kind words about my identity last summer, though they were encased in insults about my age, appearance, hockey performance, and relationship.

I am told there's talk of me overhearing some sexual encounter. You would have to be more specific. Rooming in hotels full of hockey players on the road has never been a PG-rated experience."

Carter Vaughn, whose sexuality is also discussed in the thread, also released a statement:

"I respect and love my LGBT teammates and coworkers across a league where it is still unfortunately brave to be out. That said, I myself am heterosexual... I have not interacted much with Rozanov or Pike. The idea that there are still players who believe it is acceptable to engage in these witchhunt-style conversations tells you plenty about how far the league still has to go."

There have been no official statements released from Rozanov or Pike. Rozanov has been uncharacteristically subdued on social media, only reacting to a handful of #SextingWithShane tweets. Jackie Pike, Scott Hunter, and numerous other players and public figures have warned fans about the harms of speculating, urging them to stop.

Things we know about Jane from the leaked texts:

1. she lives in Montreal but travels to Boston often.
2. she knows and hates Scott Hunter but Hunter said "no comment" when asked about her
3. she thinks Shane Hollander is better at hockey than Rozanov (if she's from Montreal she's a metros fan so I fuck w her)
4. she is close friends with Pike but knew Roz first (maybe met when they switched phones back?? why would she be there??)
5. has a sexual/romantic relationship with Roz (I think Roz and Jane are otp)
6. Jane and Panic Attack (the male partner) know each other
7. Jane broke up with a gay boyfriend, who Roz and Pike also might know, in late 2016
8. she was at all-star weekend in 2017 (but then Roz fucked a "he" that same weekend, potentially Jane's gay ex-boyfriend?? how many people could they know who are coming out of the closet within two months of each other??)

Shane's Concussion **@MetrosBoy2**

being on twitter today during #PikieLeaks is wild bc so much was deleted that all this speculation is complete garbage.

they deleted so much that at one point Roz was blackout drunk and forgot he had even sent things. Man erased a full night.

Ok so all these Roz thirst girlies have been claiming he's off the market bc we haven't seen him papped with anyone in a while, and then one of the recent texts says Pike has his boyfriend's text in a locked folder and then Roz asks Pike to ask the boyfriend for pictures of his asshole.

You're totally misreading it. The takeaway from that conversation is that Pike has seen Roz's nudies and wants to see more. Then he's pissed bc Roz wants to see some other guy's asshole. Roz is stringing Pike's feelings along like a puppy. It's sick.

Chapter 2: The Statements

Chapter Notes

Thank you for all the comments!! I am laughing so hard at all of them. A few people have mentioned trying to make the doc that would have been released that omits all of the deleted texts. If you're doing that:

- a) they deleted things they were told to delete
- b) they deleted things without being told if there were identifying features
- c) I think Hayden's phone was the one hacked, so identifying things about him (like his kids) weren't deleted, but identifying things about Ilya were.
- d) they got sloppy about deletion sometimes

EDIT: Meme Queen @royalrampionengineer is a real person and the meme maker for anything they "post" in this chapter!!! The OP can be found [here](#)!! I was going to wait until chapter 3 but I went back and added some here because they were PERFECT.

Katie @HollaAtMeHollander

@terminallyonlinehockey

20 minutes ago

A quick analysis of "someone" and "no one", because whoever is at Fun Hockey Today seems to think they're actually code.

"Someone" notes:

1. someone is Jane at first with she/her
2. someone later looks like Panic Attack they/them
3. then someone is the tabloid person who either is and/or dates a he/him.
4. someone is pissed Haydenov went out and is she/her and then is also maybe Angry Kitten (who, remember, has all three pronouns)
5. someone or their parents own the cottage and invited Roz on the sex trip (but Jane is also on the sex trip, another tally for someone=Jane)
6. someone went with Roz to Pike's house for dinner.

Personally, I think it's Jane. If Someone is a code word at all. BUT if it is, I think that means Jane might be the same person as Panic Attack. The only weird thing about this is the pronouns. "Someone else" could be a separate code from "someone". They're another famous he/him person?

Ok I tried but I just don't think Someone is a code here at all.

"No one" is not really a thing... do we know who runs the Fun Hockey Today site??

The speculation about these leaked messages has gotten to a point where I feel I need to give you some facts from my perspective.

Ilya Rozanov and I did actually meet after confusing our phones in the Fall of 2015. Yes, we were both very stupid idiots. We had that in common, so we stayed friends. It is a development I could not have seen coming but would not change. Rozanov has been a good friend, an uncle to my children, and he makes me laugh every day, as you all saw without our consent. He's a part of our family.

That said, there is no truth to the speculation that Jackie or I had extramarital affairs of any kind with Rozanov or anyone else. As Jackie has said, I unfortunately (for her) fathered all of our children. She is a saint for putting up with my nonsense, and for two years now, Rozanov's nonsense too. Please stop asking for her "nudies." I can't tell you how gross and weird (and sexist) that is.

I apologize to Scott Hunter and Carter Vaughn for any distress this has caused them.

The hacker has been found and will be brought to justice, but their damage is done. Everyone

now knows I get way too invested in my friends' lives and that I commit to a bit. No regrets.

The continuing damage can be stopped, though. The speculation and analysis of our private words affects me, Jackie, Rozanov, and our friends negatively. Please remember we are actual people.

Since we are into #LeakingTexts today I gave you one more for the road. We really are sorry, Jackie.

Grandpa Hunter: god you are the fucking worst.

Grandpa Hunter: I can't believe i might have to share the gay hockey mantle with you

Grandpa Hunter: why couldn't it be anyone else

Pike said we are #leakingtexts for ourselves now. So this is the one I want the internet to see. It's ok that I post this, his house does not have internet.

My dear friends Hayden Pike, Jackie Pike, Amber Pike, Jane, Panic Attack, Angry Kitten, Jane's mother, Panic Attack's agent, everyone in the comments, and about 96 PR people have all asked me to make a statement. It is this:

Please speculate wildly about me. Please wonder whether I have conquered people from my own gender and others, and share theories (or suggestions) about what weird sex stuff I might be into. Please do not speculate about anyone else. I will get jealous.

I apologize to any of my sex partners who found themselves mentioned in the texts. Most of you are very lovely people from what I hear. The texts are also probably not about you.

I offer my apologies to Shane Hollander for saying he probably sexts with a lot of rules. He looks like he does, though. And the hashtag is fun. But please stop sexting him directly. I hear he is angry about it. Don't want that.

I am sorry Carter Vaughn is in this, because I try to only talk about good hockey players (Pike is exception), and I never thought he was gay anyway. You shouldn't publicly speculate on other people's sexualities, but it is ok to do it in private. It is not ok to take people's private conversations and speculations and make them public.

I am most sorry to my beloved Jackie Pike. She does not deserve what is happening to her today. I will say sincerely that any allegations of extramarital affairs are completely untrue. She one time accidentally sexted someone who had sexted my phone. Big misunderstanding, very funny story, lots of people were very angry with me. But since then she has just been Mama Pike for me and htc. I love her very much please be nice to her.

I'm not sorry to Hayden Pike bc he is also an idiot like me (he is bigger idiot though trust me!!) but he did say we were friends and that was cool. We are friends, he is funny, he helps me. He fathers my children. But again, we do not have sex. Can not be more clear about that.

None of this matters anyway now. I will take this time to announce I am a committed man. Please respect the privacy of my lucky person or persons.

That is all. Speculate about me and only me using #RozSexTheories.

Ok so I'm pretty sure I'm onto something...

Rozanov had a weird beef with the name Rose when talking about Hayden's new baby, and that clicked when I saw Rose Landry liked a #SextingWithShane tweet... so I looked into it.

The weekend they talk about the tabloid was the same weekend we got the first pictures of ROSE LANDRY AND SHANE HOLLANDER!!!

So many things!!!

1. If Rose Landry is Jane then Pike— Hayden Pike, Shane Hollander's BEST FRIEND— "thought he was gay" ????
2. Rose Landry went out with Shane Hollander to get back at Rozanov??
3. Rose Landry broke up with Shane because he was gay!?!

Did these texts just accidentally catch Shane Hollander's sexuality in the crossfire??

BUT it would make sense now that Shane would let them borrow the cottage bc he and Rose are still good friends.

It ALSO makes sense how Shane and Rose met through a "mutual friend" I think we can now guess that Hayden Pike was the friend, and he knew Rose through Rozanov. Kind of fucked up for Pike to do, but if he thought Shane was gay, then he probably introduced them to be friends.

Rose would be scared about her optics bc she's traditionally been seen as a girl-next-door type and dating Rozanov would not be good for that. Shane Hollander is much more like her public image.

BUT ALSO cannot stress this enough, Rozanov was definitely still having sex with a lot of other people, male and female (including Pike, imo). I don't think Rozanov and "Jane" were ever exclusive.

@MetrosStanTumblr reblogged **@terminallyonlinehockey**

it's weird that the tabloid dates match up but a) you have nothing that says Jane is Rose Landry like no indication they know each other at all and b) Hayden Pike would know whether Shane Hollander is gay or not. Like, clearly. Not just "I thought".

@Bostonpoetry reblogged **@terminallyonlinehockey**

No I actually kind of buy this a little bit. It would explain why Rozanov thinks Shane Hollander sexts with rules, maybe that's something Rose made fun of him for. She's been retweeting some #SextingWithShane so obviously she thinks it's funny.

And if I am #LeakingTexts I might as well leak some from Panic Attack himself.

While we're at it, Jane gives you permission to speculate away as long as I am included.

Angry Kitten is not super happy about this code name, but is actually only angry with the people who took away our chance to do this our way.

Two announcements:

I am gay. Thank you to my parents and close friends for keeping this for me for as many years, months, or weeks as you've known.

I am in a serious, monogamous, very not-casual relationship with Ilya Rozanov. It would have been nice to do this on our own terms, but the internet was about 2 hours away from doing it for us. We don't know what this means for our careers or Ilya's life in Russia. I wish we were given more time to find answers to those questions.

The texts are about me. Yes, all of them. I am lucky to have two people who care about me so much they could build a friendship off it, even if they're both so dumb that it should be illegal. I'm sorry to anyone else who got caught in the speculation crossfire.

Please stop sending me sexts. Only one person is allowed to do that. And yes, there are rules, and yes, he follows them.

Ilya, I love you. Please try to be normal about this.

Rose: he's really hot!!!!!!?

Shane  : not a question

Shane  : but yes he really is

A message to my fans: Shane Hollander (and everyone associated with him) has always been incredible to me. Shane and I met at very weird times in our lives, our relationship was real, it was a lot of fun, and I got a great friend out of it. Leave him and his people alone. Keep sending me funny #SextingWithShane though, some of these are gold. For the record, I think he has only ever sexted with one person. It wasn't me.

Since we're #leakingtexts, here is live footage of me finding out Shane thinks his boyfriend is hot.

I am so proud of you Shane, and you know I hate to say I told you so 😊

Gays and their cuck group chat

Hayden: you see Rose posted?

Hayden: lol Shane thinks you're hot

Lily: this is a fact

Lily: rose does not need to be messaging you this

Hayden: wait are you still jealous of rose?

Shane: ...you know I literally just came out for you right?

Lily: still

Lily changed the name of the group chat

Gay man and two bisexuals group chat

Hayden: wait what?

Scott Hunter: Hey! I'm really proud of you! I think you're going to be a lot happier. And selfishly, I'm glad it's not just me out here!

Shane: Thanks, Scott. You were a big part of it, I know Ilya told you that. Maybe you didn't know it was me at the time, or maybe you did, but you convinced him to take a chance on this. So thank you for that.

Scott Hunter: I had an inkling

Scott Hunter: Glad I could help.

Scott Hunter: But ...

Shane: ok I know

Shane: it's a long story

Shane: he's just the one

Shane: I don't think we get to choose it

Scott Hunter: yeah, I think you get veto power over it though right?

Scott Hunter: also your boyfriend wasn't helpful

Scott Hunter: (surprising no one)

Scott Hunter: when did I hear you having sex???

Shane: omg I'm going to kill him

Scott Hunter: I said he WASNT helpful

Scott Hunter: wait, no

Scott Hunter: not complaining

Scott Hunter: please kill him

One gay, one bisexual, one fairly straight man group chat

Shane: ok now I think people are texting me for the sole purpose of getting a screenshot for the #leakingtexts

Hayden: lol same

Hayden: just heard from three guys I like barely talk to

Shane: people are dumb

Lily: not as dumb as Hayden

Shane: no not that dumb

Lily: who is texting you

Shane: 🏳️‍🌈🦖

Lily: is he asking you for blowjobs too now?

Lily: please do not blow Scott Hunter

Lily: I can fight him

Shane: I... wasn't planning on it?

Shane: you're the one who thinks he's hot

Hayden: WHAT!?

@ScottHunter ✓

[image stack: Shane Hollander next to Scott Hunter on a bench at All-Star Weekend 2011 // Shane and Scott being held back by referees while they yell at each other // screenshot of text messages]

Scott: Glad I could help.

Scott: But ...

Shane Hollander: ok I know

Shane Hollander: it's a long story

Shane Hollander: he's just the one

Shane Hollander: I don't think we get to choose it

Ok, this one I actually am proud to share the mantle with. I love you, Rookie. 🏳️‍🌈

But please rethink your choices. Kip and I can set you up with someone nice.

(10% kidding. If you're happy I'm happy. And on the topic of #LeakingTexts, it seems like he's pretty darn happy.)

@shanehollanderhockey ✓ Thank you Scott. You changed the game.

Revisiting this list now that we know Jane is Shane

a) we literally saw Hayden Pike find out his best friend is gay and fucking Ilya Rozanov. It had to have happened the night of the phones returning: Overnight he goes from "who is Jane" to "Jane is ok."

b) Hollander left Rozanov's house after Roz said it was "serious", had a panic attack, and then a week later was papped with Rose Landry

c) Rose Landry told Shane Hollander he was gay?? This I'm still confused about. did he not know that before her?

d) So Hollanov (can't believe I'm borrowing nicknames from shippers) started being exclusive last season post-Rose? In the texts in the spring Ilya is still saying "not a couple" which like... I'm kind of with Hayden on this whole thing now. If all of those code names are the same person, Rozanov was fucking OBSESSED with Shane Hollander and their sex affair.

e) Hayden Pike being the IRL #Hollanov shipper was not on my bingo card

#LeakingTexts I have too many. My phone is not a safe place for these three. All of these texts are from when they were "not serious" "just hooking up" "rivals-with-benefits" yes I'm serious. We lived through this and barely survived to tell the tale.

1. Rozy is "Not Hayden" in my phone from the phone swap and I never changed it. Shane was usually called "my third child" (hence ytc) and stayed that way even after I had Arthur. We joke Arthur is actually the fifth.
2. Let's just say Shane does not get less needy about this man over time. Again, they were "casual" at this time.
3. I promise my husband is not a bigot but I laughed so hard at that text I saved it to my other locked folder.

What did I do wrong that these are the men in my life?? Wouldn't change it ❤️

Shane Hollander waves to fans who held a pride flag at Montreal's game against San Diego tonight.

Hockey Breaking News Source @hockeybns

Ilya Rozanov is suspended for one game after striking a heckling fan. "Simple rule: If there is a bigot at my hockey game they get punched."

Hockey Breaking News Source @hockeybns

Post-game interview with Shane Hollander transcript here: [[link](#)]

"Mr. Hollander, what's your reaction to Ilya Rozanov hitting an audience member?"

"Wait what happened?"

"An audience member called him some offensive names and he hit him in the face."

"Oh, God. Ok. Ummm. Look— if you're going to hold me responsible for what Rozanov does, we might be here a while. The man has no shame, and I am 98% shame. If the fan called him something though... obviously he shouldn't have *hit* him but... sorry I hadn't heard about this, I was a little busy."

"How did it feel to see a pride flag in the audience?"

"That was cool. There are a lot of people saying some really nasty things, so it's nice to see some support."

“The texts and tweets are very sexual in nature. How does that affect your image?”

“I’m not sure. I was never really trying to have a pristine image. What I was trying to do was keep a pretty big secret under wraps. My private life was private because it literally had to be. It was crazy whiplash to go from the hashtag where people were making fun of how clean cut I am, to having everyone on the internet know everything about my sex life. In a matter of hours.”

“Will you continue to keep your private life private?”

“I am in a relationship with Ilya Rozanov. I don’t have a private life anymore. This is someone who has tweeted his bowel movements— that’s not a joke. I don’t pretend to think I’m safe. I don’t know if I would anyway. I’m excited to find out who I am without this thing looming over me. Last night was fun just being open with the fans. I’ll never post as much as him, I don’t think it’s humanly possible. But I’m excited to share a little more of my life, or at least not be terrified if anything gets shared about me. I might try to hang up the Panic Attack nickname.”

Hollander has refused to answer questions about his status on the team or in the league.

Shane: you're such an idiot!

Shane: what if you had gotten suspended for Friday's game too?

Lily: then I would have sat on the bench and watched you play

Hayden: again, gotta ask why this is in the group chat

Hayden: take this to FaceTime

Hayden: I'll see you Friday

Montreal played Boston last night. No one watched the game.

Barry Werner

Hockey Opinion Columnist

Sportstime Magazine

In their first meeting since a whirlwind scandal outed both Ilya Rozanov and Shane Hollander, exposed their relationship with each other, and implicated Hayden Pike on the way, Boston beat Montreal 4-3.

The game had the highest viewership of the season, with fans and non-fans no doubt tuning in to see any interaction between Rozanov and Hollander (and Pike, if we're honest). Those viewers may have been disappointed. All three men acted and played like it was a normal game. Face offs between Rozanov and Hollander were especially anticipated, but fell short of the dramatic expectations. That is to say, they were exactly as intense as we have seen from the pairing for years. The matchup between the teams is always an exciting one, and actual hockey fans could not have been disappointed by the display of talent on the ice. Hollander and Rozanov both put up two goals each.

After the game, Dilly Dickinson of Hockey Today asked Hollander if today was different. He said, "I don't know why it would be. Our relationship has always been there. Rozanov and I aren't in love when we're on the same ice. He's a great player, the second best in the league, and it's always fun to watch him and play against him. But this is our job. I'm not sure— did people think we were going to kiss? We're not Scott Hunter. Maybe in 50 years we will be." Hollander laughed at his own joke. The answer began as Shane Hollander as it could get but by the end? It's clear Rozanov has rubbed off on him.

Rozanov was asked whether the game was different and responded, "If you thought I would play different because now people know about us, you do not know me. Or Hollander. I play my best against Hollander, I always have. I always have wanted to impress him. I am excited to see if it worked tonight." Rozanov grinned goofily.

"Was there ever any rivalry?"

"No. Because I am not rivaled. Hollander is a low second-place. I will probably not have a true rival in my career."

"He has beaten you in the scoring race two years in a row, including when he was injured and out for playoffs."

"Next question."

"How is this affecting your relationship with Russia?"

"Am not in a relationship with Russia, just with Shane Hollander. Russia doesn't love me so I say [...] I'll move here. Someone will give me green card marriage maybe."

"Is marriage on the table for you then?"

"This man has plans for his clothes, his food, his whole life is planned... I trust any plan he has for this."

Back in the Montreal locker room, Pike was asked about the hacker. "Is anyone planning to ask about hockey? I scored a goal tonight!"

The three were seen exiting the arena together, Rozanov and Hollander holding hands.

A Montreal fan speculated after the game, "This is going to be a media [...]show. As a fan of the actual game, I am not looking forward to this."
