Control Your Dog

by [winter1477](#)

Summary

Five times Ilya Rozanov acts unhinged over his husband online, and the one time Shane acts unhinged back.

Notes

Hi! I have become obsessed with social media au's and really would wanna make one on twitter but I have no following over there, plus I like writing a lot too so I'm gonna try it out here first and see if anyone likes it! I'll link my twitter in the note at the end if anyone wants to follow, maybe I'll start posting fic stuff and smau's there too! Anyway, this is just a silly little texting fic, hope you enjoy :)

See the end of the work for [more notes](#)

It all started with a tweet. A very sweet, thoughtful tweet.

Or it was supposed to be.

The Cool Cens + Harris

Harris: I'm gonna kill him.

Harris: Straight up murder.

Harris: I don't how yet, or with what, but it's happening.

Luca: Who?

Wyatt: Take a wild guess.

Luca: Ilya? What did he do?

Bood: I'm assuming for his response to that anniversary post Harris made on our official page.

Troy: Which was a very sweet dedication to the two of them.

Troy: Or supposed to be.

Wyatt: Kiss ass

Harris: It was!! And people thought it was nice and it was very good attention for the team.

Harris: Until Ilya had to make it dirty

Ilya: Me???

Ilya: Making something dirty?

Ilya: Sounds very out of character, you must have me mistaken

Troy: Be glad you are not in the same room as Harris right now, his glare is deadly.

Harris: Now there are more fans talking about your comment than about the post, or the Centaurs.

Harris: It was supposed to be sweet Ilya!

Shane: What was supposed to be sweet?

Luca: Oh good! Shane is here! He can fix it!

Shane: Fix what?

Troy: Your husband's personality.

Ilya: I used to like you Barrett

Shane: What did Ilya do?

Bood: Go check the official cens page.

Five minutes later.

Shane: That post was very sweet, Harris. Thank you.

Harris: You are very welcome, SHANE.

Ilya: Oh what, so now i do not even deserve congratulations on my anniversary?

Ilya: I married the best man alive i deserve some congrats on that

Ilya: I do not even understand what was wrong with my response? My husband is very beautiful, we all know this

Ilya: And our honeymoon was a very hot night. And hot morning. You all wish you could
have seen it

Wyatt: Do go on.

Bood: Please shut the fuck up.

Harris: I'm so sad :(

Ilya: Do not pout through the phone Harris, you will make me feel bad

Troy: You should feel bad! I wish you could see his pout in real life.

Ilya: I did nothing wrong! I will not apologize for loving my husband

Ilya: Or for making sweet love to him all the time

Bood: You get so close every time.

Shane: Guys, I understand it wasn't the best way he could have responded, but Ilya meant no harm. Truly.

Luca: Oh no he's gotten to Shane.

Wyatt: Probably bribed him with sex.

Luca: That wouldn't work on Shane, he's not Ilya.

Luca: ...

Luca: Right Shane?

Shane: No comment.

The next incident was only a few weeks later.

The Cool Cens + Harris

Harris: ILYA.

Luca: Oh god what now?

Harris: It is like he lives to make my life harder.

Ilya: Not true

Ilya: I live to worship Shane.

Wyatt: Aw

Troy: Aw????

Bood: That is cute, you have to admit.

Troy: I don't have to admit anything.

Wyatt: He didn't even do anything that horrible this time.

Troy: Hazy you've taken too many pucks to the head.

Wyatt: What? If someone asked if I could fight in regards to Lisa I would say hell yes.

Wyatt: Back off.

Ilya: I knew I liked you for a reason Hayes.

Bood: I also have to agree, for once.

Bood: Back the fuck off.

Ilya: I am loving this

Ilya: No practice today!

Shane: We are still having practice today.

Ilya: BOOOO boring. Who invited him?

Luca: You are married to him.

Ilya: Lucky me

Harris: Fine, I can admit this one was cute

Harris: But still, a problem for my job so Ilya i'm still angry.

Ilya: I'll send Troy home early today.

Harris: You're forgiven.

Private Chat

Shane: Would you really fight someone just because they want me?

Ilya: I would fight someone for even just looking at you, my love

Shane: Maybe I should have let you cancel practice.

Ilya: ;)

A month went by. Harris thought he was in the clear. He shouldn't have believed he would get so lucky.

Private Chat

Harris: AGAIN

Harris: AGAIN TROY.

Harris: I'm gonna kill him

Harris: Tell him that for me.

Troy: Who? Roz?

Harris: Who else?

Troy: You tell him. You have his number.

Harris: I'm too angry to tell him

Troy: It's hot when you're angry.

Harris: You can't even see me right now?

Troy: I'm picturing it.

Harris: Well picture me punching Rozanov in the face

Troy: That also weirdly turns me on.

Harris: You are no help.

Troy: What did he even do now?

Harris: Check twitter.

Troy: This time it isn't even that bad, Harris.

Harris: You are joking.

Harris: Do you know the kind of damage control i have to do right now.

Harris: I'm brainstorming ideas but I am constantly having to save face that I don't even know what to do anymore.

Harris: Never mind the fact that Rose Landry's fans are attacking him.

Troy: Why though?

Troy: I'm sorry but I can see Roz's side of this. I would hate it if you dated someone famous and then whenever you hung out with them as friends people had shit to say about it online.

Harris: The only famous people I know are asshole hockey players.

Troy: And you are dating one of them?

Harris: My point stands.

The Cool Cens + Harris

Wyatt: ...

Bood: ...

Luca: What?

Wyatt: No Harris yelling?

Luca: Why would Harris be yelling?

Bood: Do you not use twitter kid?

Luca: Not regularly.

Luca: People are always sending me very vulgar messages.

Wyatt: Aw our little hot shot.

Luca: No, not cute.

Luca: People are gross.

Luca: Like... worse than the stuff I've heard Roz say about Shane.

Bood: That's impossible.

Luca: It's not...

Wyatt: Anyway

Wyatt: I'm surprised he isn't yelling about how Ilya is ruining his life and job and making everything so hard and unbearable like usual.

Troy: Oh he is.

Troy: Just to me privately.

Troy: I am also now in trouble.

Bood: You? For what?

Harris: He thinks what Ilya tweeted was right.

Wyatt: ...

Harris: Wyatt.

Wyatt: What man? At least it wasn't sexual this time.

Shane: What did Ilya tweet?

Harris: *[screenshot]*

Shane: Oh.

Shane: People are talking about me hanging out with Rose?

Ilya: Yes. It is everywhere.

Ilya: I should have been given a memo.

Ilya: I did not realize you two had been rekindling your romance.

Ilya: Congrats Hollander.

Shane: Fuck off.

Shane: We were just hanging out. You know that.

Shane: They do this every time I'm spotted with her.

Bood: It is a little weird to be so close with your ex.

Shane: I'm gay!

Shane: Rose is my friend.

Shane: Besides, we were shopping for Ilya's birthday gift.

Ilya: ?

Ilya: My birthday is not until June, Shane.

Shane: Yes, I do know when my own husband's birthday is, thank you Ilya.

Ilya: So why are you shopping now? And with Rose?

Shane: Because you are very hard to buy for.

Ilya: I have told you, you do not need to get me anything.

Ilya: I have the best gift of all already.

Ilya: You.

Wyatt: Awwwwww

Bood: Wyatt is cheesing at his phone right now.

Luca: Roz is very cute when he's not being gross, I can admit.

Troy: Harris.

Harris: What, traitor?

Troy: Why don't you use that as damage control?

Harris: Use what?

Troy: Shane and Ilya's undying love for each other.

Harris: Huh

Harris: Wouldn't be the first time, i guess

Ilya: See! Problem solved

Shane: Yes, a problem you created.

Ilya: And fixed. I am efficient like that.

Exactly one day later.

Troy: Hollzy, please get your dog on a leash.

Ilya: ???

Ilya: Anya is at home.

Wyatt: He's talking about you dude.

Ilya: Me? I am not a dog

Bood: You're basically Shane's pet.

Ilya: The fuck?

Ilya: Who says this

Wyatt: Me.

Bood: Wyatt.

Troy: Everyone.

Luca: Everyone.

Ilya: This is slander. I am not a dog.

Troy: Dude you once commented "woof woof" under an official Centaurs post of Shane.

Ilya: My husband is beautiful, yes? I show my affection towards him.

Luca: By barking?

Ilya: It is affectionate greeting in Russia

Bood: Dude stop making shit up about Russia, we've been over this.

Shane: My phone has like a hundred messages. What did Ilya do now?

Ilya: Why do you always assume I must have done something?

Shane: You are always doing something bad when you aren't in my direct eyesight.

Wyatt: Just like a dog!

Wyatt: I feel vindicated.

Shane: Huh?

Harris: None of this has anything to do with what is going on currently.

Harris: Besides the dog part, that is oddly relevant.

Shane: Did Ilya tweet something about me again?

Harris: Yes

Shane: What?

Harris: In response to a post - that btw it feels important to note that it was a picture ILYA himself had posted, that a fan account re-uploaded - your husband stated "This man is so beautiful. Some hot and very talented man should marry him and make sweet love to him every night."

Bood: Love how he had to refer to himself as "hot and very talented" while complimenting Shane.

Ilya: Is all true.

Shane: Jesus, Ilya.

Ilya: What? So you are saying some hot and very talented man should not have married you and should not make sweet love to you every night?

Ilya: Fine. I will sleep on the couch with Anya then.

Shane: Woah I did not say that.

Harris: You know, sometimes Shane is far less helpful than I want him to be.

Wyatt: I secretly think he is just as bad as Ilya.

Troy: I also think this but not secretly.

Troy: He is just as bad.

Ilya: We are perfect for each other for a reason boys ;)

Luca: I just got the ick.

Ilya: Would have been cruel to pass up.

Ilya: I am not sorry.

Wyatt: Yeah, Harris buddy, I gotta say this one is on you.

Bood: Posting that anyway was like giving Roz a get-out-of-jail free card.

Harris: Whatever.

Harris: People like them together.

Troy: For whatever reason.

Ilya: Troy is just a hater because he does not have cute picture with his lover.

Troy: Why would I want a picture of me licking Harris's cheek?

Troy: Actually, why would I want to lick Harris's cheek?

Ilya: You do not lick Harris? I can see now why he is so grumpy all the time.

Troy: He is grumpy because of you! And I keep him very happy, thank you very much.

Harris: Why are we talking about this now???

Harris: This is about Ilya and his behavior online.

Ilya: Yes this is about me and Shane's very soft cheek.

Ilya: He has a very long skincare routine

Ilya: It pays off.

Ilya: He is very soft

Ilya: Everywhere

Bood: Yeah dude. We got that from your tweet.

Harris: Okay, and I am being serious. I have to put together a social media training day for us.

Wyatt: What?

Bood: Booo

Luca: Aw man.

Troy: Look what you did, Roz.

Ilya: He is my husband, I can say what I like about him.

Luca: How does Shane even feel about all of this?

Bood: Yeah, Shane seems very private.

Wyatt: And Ilya is... not.

Ilya: Shane does not mind it as much as you would think.

Ilya: Secretly I think he likes the attention.

Shane: I do not.

Ilya: Tell that to the blush on those beautiful soft cheeks right now.

Shane: I am not blushing!

Luca: Are you in the same room right now?

Shane: We are in bed. I was reading the texts off Ilya's phone.

Ilya: Yes... in bed ;))))

Troy: Harris can we make the social media training day into a what's appropriate to share in a team group chat day as well?

Harris: Sure! I might have to get HR involved for that, though.

Wyatt: Shut up Barrett, let them text in peace.

Bood: Hazy you are way too invested in the two of them.

Wyatt: So is Lisa. She's reading these texts with me right now.

Harris: It is a problem, though.

Harris: And I would like to extend an apology to Shane. Ilya should not share so much of your lives on the internet, especially in stupid little joke tweets.

Shane: I appreciate that, Harris.

Shane: But also, and respectfully, I am a grown man who is married to him. If I really minded, Ilya wouldn't do it.

Luca: ...

Bood: ...

Troy: ...

Wyatt: Woah.
