Freakum Dresses and Other Things My Girls Talk About

by [Meishali](#)

Summary

Ilya: Should still get sexy dress and nice jewelry, wear to clubs be gorgeous

Priya: like a revenge dress

Ilya: Yes that

Ilya: Some men very stupid, must see with their own eyes what they lost, and then they regret but is too late

Ilya: But don't need to feel bad for them because they do it again, with someone else

Ilya: She must learn there many better men if she wants to look

Ilya: I have best man (but he is taken 🥰)

A collection of WAGs chats about a wardrobe emergency, team loyalty, and personal hygiene.

Ilya is one of the girls and that's the canon I'm going with. Takes place after Shane joins the Centaurs.

Notes

Nothing here is real or serious. This was written for my own amusement.

Not beta'd; we die like my team's playoff dreams. Also, not everything in life is a Beyonce song, just most of the time. Thanks to the hockey bros for sharing endless beer league shenanigans, which I borrow without shame.

Thanks to everyone who clicked, read, left kudos, and commented on any of my stories. I read every one of them and they make me feel connected to y'all. Some of you asked for more Summer, so here she is.

Ottawa WAGs + Harris + Shane

Lisa: Quick, I need stat consult

Lisa: For a killer dress ASAP

Cassie: Hi Liz, you need a consultant to help with...math? And wardrobe?

Lisa: LOL

Lisa: Sorry, my bad. I meant I need urgent suggestions for a sexy, minxy dress

Lisa: Something that will really drive men crazy, and women too, does not need to limit to just the male sex, both is ideal LOL

Priya: are you going out to pull without us?

Priya: remember the sacred vow of the sisterhood liz!

Lisa: My party days are over, unless you count staying up all night and doing lumbar punctures on newborn babies

Lisa: It's way less fun than...pretty much everything

Lisa: You don't want to google that Priya

Selena: 🙄

Selena: Can vouch it's terrible as a parent

Lisa: Sorry babe 🙄

Lisa: Dress is not for me. It's for my friend Jess, Lars Larsson's girlfriend. Wyatt played with him in Toronto before he was traded to Minnesota.

Lisa: We were really close and stayed in touch

Lisa: She just texted me to say Lars's been openly flirting other women when they went out the last few times, always after he's had a few too many to drink

Lisa: She wants to wear something super sexy next time they go out and drive Lars crazy

Lisa: I don't know if that's the best idea...but she asked

Priya: this i can help with

Priya: i also have a bulgari SA in vegas, can ship express to minnesota

Priya: pair with enrico cuini heels ideally for max lethality on the dance floor but those will take too long, so maybe jimmy choos or loub's will do for now

Priya: she has a credit card that he pays for right

Priya shared a contact.

Cassie: Haven't they been together a long time?

Lisa: Yes... going on 8 years now

Lisa: Not married, not engaged... I know, we've talked about it

Lisa: She's moved for him a couple of times already

Lisa: I don't want to push too hard and just be a supportive friend

Lisa: She hasn't fully integrated with the Minnesota WAGs, yet... for 2 years...

Cassie: This sexy dress plan is probably not the best idea

Lisa: ...I know

Lisa: The first thing I told her was to get herself checked out for STIs, who know what he's doing on the road

Lisa: He's cheated on her before

Lisa: But she's not been ready to end things, I think partially because they've been together for so long, and he can be very sweet to her

Lisa: Apparently it's been a tough year for Lars, injuries, not clicking with the team, he's getting a lot of pressure and drinking more

Lisa: Ugh!!!

Priya: you lost me at previous cheating

Priya: wtf girl

Priya: leave

Ilya: Lars is loser

Ilya: Plays bad hockey and wants validation from strangers to make him feel better

Ilya: See I learn big words because so many shitty men

Ilya: Is baby and not men

Ilya: Is big asshole

Ilya: She should, how you say, dump ass

Shane: *Dump his ass

Ilya: Thank you husband ♥

Ilya: Should still get sexy dress and nice jewelry, wear to clubs be gorgeous

Priya: like a revenge dress

Ilya: Yes that

Ilya: Some men very stupid, must see with their own eyes what they lost, and then they regret but is too late

Ilya: But don't need to feel bad for them because they do it again, with someone else

Ilya: She must learn there many better men if she wants to look

Ilya: I have best man (but he is taken 😊)

Lisa: I'm not gonna defend him because he's always been a bit of an asshole to her friends

Ilya: Don't worry, I check him hard next time we play Minnesota

Ilya: Maybe too many pucks to head, maybe he get bell rung again will actually help

Shane: Ilya...

Ilya: Shane...

Ilya: Is okay, I tell Nail and Chewy, they happy to do it

Shane: That's not the point and you know it!

Lisa: NO ONE is getting a concussion please

Lisa: Though thanks Ilya, I appreciate the sentiment

Lisa: I'm gonna call her and talk it out, maybe this time she's ready to call quits

Lisa: At least he's not violent or abusive... as far as I know, but we need to have a plan first

Lisa: Thanks for the Bulgari contact Priya, maybe she and I can do a girls trip first

Ilya: Will you wear sexy dress for me Shane?

Ilya: If I pretend to flirt with beautiful women?

Shane: 🙌

Ottawa WAGs + Harris + Shane

Kiara: 😭 How do you keep on cheering when your team gets knocked out of the playoffs?

CaitieD: I'm confused.

CaitieD: We are not out of the playoffs...

CaitieD: Why would you say that! Take that back!

Priya: blasphemy

Harris: Kiara is from SF

Harris: We can be supportive of other teams...until we crush them at the finals

Harris: I'm sorry babe 🧡

Priya: #sorrynotsorry

CaitieD: ...well, it wouldn't have been bad if the Rays won the conference final

CaitieD: That would make the finals go so much faster

CaitieD: 4 and done. We all start the summer sooner

Cassie: Caitlin!

CaitieD: I'm 100 in the zone, all teams are the enemy

CaitieD: Also fuck Montreal!

Selena: Ah, well, my cousins still talk losing our team and proudest tradition 20+ years later

Cassie: I mean they went to Colorado

Selena: 😐 No

Selena: Fuck Montréal!

Harris: 😂 Okay but let's not say these things to the press.

CaitieD: 😐

CaitieD: #sorrynotsorry

Kiara: It's so hard being a hockey fan sometimes 😭😭😭

Summer: Hi, well... Often I don't feel I have much to contribute, being such a new hockey fan. But this, hard to be a fan in general? This - I have years of experience.

Cassie: Hi Summer!

Harris: Hi Summer 😊

Kiara: 🙌

CaitieD: Thought you weren't going to be done until later?

Summer: Still at work...but taking a mental health break. My brain is goo, staring at spreadsheets all day long.

Cassie: Can't wait for you to move here! We will take care of you!

Summer: Thank you! I can't wait either. Only 4 more months to go.

Summer: Anyway, what I wanted to say was, I grew up a Ferrari f1 fan.

CaitieD: Like the car?

Summer: Watching all the races with my family, some of them in the middle of the night, dreaming of that beautiful red car crossing the checkered flag...But I was just a kid the year they won their last championship. AND I CAN'T CLEARLY REMEMBER WATCHING IT!

Summer: I love them so much!!! But like, the team is genuinely shit sometimes. Engine failure, disqualification for stupid reasons, and absolutely the worst strategy.

Summer: I really try to concentrate on next year will be our year! Drivers championship. The beginning of constructors win 7 years in a row. Double podiums every weekend. 💪

Summer: Manifest!

Summer: The season is young, anything can happen! And there's always the year after!

Summer: So, um, this is how you can stay strong and continue to support your team even when they lose.

Summer: Sorry 🙏

Kiara: Thank you... I think?

Kiara: Maybe I can just channel Guardian fans.

Kiara: Nvm, can't make myself do it.

Ilya: Ferrari, yes, I have one, very nice car.

Ilya: My most beautiful lady Ksenia, she is a 488 Spider

Summer: Wait

Summer: Oh my god you have a 488 Spider!!! !@##%^&a

Ilya: Only one Shane let's me keep.

Ilya: I also had Anastasia, Yelena, Tatyana, Natalya, and many others, but Shane Hollander is a jealous man

Ilya: Ksyusha is too beautiful to let another man touch her, so I must keep.

Shane: 😏

Ilya: I make exception for other ladies, can touch

Ilya: Summer, when you move here, you come see my Ksenia

Summer: Will you let me see the inside too?

Ilya: But of course. We take her out for ride even. I drive.

Summer: Oh, that would be wonderful, amazing, wonderfully amazing!

Summer: 🙄😏 Although I actually meant the engine...can I see the engine, if that's ok?

Ilya: Ah, very, how you say, forward of you. Ksenia is not shy. You can look.

Ilya: 😏

Ottawa WAGs + Harris + Shane

Cassie: So Zane came home all confused today. He asked me if I thought he needed better hygiene and what products should he be using?!?!

Cassie: 🤔

Cassie: Like who are you and what have you done to my husband!

Cassie: I wanted to call my MIL and his billet mom from junior's and gloat!

Cassie: Alas I am a good person and never had to deal with his stinky equipment.

Selena: Same!

Selena: Nicky came home and started looking through my shower products.

Priya: dont let him touch your olapex

Selena: Of course not!

Lisa: Wyatt hasn't said anything.

Lisa: But I'm also no help. I mostly try not to bring home bedbugs from work.

Cassie: 🤔

Selena: 🤔

Ilya: This I know!

Ilya: We have new rookie, comes in the shower after practice with big box, lots of bottles, I don't know what they are because they are all in French! Also a sponge, but very big

Shane: It's a loofah.

Shane: Ilya, were you snooping in TK's shower caddy? That's not cool.

Ilya: What, I'm just trying to get to know our rookie

Ilya: Maybe I up my game

Shane: I know you use...stuff for your hair.

Ilya: Yes, Mr. 2-in-1 from brand deal

Ilya: You think these curls come natural?

Shane: My hair doesn't need anything else.

Shane: I do put lotion and cream on my skin though, especially in the winter.

Selena: Wow.

Priya: shane do you know what serum is

Shane: ...

Ilya: Trust me, Shane is high maintenance in other ways

Shane: Fuck off.

Ilya: Maybe you learn a thing or two from new rookie

Ilya: He tells team is important to "invest in yourself"

Ilya: Modern women are sophisticated and don't want to date dumb men who don't dress well, smell nice, have perfect hair and skin, listen to Taylor Swift, know wine, sensitive and want to talk about feelings

Ilya: Women put effort, he says men are to do the same

Lisa: WTAF

Lisa: 🤔

Cassie: 🤔

Cassie: but admirable and sweet

Lisa: He must be from an alternate universe

Lisa: Have literally never met a man like that

Lisa: Sorry, that's not entirely correct, I have never met a *straight* man like that

Lisa: Actually, I have never met a hockey player like that, straight or gay

Cassie: 🤔

Cassie: I've telling Boody to put products in his hair if he ever wants to grow it out,

Cassie: But he mostly just gives up and shaves it short...

Shane: It just seems to much more work when we shower 2-3 times a day sometimes

Lisa: The players on the women's team manage somehow

Harris: Hey, we shouldn't be speculating someone's sexuality.

Harris: But, yah, that's um, bold. High school teenage me would have liked to see that in the locker room...

Ilya: I don't as you say, speculate sexuality

Ilya: Every man who has met me is at least a bit bisexual. Pansexual?

Ilya: Except for Shane. Shane is very gay.

Shane: 😏

Cassie: Maybe he's, you know, metrosexual

Cassie: But infused with bro energy

Ilya: What is this new metrosexual sexuality

Harris: Not a sexuality per se

Harris: It means a well groomed, sophisticated, metropolitan man

Lisa: Generally clean, doesn't smell, wears matching socks, clothes don't have obvious stains, and no food in his beard during the playoffs

Lisa: Look, our standards are not high

Ilya: English is confusing language

Ilya: I am better than metrosexual and also bisexual. Is best of the best.

Cassie: The existence of straight women proves that sexuality is not a choice.

Lisa, Harris, and Priya liked the message.

End Notes

A few years ago I said to a friend SJ is where hockey goes to die. I'm now eating my words.
