Leash 'Em Both

by [winter1477](#)

Summary

Five times Shane Hollander acts (surprisingly) unhinged online and the five times Ilya acts unhinged back.

Notes

After very high demand (which I loved, thank you so much for enjoying!!) I have made a part 2! This is technically a standalone but exists after the events of my last texting fic. Enjoy :)

See the end of the work for [more notes](#)

Ilya had finally calmed down with the responding to fans online or tweeting things that were... less than safe for work. Harris could go back to his regular job and everyone was happy. He had even told Troy this morning how excited he was to not have to deal with social media drama these past few weeks. Troy told him he should knock on wood after saying that. He didn't.

He definitely should have.

Mel :)

@shanesfreckles

...

@shanehollander I know you are happily married or whatever but just like one night with you please? I beg. I'll pay Ilya even.

The Cool Cens + Harris:

Bood: Woah.

Luca: Woah.

Troy: I am feeling similarly.

Bood: Where is Wyatt I am sure he has something to say over this.

Wyatt: Sorry I was texting Lisa a screenshot of that.

Wyatt: Hollzy is my new fav on the team sorry everyone else

Harris: What's going on?

Troy: Oh god.

Luca: You haven't seen?

Harris: No? Seen what?

Troy: Oh god.

Wyatt: LET ME TELL HIM LET ME TELL HIM

Bood: Hollander responded to a fan on twitter

Wyatt: BOOD YOU FUCKING SUCK

Wyatt: Taking away the only pleasure I get in life

Troy: Dude you're married.

Wyatt: Lisa also wanted me to tell Harris :(

Harris: Sorry, am I reading that right?

Harris: Shane responded to someone?

Luca: Yes.

Luca: It isn't too bad.

Wyatt: Eh

Bood: It's tame but, come on... it's Hollander so.

Troy: I thought we had agreed he was just as bad as Roz.

Wyatt: Nah no one is like Roz

Harris: Can someone send a screenshot, I can't check twitter right now.

Wyatt: *[screenshot]*

Harris: Oh.

Harris: Not bad. I can work with that if anyone has a problem with it.

Bood: Some fans are talking about it.

Luca: Not poorly though, I think they find it funny.

Wyatt: I find it hilarious

Ilya: What is going on?

Ilya: Why is Hazy laughing at his phone?

Bood: Scroll up dude

Ilya: WHAT IS THIS?

Ilya: SHANE

Ilya: SHANE

Ilya: SHANE

Ilya: SHANE

Shane: Ilya shut the fuck up please.

Luca: He was just texting?

Shane: Yes, spam texting while also shouting my name across our entire house.

Shane: I'm working out downstairs.

Shane: What's going on?

Ilya: What is going on is that you love me.

Ilya: A lot.

Ilya: Are beyond happy with me.

Shane: Okay? And?

Shane: Wait.

Shane: Oh.

Shane: You saw the tweet?

Ilya: Saw it? I am already contacting the stores to have it printed and hung over our bed.

Bood: Roz is so weird sometimes.

Wyatt: I love it.

Bood: Yeah because you are also weird as hell.

Shane: Harris am I in trouble for that?

Harris: No, of course not! I am a little surprised but I think people will take it as good fun, nothing bad.

Harris: I'll check more in depth later, of course, but you're totally fine.

Ilya: And totally in love with me.

Ilya: Also the nerve of that person, saying they would pay me.

Ilya: Not enough money in the world for me to share Shane.

Ilya: Shane come upstairs.

Shane: I have like a set left, Ilya.

Ilya: No but your tweet moved me very much

Ilya: ;)

Troy: Please text privately.

Luca: Or talk! You are in the same house!

Harris checked over the comments and tags people made about Shane's reply, and it was taken with mostly positivity, so he shrugged it off. It was Shane, how harmful could the guy get online? But, as a precaution anyway, he had been making sure to check twitter regularly now, looking at not only Ilya's, but Shane's page.

The Cool Cens + Harris:

Harris: Shane Hollander.

Bood: Uh oh.

Wyatt: Full name.

Troy: Shane? What could Shane have done?

Harris: Twitter. Look at twitter.

Three minutes later.

Troy: I don't get it?

Troy: Am I dumb?

Luca: I also do not understand.

Luca: He just said that commercial was a memorable day.

Luca: What does that mean?

Harris: I honestly have no idea what he is referring to, but Ilya's response to it leads me to believe it is nothing innocent.

Ilya: Oh it certainly was not.

Wyatt: Wait. That tweet said 2010.

Ilya: Yes.

Bood: 2010? Before your rookie seasons started, right?

Ilya: That is correct.

Luca: Yeah! I remember that commercial. It was so cool.

Wyatt: Aw I bet Haas watched it on repeat.

Bood: Yeah while running a hand over that Rozanov poster of his.

Luca: Shut up! I did not!

Troy: Wait back up, before their rookie season?

Harris: Yeah hold on, can we all get back to that?

Bood: I don't see anything weird about it.

Bood: They were being heavily advertised as rivals already.

Wyatt: Yeah I remember that. The media really played that up.

Harris: No, I know that.

Harris: But why would Shane make a comment about it being memorable.

Luca: Maybe it was one of the first time's they ever really spoke?

Troy: No, can't just be that.

Troy: His emojis implied something dirty.

Wyatt: Nah.

Wyatt: No way they were messing around back then.

Bood: Before rookie season? That would change everything, wouldn't it?

Harris: The two of them are crazy quiet right now.

Ilya: Huh?

Ilya: Oh sorry, I was helping Shane remember our very memorable commercial shoot ;)

Wyatt: WHAT

Bood: DUDE.

Harris: Are you telling us you two were hooking up back then????

Ilya: That was the first time.

Troy: WHAT.

Wyatt: OH MY GOD. I gotta tell Lisa right now.

Bood: Wow that's actually insane.

Luca: Wait, then what do the water emojis mean?

Ilya: Well, after our shoot we wenthushdacnkldiaj

Luca: Huh?

Harris: Ilya?

Ilya: Sorry hold on Shane is tryign totakeduehgns

Troy: ??

Ilya: Hi. This is Shane. Yes, that was the first time we did anything. No Ilya will not be explaining the emojis. And he will also not have his phone back for an undetermined amount of time. Goodbye.

Wyatt: LMAO

After that... discovery, Harris became more wary of social media. But luckily Shane seemed to still have Ilya's phone on lockdown for the time being, or Harris thought.

The Cool Cens + Harris

Harris: How did he get his phone back Shane?

Shane: What? He has his phone? How do you know?

Harris: He tweeted.

Shane: Oh god.

Bood: Yeah, and even I can agree this one was too far.

Troy: I did not need to know that.

Wyatt: Even I can say I did not need to know that information.

Shane: Wait, what did he say?

Harris: *[screenshot]*

Shane: Christ.

Shane: That one is kinda my fault though.

Shane: I was... alluding to that in the interview. Kind of.

Harris: SHANE.

Harris: MY EYES.

Troy: I miss when Shane had shame.

Troy: Can we get that back?

Troy: #BringBackShame

Luca: Wait, am I stupid? I don't get it. Alluding to what?

Wyatt: That Ilya has a big dick.

Luca: Oh.

Luca: Well, I could have guessed that.

Ilya: LUCA. HOW CAN YOU SAY THINGS LIKE THIS?

Luca: I'm twenty years old!

Luca: Also we are all on a hockey team, with communal showers.

Wyatt: Probably not the first time he's thought about Roz's dick.

Luca: I have never thought about Ilya's dick?

Shane: No one think about my husband's dick but me.

Bood: Damn.

Wyatt: Yes sir!

Ilya: Shane is so hot when he is bossy.

Troy: I really hate this group chat.

Shane: Wait.

Shane: How did you get your phone back Ilya? I didn't give it to you.

Ilya: You hid it in your hamper, it was not hard to find.

Shane: Why would you look in my hamper?

Ilya: I was looking for the sweatshirt of mine you stole last week. Found my phone instead.

Shane: Whatever.

Shane: The sweatshirt is under my pillow.

Ilya: Why?

Shane: You went out the other night and I couldn't fall asleep without something that smelled like you.

Wyatt: I'm gonna cry that's so fucking cute.

Shane: Oh, I kind of forgot we were talking in a group chat.

Wyatt: No don't go I wanna hear more about this

Bood: I beg of you to get a hobby, Hazy.

Wyatt: I have plenty of hobbies.

Troy: One that doesn't involve being so invested in Shane and Ilya.

Harris had a tweet planned. It was going to be cute, he supposed. And unfortunately for him, people did really love Shane and Ilya's relationship, so it got good engagement for the team when he made posts about them specifically. With permission, always, obviously. But he was a bit... worried about how this planned post would go. Considering recently he'd been having social media problems with both husbands. So, he decided to be brave and discuss it first. Which might have only made it worse in the end.

The Cool Cens + Harris:

Harris: Okay. I am going to tweet something about Hollander and Rozanov. And I need everyone to be normal and cool and casual about it. Got it?

Wyatt: Of course.

Bood: Obviously.

Luca: I feel like this warning is not for us.

Troy: It's not.

Shane: Ilya.

Ilya: What? I have been on my best behavior recently.

Ilya: Sort of.

Ilya: You on the other hand...

Troy: Yeah, Shane, you've been pretty surprising lately.

Shane: Really?

Bood: Yeah dude, you're usually so reserved.

Wyatt: Boring is what he means.

Ilya: Hey. No one calls Shane boring but me.

Wyatt: Sorry. Maybe innocent is the better word?

Shane: I'm not innocent.

Troy: Okay buddy.

Shane: I'm not! I'm a grown man.

Ilya: It's okay baby.

Shane: No, I'm kind of sick of everyone thinking I'm some kind of prude.

Ilya: I know you are not.

Shane: You aren't important.

Ilya: ...

Ilya: I will pretend you didn't say that because your scrunched up angry face looking at your phone right now is very cute.

Harris: Okay, we got off topic so quickly.

Harris: All I am asking is that you two be normal about this and don't reply with anything that will cause me to have to spend a lot more time on twitter moderating comments.

Ilya: Okay.

Harris: Shane?

Harris: ...Shane?

The Cool Cens + Harris:

Harris: WHAT THE HELL?

Bood: Oh my god.

Wyatt: DUDE IS THAT REAL?

Wyatt: IS THAT TRUE?

Ilya: Yes.

Troy: Is what true?

Harris *[two screenshots]*

Troy: What???? The whole time???

Shane: Not exclusive the whole time, we were on again off again for a handful of years but yes, officially together since 2017.

Ilya: Shane thinks the timeline is very important.

Ilya: I loved him the whole time though, I think.

Shane: Yes.

Shane: Me too.

Shane: The whole time.

Five Minutes Later:

Wyatt: I'm still freaking out about this by the way.

Ilya: Understandable.

Bood: I honestly am a bit too.

Luca: I'm not. This makes much more sense to me now.

Wyatt: How so?

Luca: Look at them!

Luca: *[pictures of Shane and Ilya from various events, practices, games]*

Luca: Those aren't new heart eyes. That's long time love.

Luca: And just... I don't know.

Luca: They've always acted like an old married couple.

Luca: They feel like they were created to constantly be in each other's orbits.

Luca: Two incredibly powerful forces that can come together and calm each other's storms.

Wyatt: Jesus Haas.

Troy: Are you a poet now?

Shane: That's actually kind of beautiful.

Shane: Thank you, Luca.

Bood: You got a secret partner we don't know about, kid?

Luca: What? No!

Harris: Luca just screeched at his phone and almost tripped in the hallway because of that text.

Ilya: Oh my god, do you have a lover Haas?

Luca: No! I said no!

Luca: I just really admire you two, I guess.

Luca: You kind of... made me believe in love.

Shane: Wow.

Ilya: I am going to cry.

Wyatt: Dude you ARE crying.

Wyatt:: I can see you in your stall.

Ilya: No, is not true.

Ilya: I just have something wet and teary in my eyes.

Bood: Yeah. Tears.

Shane: It's okay, it's just very sweet, Luca.

Shane: It's nice to know some people can appreciate our love, I guess.

Shane: And it's really nice to not have to fucking hide it.

Luca: I honestly have no idea how you two were ever able to.

Luca: All this time too...

Troy: For real, guys?

Troy: The whole time?

Shane: Yes.

Shane: The whole time.

Ilya: The whole fucking time.

End Notes

This ended up having a much sweeter ending than I planned but I just really love a Hollanov timeline reveal! I hope you enjoyed :)) I'm planning a longer fic that's not in the texting/twitter format so maybe stick around with me if you'd want to read that! Again, thank you for reading!

Please [drop by the Archive and comment](#) to let the creator know if you enjoyed their work!
