Summary

John Cook: Hollander keeps possession of the puck as Rozanov checks Cameron out of Hollander's way, and... Hollander scores! What a beaut of a goal that was!

Patrick Colt: [laughing] I don't think the opposition know what to do with themselves against Rozanov and Hollander.

[Ilya Rozanov skates round to where Shane Hollander is standing. Hollander has a wide grin on his face after the recent goal.

Rozanov collides into Hollander, hugging him jokily and leaning to plant a wet his on Hollander's helmet. However, at the last second, Hollander turns to look at Rozanov.

Their lips meet in a kiss.

The two break apart instantly and stare at each other in horror.]

Jack Saad: Oh. That's... Hmm.

John Cook: [spluttering] Erm-

Patrick Colt: [faintly] Huh. Well. That's not something you see everyday.

(the shane/ilya helmet kiss at the 2017 all stars game but shane turns his head at the last moment and they kiss on the mouth. social media reacts)

Notes

this fic is inspired by the amazing idea by HunnybeeMarie, who left this comment on my previous fic: "Maybe a funny one could be at the 2017 All Stars game, when Ilya goes to kiss Shane's helmet, Shane turns his head and they accidentally kiss on the mouth lol 🤔 Just off the top of my head haha"

I hope this is similar to what you had in mind! ;)

@milowatcheshockey

the all star line up this year is insane! hollander and rozanov on the same team? fuck yeah i'm tuning in

@mrshollandr

I cannot believe shane has to play alongside r*zanov... if r*zanov plays centre i'm rioting

@hollz2424x

i swear i'm so happy shane is captain because i just know he would HATE being bossed around by rozanov

@rozyisking111

Responding to **@mrshollandr**

Why should he not play centre? Rozanov is clearly the better player.

@mrshollandr

Responding to **@rozyisking111**

False.

@mrshollandr

Responding to **@rozyisking111**

Also Shane can't play wing and Rozanov can so...

@rozyisking111

Responding to **@mrshollandr**

So because Hollander's incapable, Rozanov has to suffer? Hollander can suck Rozanov's dick and you can suck mine xoxo

@mrshollandr

As always, R*zanov fans (🙄) show themselves to be bitter and unclassy, just like their problematic fav #hollanderfansstaywinning

2017 All-Star Game Audio Commentary

Patrick Colt: Another goal from Hollander, with a beautiful assist from Rozanov. What a team!

Jack Saad: Yes, well, Pat, I think it's safe to say we'll all come away from this wanting Rozanov and Hollander on the same line.

Patrick Colt: You're a hundred percent right on that one, Jack. Unfortunately, I don't think Hollander would mesh very well with the Bears aggressive style of play.

John Cook: Very true. Hollander is a strategist who favours speed. He almost never fights. The Bears favour force. It just wouldn't work.

Patrick Colt: Besides, I don't think Rozanov would be too happy to play wing every game. Or give up his captain title.

John Cook: Very true.

Jack Saad: God, did you see that! Another flawless pass from Rozanov to Hollander, utilising that backwards manoeuvre to throw the opposition off the scent until it's almost too late! They truly are in each other's heads. It's impressive how two rivals can almost read each other's minds, but I suppose that's what happens when you play against each other for almost a decade.

John Cook: Hollander keeps possession of the puck as Rozanov checks Cameron out of Hollander's way, and... Hollander scores! What a beaut of a goal that was!

John Cook: Absolutely beautiful gameplay from them both there.

Patrick Colt: [laughing] I don't think the opposition know what to do with themselves against Rozanov and Hollander.
