the pda police

by [goldengalaxies](#)

Summary

Roz

We are good looking and married and in love, is normal to be sexually active

Hazy

I'm sorry but no. There's sexually active and there's YOU TWO

Shane

@Hazy I'm confused. We only have sex everyday?

Shane

That's not that much, is it?

Dykstra

I can't tell if you're joking or not????

Shane

How often is normal?

Roz

Shut up

Roz

Everyone is banned from speaking

Roz

No more talking

(overly touchy hollanov get an intervention)

Notes

inspired by the following comments:

@reeeeett

i would loveee to see something abt the centaurs walking in on them! overly touchy hollanov has my soul 🙌🙌

@myrin

And since you're asking for ideas: Something actually sprung to my mind this morning immediately after waking up, which is kinda silly but also hot and maybe something up your alley, too? Anyway, I thought that when they're finally living together and both at the Centaurs, neither of them realise that it's not "normal" - in the sense that everybody does it - to have sex with your partner basically every single day, especially not for people who've been together as long as they have. I have no idea where exactly one could go with this - something like the topic comes up with the team somehow and both sides are like "wtf are you talking about??" about the other - but it's been on my mind for hours now and this seemed like the perfect opportunity to share

hope you enjoy!!

(also in my head Shane refuses to allow pda for like the first three years of their marriage because he's still suffering from the internal homophobia from the m*tros, that's why the cens only have to deal with this later, that's why the timeline is as it is)

Chapter 1

Wyatt Hayes added you to a new chat.

Wyatt Hayes renamed the chat 'Help me'.

Help me

Nick

Hazy what is this?

Dysktra

Barrett

Hazy

No. I am not.

Bood

Hazy you're freaking me out bro

Boyle emphasised this message.

Hazy

When Hollzy got traded to us I thought these are going to be our fucking years

Hazy

I was picturing a future of multiple Stanleys

Hazy

An actually FULL stadium

Hazy

Of OUR fans

LaPointe

You know if you want our help, you need to actually tell us what the issue is???

Hazy

I had big dreams

Hazy

And for the first years, yes, those dreams were fulfilled

Hazy

But now I am paying for it

Hazy

In a way that hurts me

Nick

@LaPointe Attitude Rook!

Bood

What is this fool on about? 

Dysktra

I don't know he's being dramatic again

Nick

Can we get to the point please Hazy

Hazy

Nick

Hazy are you fucking serious

Young

Barrett

I'm asking for a transfer in the morning.

The PDA Police

Bood
