Holding him hostage

~

Rose receives a text message from an unknown number claiming to be Shane's ex. In Ilya's defense, impulse control was never one of his strong suits.

Notes

this is so unserious and wrote it for fun

Chapter 1: you'll just have to taste me (when he's kissin' you)

November 6th, 2016

Since Rose announced her relationship with Shane just last night, she felt as if her life has been swept up in a whirlwind. They received so many invitations as a couple in a single day than their individual solo careers. Rose was excited to attend them all, because convincing Shane seemed like it was going to be a challenge.

When Rose reached for her phone to call her boyfriend and ask him which events he was willing to consider attending, she found a text message from an unfamiliar number.

Unknown Number
Its been 24 hours you can stop now

Rose's brows furrowed, when she was about to delete the message a new one came in.

Unknown Number
Tell tabloids it was a joke
very tasteless and unfunny
but still a joke

Rose
Who's this ??
Stop what ??

Unknown Number
Holding him hostage

Rose
Again
What ???????

Unknown Number
You can give him back now
Should consider while im being nice
😜🤭😌😁💕

"You're insane," she said into her empty room before sending her reply.

Rose
Who are you talking about?

Unknown Number
The man you stole from me

Rose
You have the wrong number
I didn't steal anyone
I don’t know you

Unknown Number
yet you have him
Give me my Shane back

Rose
Are some sort of stalker?
Fuuuck now I need to change my number
Thanks for nothing

The last thing she needed was to request from her manager to get her a whole number. That would Maxine freak out and ask her way too many questions Rose wouldn’t be able to answer.

Unknown Number
I don't know where you got this idea
I want nothing to do with you Laundry
✋🤢

Rose
Landry*

Unknown Number
Is what i said
ANYWAY
Give him back

Rose
I’m not doing anything like that
Whoever you are he doesn’t want you

Unknown Number
Shane is nothing without me
He needs me

Rose
He’s a grown man
Shane can make his own decisions

Unknown Number
You’re wrong
Shane cannot make simple decisions
Needs 7 hours to decide if light blue tie or dark blue tie goes with his black suit

This is a good test
Which would you pick for him?

Rose
Light blue ig
I like the contrast

Unknown Number
WRONG!!!!!!
🚨🚨🚨🚨
Correct answer is neither you say “no shane that is ugly”

Rose

And Shane needs you so much
Whys he with me?

Unknown Number
Thats easy
Because he's confused and in vulnerable state
You must feel so proud
Snatching up a man so fragile

"Girl, fuck you," she said as she typed just that.

Rose
Girl, fuck you

Unknown Number
So hostile

Shane is sensitive to this
Don't do this

Rose

Unknown Number

Rose

Unknown Number
You're welcome
😊

Rose
Listen its nearly 2am
Im tired
Leave Shane and I alone

Unknown Number
No 🫶🏻
Rotten dreams boyfriend bandit

Rose locked her phone and hoped that was the last of it. But deep down she knew it wasn't. Maybe she should ask Shane about a possible ex girlfriend. But wasn't it too early to start prying into his past? Shane was very reserved and Rose practically had to convince him to take her to dinner. Imagine her asking about an ex? Shane would fall into a coma.

She'll ask Miles instead. He always seemed to know how to handle people.

November 10th, 2016

It wasn't until 4 days later when Shane's "ex" texted again.

Unknown Number
So you will keep dating my man
Homewrecker

Leading up to this moment, Rose couldn't stop thinking about her. What was her deal? What was she so hell bent on having Shane when he never mentioned any ex girlfriend. Rose made several attempts to bring up the topic but to no avail.

Miles suggested blocking the number before the ex screenshotted something that made Rose look bad. Which was sound advice. However, Rose really didn't think that's what this ex wanted. She wanted Shane but was she really his ex?

Rose needed to ask Hayden to confirm she existed before taking this to Shane.

Rose
Not your man
He's dating me

Unknown Number
🤣🤣🤣🤣🤣🤣🤣🤣

November 12th, 2016

The next day, Rose decided that she will, in fact, call Hayden. He's Shane's closest friend and would know about this girl. Mainly if she existed as Shane's girlfriend or not. After three very long rings, he answered.

"Hello?"

"Hey, Hayden." Rose said into her phone. "It's Rose,"

"Rose? Like Rose Landry? Are you okay? Is Shane okay?" Hayden started worrying. Shane did say he was a dad.

"Yeah, Rose Landry. Yeah, we're okay… well kind of." God, what was she doing? This was just embarrassing.

"Kind of?"

"It's why I'm calling," Just out with it, Rose! "This is going to sound very weird. But did Shane have an ex-girlfriend?"

"No," Hayden replied with a light laugh. "He didn't."

Rose let out a sigh of relief. So the girl was just a crazed stalker which meant Rose needed a new phone number and Shane needed a possible restraining order.

"But he did have this fling with a Boston girl named Lily for a while." Hayden continued. "It wasn't official or anything. Just casual."

“So, not a girlfriend.” *Please say No. Please say no*. Hayden confirming her name hurt enough. Everything else can’t be true.

“Not to him, but to everyone else who knew about Lily 100% considered her his girl.” Hayden rambled on. “They’d hook up every time we played in Boston.”

“Oh..” She felt herself deflate. “Every time?”

“Yeah, it became a running joke.” Hayden cleared his throat. “Not that, uh, you have to like, um, worry about her. He’s crazy about you. Totally.”

“Right.” Rose wished she never called Hayden. Wished she never spoke to Lily. Rose should’ve blocked her from day one. “I gotta go.”

“Alright, bye.”

As if her mood couldn’t get worse. Lily messaged her.

Psycho Lily

November 16th, 2016

"Feels like weeks since we last saw each other," Rose placed the cup of coffee she bought in front of Miles, and sat before him in his hotel room. He was shooting something in Vancouver, and she had a day off between press junkets.

"It's because it has been weeks," he sipped his coffee. "Not that I'm not happy to see you, but you sounded kinda tense on the phone. Is everything going okay with Shane? Is he getting jealous of your co-star you've been spending all your time with? I knew he had an issue with it."

"No," she shook her head. "He's not jealous of Marcus. It's that…"

"Rose, what is it?" Miles' tone was heavy with worry. "Are you falling for Marcus? I love you, but that's a downgrade."

"No, uh, um," she covered her face in embarrassment. "I'm still texting Lily."

"Rose!" he gasped. "Why?"

"I just can't stop, okay?" Rose took out her phone. "In between the harassment she tells me things about Shane that he would never tell me. Look at this."

Miles took her phone and his eyes widened, "An exotic dancer? Didn't know Hollander had it in him to even enter a strip club."

"I know!" Rose groaned. "I wish Shane would open up more, so I could stop relying on his ex."

As if Lily could sense Rose talking about her a text came in

Psycho Lily

“She’s rude as hell,” Miles gawked. “Fuck her.”

“Is it bad I wanna see?” Miles asked genuinely.

“We’re not saying yes,” Rose huffed. The last thing she needs is to see a gorgeous woman’s body and feel self-conscious.

Rose

He doesn’t seem to miss you
No rush to leave me either

Psycho Lily
I don’t know you paid to hypnotize him
Just know my revenge spell is coming

“Girl, get a protection spell. I think she’s being serious.” Miles turned to face her. “Quick.”

“She’ll all talk,” Rose dismissed. “I think.”

November 23rd, 2016

Rose's life continued, she and Shane became more public. Which resulted in more messages from Lily, but sadly that woman has become a fixture in her life. Secretly, Rose has begun to sympathize with her thinking maybe she just needed a friend. But then Rose made the decision to represent Shane by wearing his jersey to one of his games. Lily didn't seem to agree if her text was anything to go by.

Psycho Lily

Rose hung up again, “Psychoatic bitch,”

INCOMING CALL: **Psycho Lily**

INCOMING CALL: **Psycho Lily**

Rose turned off the receiving calls feature on her phone. That should keep her safe for now. Maybe it was time to finally talk to Shane about this woman. Rose doesn’t know if she could take another day of this.

Psycho Lily

Psycho Lily

A knock at her door caused Rose to jump, “No way. If she sent a dead chicken to my house she’s getting arrested.”

Rose slowly stalked over to the door and looked through the peephole. It was Shane. She let out a sigh of relief and opened the door with a soft smile.

“Hey,” she says kissed him on the cheek. “A sweet surprise.”

“Hi,” he blushed. “Sorry, I tried to call but it didn’t go through. Then I got worried. So I figured I should come check to make sure you’re safe. Here you are, uh, safe.”

She couldn’t make sense of someone as sweet as Shane being with a force of nature like Lily. Rose made show of turning the calls feature back on.

“Was avoiding a certain call. Needed the peace and quiet.” She stepped aside. “Please come in.”

She led him to the living room, and placed her phone on the coffee table.

“Were you busy?” Shane looked uncomfortable. “I can leave. It’s okay.”

“No, stay. Let’s order some food.” She offered reassuring smile. “I’ll grab you a bottle of water.”

Rose pushed all thoughts of Lily away. Her boyfriend was over and Rose wanted to be present for him. As she made her way back from the kitchen, Shane called out.

“Rose?”

“Yeah?”

“Who’s Psycho Lily?”

“Fuck.”

November 28th, 2016 (Continued)

Shane sat in silence as Rose walked into her kitchen to grab him a bottle of water, as she disappeared around the corner her phone lit up receiving a rush of notifications. He didn't mean to look, but the notifications wouldn't stop and damn it he just wanted to mute her phone.

He picked up the phone then nearly dropped it, all the messages were from a 'Psycho Lily.' Reading the name Lily sent a chill down his spine… It couldn't be, right? There were many women named Lily. This was all just a coincidence.

But, was it?

"Rose?" He called out distractedly, reading parts of the messages from the previews

"Yeah?" came the reply immediately.

“Who’s Psycho Lily?” The more glimpses of these messages the more anxious he became because Psycho Lily texts the same way as Ilya, uses the same emojis as Ilya, and quite frankly spammed the same way as Ilya.

“Fuck.” Shane heard Rose curse, and then she was making her way over to him. “I can explain?”

“You can start with telling me who Lily is,” Shane already knew but needed to hear her say it.

“She’s, uh, your ex.” She breathed out before continuing. “I’m really sorry, Shane. I know I never should’ve replied to her when she texted me almost a month ago, but I couldn’t stop. You’re so closed off and Lily shares so much about you…. That I felt that if I cut her off, I would lose you too.”

Shane could feel his heart begin racing, the sound like pounding drums in his head. “A month? You’ve been talking to Lily for a month?”

“Yes-”

“When exactly?” Shane choked out. “When did this start?”

“November 6th.”

“I need to sit down,” Shane clutched his head like it would stop his migraine from spreading. "... what the hell, Rose?"

November 6th was the day after he and Rose made things public. Ilya couldn’t wait a week before creeping his way back into Shane’s life. It’s not like Shane wanted him to anyway. Shane was the one who left. He made that choice and Ilya is choosing not to respect that. A weird sensation swept through Shane; a mixture of flattery and anxiety. What did he tell her? What did Rose tell him?

“I overstepped,” Rose acknowledged, sinking beside Shane on the sofa. “You can read the messages. There’s nothing to hide.”

Shane looked at the phone just as texts came in.

Psycho Lily

Is Shane over?
Is that why you’re not answering?
Suck his nipple
say it’s from me 😋💕
Your technique is probably bad
But it's the thought that counts

“What the fuck?” Shane could feel his face redden.

“That’s pretty much how she speaks all the time,” Rose sighed like this interaction was normal. Like this whole situation was something every couple goes through.

Was it though? Shane has exactly two relationships in his life and he just found out they've been texting each other. When he sees Ilya next, Shane is going to slam him against the boards. Knowing Ilya, he might like that.

“All the time?” he groaned.

“See for yourself,” Rose pressed the phone into the palm of his hand. “She’s really possessive.”

“Yeah…” Shane. It was one of Ilya's qualities that made Shane go slightly insane.

“Is that why you left her? She moved too fast?”

“I.. something like that…” his voice trailed off, not wanting to have this conversation now or ever.

“She needs closure, Shane… Help her move on.” Rose, who was entirely too kind, spoke softly.

As if to prove Rose's point, ‘Lily’ sent another text.

Psycho Lily
Is he moaning?
Record it for me
mama is horny

Shane didn't know what to do with himself. He wanted to to claw his eyes out, he wanted the earth to open and swallow him up, he wanted this to never have happed… worst of all he wanted to call Ilya.

This hasn’t been the longest that they haven’t spoken to each other by far, but it was the most difficult. Shane liked Rose. She was sweet, kind, patient, and didn’t deserve Ilya’s attention or Shane’s lack thereof.

“Read the messages, Shane,” Rose urged. “I’ll order us food.”

Shane didn’t want to, but he knew if he didn't he'd create scenarios in his mind and drive himself insane. He scrolled all the way to the top and hated that it was such a long way up.

<u>November 7th, 2016</u>

Psycho Lily
you will never make him hard

enjoy mediocre sex

“Jesus Christ!” he felt his face burn. Shane was scared to check how often was his cock a topic of conversation between the two.

Rose

Jealousy is a disease

You’re terminal

Psycho Lily
That is funny
I will use that

Ilya did use that on the ice and it went viral on Twitter. Now Shane has his answer of where he learned it from.

November 10th, 2016

Psycho Lily

Rose
thanks for the heads up 😒

Shane needed to know what was Ilya's actual problem? Did he hate Shane to the point where he wasn't even allowed to move on?

November 13th, 2016

Psycho Lily
Still licking my phone

Shane was starting to feel as if he should take a shot every time his dick was mentioned or even alluded to. He’d be in an alcohol induced coma before reaching the end.

Rose
Sure!

Psycho Lily

Rose
no
Go fuck yourself

Psycho Lily
I am trying!
What do you think the pic is for?
🤪💦🍆

“I should just fucking kill myself,” Shane groaned ignoring the affect of Ilya’s desire for him is having on him. Shane can’t allow himself to let their song and dance continue. It’s too dangerous.

November 15th, 2016

Rose

"For fuck's sake," Ilya was going around and telling Rose he was a stripper. Shane's eyes widened, Rose thinks he dated a stripper. Not that Shane looked down on dancers,but there was no reality in which he could have pulled that off. Questioning his sexuality or not.

November 25th, 2016

Psycho Lily
I could take plane to Michigan
Boston not too far
save shane from being held at gun point

Shane remembers the Thanksgiving trip to Michigan. It was a series of firsts for him; first time celebrating Thanksgiving, first time in Michigan, first time meeting a girlfriend's family, first time having a girlfriend. Throughout the visit, Shane felt like a fraud and an intruder. He also found himself ling for Ilya… imagining what it would be like if Ilya ever spent a holiday with the Hollanders.

Rose
Who said anything about shane
being HELD AT GUN POINT

Psycho Lily
I am aware of your american customs
freaks of michigan

Rose
Aren't you american?
You're from Boston

Psycho Lily

ew
fuck no
Not american
I am in boston
not from boston

Rose
where are you from

Psycho Lily
Russia
🇷🇺💫

Rose
Honestly
That makes so much sense

Psycho Lily
guilty
Russians are so sexy

"Food arrived," Rose walked over with Shane's go-to salad order and a plate of cheese fries for herself. "There's also pizza and wings, but I don't know if you'll eat that."

He accepted the salad, "Thanks."

Shane couldn't bring himself to look at Rose. Too many emotions simmering beneath the surface; currently embarrassment was taking the lead. What was the plan? Pretend this never happened so Shane can carry on with his life Ilya-less? Ask Rose to block 'Lily'? Shane couldn't bring himself to block Ilya's number, he just deleted it. Fuck this and fuck Ilya for always finding his way back into his life.

“...I know it’s a bit awkward, but I think it could be good for her.” Rose’s voice pulled him away from his thoughts. “Are you listening?”

“Yeah,” he lied, trying to play off the fact he had no idea what she just said. “I think you’re right.”

“Good.” She took her phone from him and tapped on her screen. Within seconds his own phone started vibrating uncontrollably.

Shit.

Fuck

Damn this all to hell.

What did Rose just do?

Rose added Shane to the conversation

(xxx)-xxx-xxxx

With shaky hands, Shane saved his number.

Rose Landry

Lily
Why add him?
I thought you were finally surrendering him

“Surrendering me?” Shane was confused.

“It’s a whole thing,” Rose sighed, annoyance coming off her in waves.

Shane's Sister Wives

Rose Landry
I have a list of potential boyfriends
That shane can hook you up with

Shane let out a sigh upon receiving the text from the cursed group chat he's still in with Rose and Ilya. He attempted leaving multiple times only to be dragged right back in. Shane knew Rose was coming from a good place wanting to help 'Lily' move on and find someone new. But that didn't mean Shane wasn't allowed to feel annoyed at the idea of helping set Ilya up with someone else. Ilya didn't even need the help. He's the last person who would need a guiding hand. Shane just didn't understand the angle Ilya was playing at.

Lily
Im listening

Rose Landry
All hockey players
Unless you want an actor
In which I can help

Lily
The more the better

December 5th, 2016

The group chat was pretty dead for about three days after their last exchanges, and Shane was starting to let himself believe that the worst of it was all over. Ilya probably moved onto something new or rather someone new. Shane ignored how much that thought agitated him. He moved on, why couldn't Ilya?

But of course the universe had something against Shane and that peace was limited to 72 hours. Shane was in the locker room post game, and made the mistake of opening his phone there and not in the comfort of a private place. Messages upon messages came flooding in.

Shane's Sister Wives

Lily
What if i said i want to eat his ass?
On the ice
Would the refs let me?

Rose Landry

Don't hate me
😢😢😢😢😢😢
You can choose the strap

"I don't think I've seen your phone this blown up in all the years I've known you," Hayden peeked over before Shane had the chance to hide the screen. "Shane's Sister Wives? Dude, what the fuck? Is that Lily and Rose Landry? You have two wives? You're married? TWICE?"

"Shut up," Shane hissed. "Lower your voice."

"You had two weddings, and I wasn't invited once?" Hayden pouted. "When Jackie hears about this-"

"She won't." He locked his screen. "I'm not married. I don't have two wives. I don't have one wife."

"But the chat.."

"Rose thought it would be a good idea to help Lily 'move one'... It doesn't make sense to me." Shane pulled on his hoodie. He'll shower when he gets home.

"Oh, that would explain why Rose called me a few weeks ago asking about her. I don't know why Rose would be worried about some girl in Boston… She's Rose Fucking Landry."

"Don't sound too excited. Lily's great, too." Shane grumbled. "What did you say to Rose?"

"Sorry, I didn't compliment your ex," Hayden side eyed him. "You're weird, Hollander."

"Don't change the subject."

"Well… I think we should have this conversation in the car."

That night Shane went to sleep with his phone turned off. Ilya reaching out to Rose, Rose talking to Hayden about it, no doubt Jackie knows, which she most likely took to her WAGs… Whatever it is Rose wants to achieve with 'Lily' she'll have to do it without Shane's involvement.

Chapter 5: stay in my arms if you dare (or must I imagine you there?)

Chapter Summary

"I'm busy, Sveta," Ilya said in lieu of a greeting placing his cigarette between his lips.

"Are you in my robe?" She squinted at him. "Are you naked underneath?

Ilya looked down at his very exposed chest, and spoke around the cigarette. "Yes, Sveta. Your robe is on my very naked body. Want pictures?"

Chapter Notes

Happy Saturday!! ☺💫💕

In my mind Ilya's phone is programed in russian, so his contacts are also saved in russian

Илья - Ilya
Веснушки (freckles) - Shane
Плохая актриса (bad actress) - Rose
Света - Sveta

December 12th, 2016

Ilya was kicked up in his Boston condo in nothing but a silk robe, his phone in his right hand scrolling on social media, and his third cigarette of the evening in the other. His teammates invited him out but Ilya wanted to stay in and listen to his Secret Shane Playlist on loop. He was allowed to have that. Lately, he hasn't been in the mood to see anyone.

Besides, has plans to relieve himself from all this pent up sexual frustration he's been having. Ilya tried women the first week, but none of them could satisfy him. After that, he stopped seeking them out. Could only rely on his hand and memories of Shane beneath him.The instrumentals to Whitney's 'I Have Nothing' started up and Ilya took a deep drag of his cigarette and dramatically blew the smoke out.

🎶

Share my life, take me for what I am
'Cause I'll never change all my colors for you
Take my love, I'll never ask for too much

🎶

"Just all that you are and everything that you doooooooo." he sings along with her. Ilya liked Whitney Houston. She had a song for everything that he felt which was useful. English was still a very stupid language and translating his every thought was too tiring. Having Whitney Houston feel for him lightened the burden.

Did she have a Shane in her life? She must, because how else could she have so many songs that reminded Ilya of him. Ilya was grateful for her. Maybe he should invite her to a game as a thank you.

His phone rings, interrupting the music, and Ilya would've immediately rejected the facetime call if it wasn't Svetlana. "I'm busy, Sveta," Ilya said in lieu of a greeting placing his cigarette between his lips.

"Are you in my robe?" She squinted at him. "Are you naked underneath?

Ilya looked down at his very exposed chest, and spoke around the cigarette. "Yes, Sveta. Your robe is on my very naked body. Want pictures?"

"Why don't you just send those pictures to your group chat with Shane Hollander and Rose fucking Landry? Are you finally going to explain what I saw four days ago?"

"You were never meant to see that," He groaned. "Pretend you saw nothing. Goodbye."

"After you made me go out with your team to take photos of Cliff while you were bedrotting and sent very those photos to make Shane Hollander jealous? No. Start talking. From the beginning. I'll help you: Shane is Jane, continue the rest."

"How-"

"I'm not stupid, Ilyusha. Continue." She interjected.

"Not over call. Come over." He sighed, taking another drag and blowing the smoke onto his phone screen.

"Be there in 20 minutes." She hung up and Whitney Houston's voice picked up where it was rudely cut off.

🎶

I don't really need to look very much further
I don't wanna have to go where you don't follow
I won't hold it back again, this passion inside

Can't run from myself, there's nowhere to hide
🎶

“Вы меня понимаете, мисс Хьюстон…” Ilya said wistfully as the singer dove into her chorus.

Илья
You're missing out 🤷‍♀️

Ilya loved his Twitter account. He loved upsetting Rose's fans… how she had so many was a mystery he didn't care enough to solve. But that meant more people to annoy online which a pastime was starting to enjoy more than hockey. He opened the app and checked the replies on his most recent tweet

lily @mrshollander24
Every day I wake up and #she is still with my man
God strike down that homewrecker and make her bald 🙏🏻

Ilya snapped a picture of his hand wrapped around his half-hard dick and sent it feeling excitement he hasn't felt in nearly two months.

Илья

Веснушки
ROZANOV
WHAT THE FUCK??

Илья
He misses your mouth
And your tight ass
And the pretty sounds you make for me
And only me

Веснушки

We can. We can. Just like before. Is what Ilya wanted to respond with, but he knew that would push Shane even further. Ilya would play it cool. He would get him back no matter how long it took.

Илья
Is just picture
Send me one to me
I know you want to

Веснушки
My girlfriend is asleep
BESIDE ME
You can't be serious

Илья
Very serious
So get up

Ilya expected Shane to ignore him for the rest of the night, so when a notification from him lit up on his phone 15 minutes later Ilya opened it immediately.

Веснушки
[🍆pic]
fuck you

Илья
mm yes fuck me
But you like it best when I fuck you

Веснушки
I can't believe I just did that
Delete it

Илья
Why delete?
she's very pretty

Веснушки
why's your dick a boy and mine a girl?

Ilya let out a small chuckle, of course that is what he's caught up on. He missed talking to Shane.

Илья
apologies
both our cocks are girls
lesbians for each other
better?

Веснушки
yeah actually

Ilya suddenly wanted more. Texting Shane wasn't enough. He needed to hear his voice. Ilya decided it's best he'd try now while Shane was still willing to text him. He dialed his number and he immediately picked up.

"Are you actually insane? Calling me at nearly 4am! Rose is asleep." Shane was angry. He sounded very cute when angry.

"Enough about Rose, Shane." Ilya settled in his bed, his hand reaching for his cock again.

"Why are you calling me?"

"Why did you pick up?" Ilya countered.

"To stop the ringing." Shane huffed. "No other reason."

"You could have rejected the call," Ilya smirked, stroking himself. "Say it, you miss me."

"I-I don't." The other man stammered.

“Very convincing, Hollander,” He picked up the pace, his breath hitching.

“I’m being serious. I don’t.”

“I believe you, baby,” he practically panted.

“Are you good?”

“So. Good.” Ilya was close… so close.

“Are you… Are you jerking off? Shane hissed into the phone. “Rozanov-“

“Keep talking,” he pleaded.

“Talking? You want me to talk you through your climax? I’m not doing that.” Ilya sped up, Shane could hang up any moment. “We can’t hook up anymore. Get that through your head, Ilya.”

Ilya. His name on Shane’s lips again pushed him over the edge and he came all over his stomach and hand. His chest was heaving, tired yet satisfied.

“Thank you, Hollander. That was needed.”

“Oh, fuck you.”

“You keep saying that… want to try it?”

“What, uh, no. Bye.” And he immediately hung up.

“Bye, Shane.” Ilya smiled at his phone for a while before getting up for a shower.

ILYA

Ilya threw himself on his couch, already tapping on his Spotify app. Directly to his Secret Shane Playlist and hit shuffle then play. The very familiar soft chords to Whitney Houston's 'You're Still My Man' began and Ilya closed his eyes and let the music wash over him.

🎶
On the day that you left me
You said you had no regrets
There's a bond between us
That hasn't been broken yet
And the feelings between us
Will never disappear
How can you be far away
When your spirit's here
🎶

Chapter End Notes

Ilya is QUITE too down bad

1. Ilya's playlist is 90% whitney houston and 10% top hits of '16
2. Yup, Ilya believes whitney houston is still alive (Rest in Peace, Ms. Houston)

Good and bad news
Good: Ilya gets another chapter
Bad: Ths fic will most likely end in 3-4 chapters

Thank you for reading
also pray for me my recently used emojis are very incriminating 💀

Chapter 6: I need more (than a text message)

Chapter Summary

Ilya:
you think I'm too sexy for Boston 🤭

December 16th, 2016 (Continued)

Logic wasn't present. Thinking in general gave up on him. But did that ever stop Ilya from getting what he wanted? No. In two days he'll be face to face with Hollander on the ice. So, Ilya has two days to make Shane's girlfriend phase a thing of the past.

Shane was a creature of habit, and Ilya needed to move fast before Shane's beautifully weird brain started building a routine that involved more Rose Landry and less him. She didn't earn the spot beside him, he had. It only makes sense Ilya gets what's rightfully his; Shane.

December 17th, 2016

The locker room was buzzing during their last practice before the game the next night. Ilya walked over to his locker, beside Marlow's and snapped a few pics that could be useful.

"Rozanov! Did ya hear?" Cliff appeared at his side. "Rose Landry will be at our home game."

Ilya knew and wished he didn't. "For Hollander, yes? That makes sense. Too bad she's making long trip just to watch him lose."

"You think she'll leave Hollander for me if we win." Cliff sighed like a cartoon princess.

"Not if, Marly." Rozanov corrected smugly. "When we win and yes I think so."

Connors clambered over to his locker on the other side of Ilya's. Grumbling as he grabbed his belongings.

"You good?" Marlow questioned.

"No. My girlfriend found out through the damn WAG Network that Rose Landry joined the Metro WAGs yesterday. Now Amanda wants to join the Metro WAGs because she loves Rose Landry."

There you are, Ilya could've jumped with joy. But that emotion quickly turned sour. *You think you could join the Metro WAGs without my notice?*

"Damn, let me join the Metro WAGs chat." Marlow grinned.

"You fucking dog, Marly." Connors chuckled. "Marlow is out to make a rival out of yours, Rozanov."

"Get your own, Cliff." Ilya sneered.

"Damn, Roz," Cliff took a step back. "Keep him."

"I intend to," he pulled out his phone and began messaging Svetlana.

Ilya turned his attention away from the WAGs chat and onto his private photo album. His fingers hovered above the recent pictures of himself he took the day before. They were good but not good enough. Ilya wanted Shane to want him again. New photos will only go so far. So, Ilya scrolled up higher to early October when Shane was in Boston for a charity event. They spent plenty of time together and Ilya documented his favorite parts.

Selecting a few and forwarded them to Shane. These moments were too important and valuable to be seen by Rose or anyone else. Besides Shane might kill him knowing Ilya had pitcire evidence of them together.

His phone vibrated a few times, and Ilya expected to see notifications from Shane, but they were from Rose. Annoyed, he opened the Metro WAGs chat and his heart fell to his ass.

Ilya was a dead man.

I didn't do anything????

Chapter Notes

Happy Sunday!
To be fair!!! This was ready yesterday but it got too wordy too angsty... so I took another day to edit it down slightly. This is a Shane POV chapter so I think that's impossible to avoid. But I am happy with how it turned out.

Enjoy!!

Shane's Sister Wives

Shane
You two have been quiet
Im worried

Shane stared at his phone as nothing came through. It was unsettling in the worst way. It was not lost on him that he begged for peace and quiet, and now that he has it Shane didn't want it anymore. Something was happening, he just had to figure out what.

Shane and Rose

Shane
Hey babe
Is everything alright?
Did the WAGs scare you off?

Shane and Lily

Shane
Why are you so quiet?

With no immediate responses from either, his anxiety began to spike. Maybe he was overthinking. Maybe Shane just needed to get through the rest of this day before he goes face to face with Ilya on the ice tomorrow. It'll be the first time they've seen each other since Shane ran from his place, since Shane started dating Rose, and since this whole Lily situation. All thinking was making his overthinking worse.

Then his phone buzzed. He quickly checked, it wasn't from Ilya or Rose. It was from Hayden.

METROS BIG 3 🏒🥅

Hayd
Shane
Jackie's been cackling
gasping
Even screamed at one point
Rose joining was a success I take it

J.J.
gemma has been glued to her phone
Telling me nothing
just laughing
saying this has been most fun
WAG chat has ever been

Shane
That's good right?

Hayd
Yeah its good
relax buddy ✋

J.J.
hayden
gemma has a question for jackie

Hayd
Yeah?

J.J.
Gemma wants to know the real reason Jackie
added Lily to WAG chat
same lily as boston lily???

Shane blinked, rubbed his eyes, and blinked again. The message was still as he read it. Lily was added to the WAG gc by Jackie. Is that why Rose has been so silent? Has Ilya finally succeeded in pushing her away?

Shane and Rose

Shane
Are you okay?

METROS BIG 3 🏒🥅

Shane
JACKIE DID WHAT??
WHY??
HAYDEN!!!

Hayd
Why are you yelling at me!?!?!?
I didn't do anything????
I'll ask her ig

Shane
No guessing
Ask her
Now 😡
Fix this
Now 😡

J.J.
Okay i get it now
I would find the WAG gc fun too

Shane
not funny JJ 😡

J.J.
A little funny

Shane
This is the worst day of my life
Might be the last day of my life

J.J.
She can be removed

It's no big deal captain

Shane
You don’t understand
you don’t know Lily
and what she can do
With just a fraction of anyone’s time

J.J.
She’s just your ex girlfriend
not a movie villain

Hayd
Im back
So basically
Jackie told me the drama was too good to let go of
And she didn’t want me to be cursed by an etsy witch??

J.J.
boston lily is a witch??
Is that why you’re afraid of her captain?
Shane
I'm not afraid of her

J.J.
Did she hex you before?
The effects wore off and you dumped her?
Witches don’t like being jilted

Hayd
what do you know about witches jay?

J.J.
My grandma is a priestess in Haiti

Shane
Lily’s not a witch JJ

Hayd
Jackie is reading over my shoulder and is making me say
Lily is a stripper who just knows a strong one from etsy
not a witch herself
But shane already knew that

Shane
Can we fucking stop talking about this?
PLEASE?!?!?

J.J.
YOU WERE HOOKING UP WITH A STRIPPER?
No wonder Gemma says Rose is acting very jealous

Shane
Rose is jealous?

Shane wondered if that's why she wasn't responding… But Rose already knew this about 'Lily.' He knew he should've shut that little detail down when the opportunity presented itself.

J.J.
crazy
SHES ROSE LANDRY
Gemma is reading over my shoulder now and is saying Rose is losing the idgaf war

Hayd
Jackie is saying she kinda feels bad for adding Lily but the gc was so dry before that she can't bring herself to remove her

J.J.
Gemma is saying she is #TeamLily
Told me to write it like that

Hayd
Jackie says she's hashtag Team Rose

Shane
Just make a group chat with the four of you already

Hayd
the FIVE of us

Shane
don't
I can't handle another group chat

Hayd
I know
I've seen your sister wives

J.J.
Gemma says whatttttttt ?????????

Shane and Lily

Shane
Ilya

The WAG gc??

Lily
Oopsie 🤷‍♀️🤭

Shane

Lily
WHO TOLD YOU ABOUT CASSIDY?

Shane
You just did 😒

Lily
Woah
that was sexy
😩❤️‍🔥
Do it again
🤤

Shane
Ilya

Lily
Let's role play
You're the sexy cop
and I'm the super sexy russian suspect
And you use nefarious means to get me to confess

Shane
Who taught you that word?

Lily
A tutor

Something rotten twinged in Shane's chest. He used to do that… teach Ilya new words and Ilya would ask for a kiss if he used it correctly in a sentence. Was the tutor doing that too?

"What is that word? Ab-whore-ant?" Ilya had asked once,

"Abhorrent," Shane corrected with a smile on his face.

"What does it mean?"

“Something really offensive or wrong,”

“Oh, I see. If I said ‘Seeing Scott Hunter on the ice is abhorrent.’ Would that work?”

“Yeah,” Shane nodded, blushing, before pressing a kiss against Ilya’s lips. “It works.”

“How many sentences do I need to say to get your pretty mouth my cock?”

Turns out one sentence was enough.

Shane
You’re seeing a tutor?

Lily
Funny guy
Reminds me of you

Shane
I don’t want to hear about him

Lily
Shane?
Are you jealous of my tutor?

Shane
No.

Lily
My tutor is duolingo owl
😂😂😂😂😂

Shane
Fuck you

Lily

Shane
please have Gemma proof read your texts
Before you send them

J.J.
she did??

Shane
🤦🏻‍♂️

Shane was the last to land in Boston. The majority of his team arrived the day before or the one before that. Shave couldn't risk extra time in Boston; the city where all roads led him into Rozanov's bed. Not this time.

He checked his phone for a text from Rose and still nothing. Desperate times call for desperate measures, Shane opens the new group chat with him, Gemma, and Jackie. JJ and Hayden were kicked out within the first hour of its conception.

Shane, Gemma, and Jackie

Shane
where's Rose?

Gemma
She hasn't been active since yesterday noon

Jackie
Is everything alright?

Shane
Yes
No
Maybe
I don't know

Jackie
Why do I feel like this is my fault?

Gemma
Maybe not directly but yeah

Jackie

What Gemma means is that we don't know anything

Gemma
Those girls are always at each other like that

Jackie
Yupppppp
We don't even know what they're talking about half the time

Gemma
Innocent

Jackie
We Didn’t See Anything

Shane
Okay
Did I do that right?

With still no word from Rose, Shane was about to step onto the ice. Trying and failing not to think about Rose and where could be, he kept his gaze on the rink. Which immediately became a mistake. Ilya was standing in the center, eyes locked onto his smug smile tugging on his lips. Shane held his gaze before looking away. This definitely wasn’t the right head space to play in. He needed to get his shit together.

Shane did not, in fact, get his shit together. Montreal lost 2-4. Ilya was playing rougher than usual. Stayed on Shane’s tail, not allowing anyone else near enough for a pass. Or in the single instance Shane was close to scoring Ilya slammed him against the boards.

“Where’s your new flower? She didn’t want to watch you lose?” Ilya whispered into his ear, his body pressing against Shane’s back before skating away.

Back in the locker room everyone was dead silent, Shane grabbed his stuff and made his quick exit before anyone could speak to him. With just a few steps into the hall, a strong grip pulled him into a supply closet.

“You were going to leave? So soon?” Ilya questioned him, his blue eyes piercing into his. “Without seeing me?”

“Why are we in a supply closet, Rozanov?” Shane averted his gaze, not liking the chills that ran down his spine.

“Hollander, look at me,” He hooked his thumb under Shane's chin and made him look.

Shane’s eyes flicked up at his, “What do you want from me?”

“You know,” the blond man licked his lips. “What I want.”

“We just got off the ice… you should be with your team celebrating your win.” Shane tried to push past him, but didn’t budge.

“I want to be here,” He took a step closer, backing Shane against a wall. “With you.” Ilya's hands settled on his hips, squeezing lightly before traveling beneath his hoodie. His hands warm against Shane’s abdomen.

“We can’t…” Shane said half-heartedly. Damn, he missed the way Ilya touched him. The way it made him feel intoxicated.

“You don’t sound so sure, Веснушки,” Ilya smiled playfully. “Tell me to stop, and I will.”

“I… Shut up and kiss me, asshole.”

Ilya lunged at him like a man starved. Kissing Shane intensely, his hands finding the hem of Shane’s hoodie and pulling it over his head. With his hoodie discarded, Ilya began leaving a trail of kisses down his neck, collarbone, then his pecs. “Missed your tits.”

“I missed your mouth on my tits.” Shane stifled a moan.

“Is that all you missed of mine?” Ilya sucked a nipple into his mouth while tweaking the other.

“N-no.” Shane choked out. “Missed your cock, too.”

“Come to mine, let me fuck you.”

Shane should say no. He needed to say no. Last time, it got too real too fast. Shane got scared and ran out. But with Ilya’s mouth on him and the promise of more? Shane was weak. He was always weak when it came to Ilya. That’s why he ran two months ago. He found himself wanting more and more and more and more. This time he’ll control it. Maybe being around Ilya could be easy again.

“Yeah, let’s go.”

“No running away this time?”

“We’ll see how it goes.” he shoved him. “Hurry before I change my mind.”

“Yes, sir, Captain Hollander."

The two word text that launched a thousand restless thoughts since Rose read it hours ago. Gay boyfriend? Again, Rose? Again? But this was coming from Lily.. so was she even telling the truth? Wasn’t she his ex? It could’ve been a tasteless joke, but Rose didn’t know anything anymore. Or maybe Lily knew this about Shane and this whole time she’s been mocking him and knowingly dragging Rose along.

She needed space. She needed to be away from all things Lily and Shane for now.

Spending time with Cliff was the exact distraction Rose needed from the Text™, Metros WAG chat. and their weird choice to add Lily. Cliff was sweet and fun… and she was starting to feel guilty about being with him when she still hasn't responded to any of Shane's messages. But she wasn't doing anything wrong, not really. Just out with a friend. Yup. All was good.

Then Lily dropped the most insane series of pictures and a very REVEALING ten second clip. It was almost as if Lily knew Rose was having her first good day in months and had to shut that down.

Good times 😏💦🤤👅

“WHAT THE FUCK?” Rose started typing rapidly.

“Everything good?” Cliff’s brows were furrowed with concern. It was cute.

“Y-yeah, just the Metro WAG chat… someone sent something…” She tried to hide her phone, but Cliff already saw most of it. “..explicit…”

“Is that Roz?” Cliff took her phone, staring at the pictures. “WAGs share nudes?”

“No, just our little mutual friend does.” She took her phone back, trying to keep up with what was being said.

“I doubt Roz sent nude pictures of himself into the metro WAG chat,” Cliff laughed. “He’s insane but not that insane…. I think.”

“Not Rozanov, Lily. She gave you my number.” Rose corrected.

“Who’s Lily?” Cliff blinked at her. “Roz gave me your number.”

“What?”

“I don’t know a Lily,” Cliff shrugged, opening the cafe door for her.

“Yes you do,” Rose pulled up the pictures she shamefully saved when Lily met up with Marlow at the club weeks back. “Weren’t you with her?”

He blushed at the sight of them, but shook his head. “That was Svetlana, Rozy’s friend.”

Rose felt her world tilt on its axis. This didn’t make any sense.

“So there’s no Lily?” Rose questioned, starting to feel slightly insane. “Are you sure he isn’t dating her now?”

“He doesn’t date,” The dark haired man replied. “Never the same girl twice.. well except his Montreal girl.”

“Montreal girl?”

“Yeah, we called her Montreal Jane. They’d hook up every time we were in that city”

Something went off in the back of her mind, where did she hear that before?

Shane’s Sister Wives

Shane
You two have been quiet
Im worried

There was so much Rose needed to say, but she needed to collect her thoughts before accidentally saying something she didn’t mean to.

December 18th, 2016

The next day, instead of being with her boyfriend hours before his game, Rose was in her hotel room trying desperately to make sense of everything that was swimming around in her head via list.

1. Lily isn't who she says she is
2. Shane knows Boston Lily
3. Montreal Metros know Boston Lily
4. Cliff doesn't know Boston Lily WEIRD since Lily said she hooked up with him
5. SVETLANA?
6. ~~Is Boston Lily actually Svetlana?~~ No, that doesn't make sense why would she go by Lily?
7. Rozanov fits in here somewhere
8. Why did he give Cliff my number?
9. Why did Lily go along with it when I questioned her?

Rose stared at number 9, her mind and heart started racing. "Wait a minute…" With shaky hands, she wrote the tenth item, probably the most insane thought she has ever had, on her list.

10. Lily = Ilya

She dropped her pen and stood up abruptly, her chair loudly crashing behind her, "Holy shit. Holy shit. Holy shit. Boston Lily is Ilya Rozanov!"

Everything started making sense: The way Shane spoke to Lily.. THE UTERUS COMMENT! He was being literal, not an asshole… The way ~~Lily~~ Ilya spoke about Shane… Shane hooked up exclusively in Boston with Lily, Rozanov did the same in Montreal… Montreal Jane had to be Shane… SHANE! Cliff and Hayden pretty much said the same thing about the two. Never really date but have a specific girl waiting for them in their rival's city? How did no one else piece this together?

And now? The two were about to go face to face on the ice in an hour and Rose was holed up in a dark hotel room questioning her taste in boyfriends. She needed a drink and to lie down.

It was a few hours, and a full bottle of wine, later when her phone lit up with notifications came in from the Metro WAGs voicing their displeasure of their team's loss.

Then a text from Cliff: wanna celebrate Boston's win with me tn?

Rose couldn't find a reason to say no. She didn't want to say no. She replied: of course 💕

What could go wrong?

December 19th, 2016

She slept with Cliff.

Fuck, fuck, fuck, fuuuuuck.

She fucked up and she can't be the one to blame… not really. If anything, everything was Ilya's fault… all that Russian demon's fault. He's been bothering her since November. Insulting her, trying to steal her boyfriend, messing with her head, and she drank so much last night…

Rose was a terrible person. She suspected her current boyfriend to have an ex-boyfriend so she goes and sleeps with someone on said ex-boyfriend's hockey team? What was wrong with her? She needed to leave this hotel room and find Shane.

She collected her clothing off the floor, and got dressed quickly while he was in the shower. Rose needed to leave before Cliff thought something would come from this or someone spotted her. Rose headed for the door and swung it open only to find someone already standing there. The last person she ever wanted to see.

Ilya Rozanov.

Rozanov blanked at her, then a smile stretched across his face, "Rose Landry, such a surprise."

She swallowed. Could he be Lily? All that confidence she had about her discovery yesterday evening suddenly flew out the window. "Rozanov."

"I hope I wasn't too loud last night," His blue eyes gleamed. "I was celebrating my win. You did the same with Cliff?"

It was now or never.

"We need to talk," she took a deep breath. "Lily."

His smug smile dropping was all the confirmation Rose needed. Everything she pieced together was true, all that was needed was for Ilya to confirm it.

"Please, don't tell Shane."

That was Lily alright. "Why shouldn't I?"

"Because, Laundry Basket, you slept with Cliff Marlow and I caught you." He pointed at her, his smile returning.

Shit, he had a point.

Chapter End Notes

Chapter 9: Left hook, right punch (to the gut)

Chapter Summary

> “It was a mistake,” she huffed.
>
> “It didn’t sound like it,” Ilya retorted. “Maybe we should ask the entire floor? I’m sure they heard, too. Maybe the whole building.”
>
> “Shut. Up.”
>
> “Ahhh, Cliff! Harder! Fuck, harder! Please, please, please!” Ilya pitched his voice high, mocking her moans from last night.

>
> "Because, Laundry Basket, you slept with Cliff Marlow and I caught you." Ilya pointed at her, trying to school his features. After all his efforts, after everything from first texting Rose to convincing Cliff to show Rose around the city then also suggesting he’d celebrate with her, Rose Landry was at his mercy.
>
> “It was a mistake,” she huffed.
>
> “It didn’t sound like it,” Ilya retorted. “Maybe we should ask the entire floor? I’m sure they heard, too. Maybe the whole building.”
>
> “Shut. Up.”

"*Ahhh, Cliff! Harder! Fuck, harder! Please, please, please!*" Ilya pitched his voice high, mocking her moans from last night. Shane would've heard them if he wasn't moaning himself. "*Give me your cock, ahh-"*

"I don't sound like that," she shoved him, then quickly looked behind them where Cliff was. "I don't owe you, or anyone in this building, an explanation."

"And Shane?" he said after a spout of laughter.

"That's between Shane and I."

"I gave you Marly and you are still keeping Shane?" He threw his hands up with exasperation. "You are greedy. Greedy American woman."

There was a stunned silence from the woman before her eyes widened, then she jabbed a finger at his chest. "This was all you! You planned this! Trying to make me jealous, giving him my number, the hang out, sleeping with him-"

"I didn't make you suck his cock." Ilya interrupted her. "That was all you, sweetheart."

"I'm trying to be understanding," Rose said, but Ilya felt like she was mostly talking to herself rather than him. She looked up at him, "Whatever was happening between you two, it's over now, okay?"

Ilya's thoughts jumped to last night when Shane rode him through their first of many orgasms; sitting deliciously on his cock, hands pressed flat against Ilya's chest, and his thighs straddling his body. Ilya stopped believing in God years ago but, for a brief moment, he found Heaven whilst lying beneath a gorgeous freckled man.

"Maybe it is over, maybe not," he shrugged. Ilya would throw what happened last night in her face, but he was certain Shane was almost his again. Not worth risking.

"This is what we're going to do," Rose spoke, ignoring his comment. "We'll go our separate ways and forget everything."

"There are two flaws in this plan."

"What?"

"One, you don't have feelings for Shane anymore." Ilya counted on one finger, then on a second. "Two, I won't stop until he's mine again."

"I do!"

"Then you answered all his texts, then?"

Ilya watched with glee as she pulled out her phone and frowned when she saw his message already in the group chat.

"Oh fuck you."

“Rose!” He fake gasped, raising a hand to his lips. “Cliff might hear you! But I think you like when he hears you. *'Cliff, more... more... I'm so full...feels so good*”

She slapped a hand over his mouth, then closed the door. "I've had enough of you," and walked away leaving Ilya alone in the hallway.

Ilya returned to his room where Shane was still laying in his bed. He looked at peace, like he belonged in Ilya’s bed.

“Ilya? Where were you?” He looked up at him from his phone.

“Don’t worry your pretty little head about it.” Ilya stripped off his tee and sweats revealing nothing underneath and crawled onto the bed. He was halfway atop Shane when the other man’s phone rang. Without seeing the caller ID, Ilya knew it was Rose. Even with Shane right beneath him, she found a way to interrupt.

“Rose? Yeah, hi.” Shane tried to push Ilya off him, but he refused to budge. “No, it’s okay. You didn’t miss much. We lost. Yeah, it happens… Oh what is it?”

As Shane listened intently to whatever Rose was saying, Ilya rams his hands over Shane’s chest squeezing before leaning down and claiming his nipple into his mouth. Shane’s immediate reaction was to grab a fistful of Ilya’s hair. The Russian didn’t mind the sting, in fact, he loved it.

“You said, ah, tomorrow?” He was trying not to pant. Shane tried again to remove Ilya and was met with more resistance; Ilya reached for the lube on the bedside table and poured it on his hand before grabbing both of their cocks in his palm. “Ah, yeah, okay.”

Shane was arching beautifully and Ilya tried to reach over and snatch the phone away, but Shane was quicker. “I’m okay, just my back hurts. An asshole thought it was funny to slam me into the boards.” The Canadian man glared at him mouthing ‘fucking stop.’ But Ilya was never good at following directions or reading lips.

The blond man started jerking them off fast, licking his lips at the sight of the precum already gathering at Shane’s tip. “Так мокра для меня.”

“Nothing! Bye, Rose! See you tomorrow.” Shane tossed a pillow at Ilya’s face as soon as he hung up, toppling the other man over. “You’re insane.”

“You already knew this.” Ilya returned, wrapping him in his arms and kissed him. “What’s tomorrow?”

“Rose invited me to her movie premiere as an apology for not coming to the game,” Shane shrugged.

“You said yes?”

“Well, yeah,” he blushed. “I have to. Look at what I’m doing as her boyfriend.”

"Look at what I'm doing to her boyfriend." Ilya wiggled his brows.

"Shut up, asshole." Shane said, fighting a smile.

“You regret this?” Ilya tried to mask the hurt he was feeling.

“No,” Shane’s response flooded him with relief. “That’s why I have to go. I feel guilty for wanting this… You… Us again.”

“Okay, dump her.” He stated simply. It was simple.

“After the premiere,” Shane replied. “I have to prepare what I have to say.”

“Oh, малыш,” Ilya smiled, cupping Shane’s face before kissing him hungrily. He'll deal with Rose’s premiere tomorrow. “Come now. Sit on my face. I'll finish jerking you off, too.”
