the trials and tribulations of being a wikipedia editor

by snailie

Summary

Ilya is bored out of his mind and decides to start ragebaiting Wikipedia editors

or: 5 times Ilya got banned from Wikipedia for vandalism, and 1 time they didn't have a leg to stand on, as told through Wikipedia edit history and talk pages

Notes

is this incredibly niche and probably only funny to me? yes, but who cares!
this was a pain in the ass to code so i hope everything works, let me know if there's a problem with something, and remember to enable the creator's style!
also, if you have any experience with being a wikipedia editor, a little bit of suspension of disbelief is necessary because i had to make this readable (and also i have never been reported/banned before so. slayy)
and last but not least, i hope you enjoy!!

Hi **@ilyarozanovisthebest81**, I see you're a fairly new user so I guess you don't have a lot of experience with editing/Wikipedia in general. Just letting you know this page has absolutely no relevance at all lol, so I just marked it for deletion! No worries although this is kind of weird haha, you shouldn't just post things on here for laughs, this is an encyclopedia!

> **ilyarozanovisthebest81** (08.04)
> hi **@HockeyPedia** i am being very serious thank you

ilyarozanovisthebest81 (09.18)

HockeyPedia (09.19)

ilyarozanovisthebest81 (09.36)

HockeyPedia (05.21)
It's not speculation?? I'm just keeping this page updated ffs I even mention it's "alleged"

ilyarozanovisthebest81 (05.24)
there has been no official statement so you have no sources. very bad for wikipedia editor
do i need to link you to the **guidelines?**

HockeyPedia (05.25)
Are you sure you have read them?? Why are you always fighting over stupid stuff??

AnnaHK (05.27)
bro youre talking... its always both of you at the scene of the crime
not to interrupt its always very funny so please continue

iamnotabot (05.30)
to be fair there is a similar subsection on the Rose Landry page so I feel like this should not be a problem. as **@HockeyPedia** mentioned, we do add the alleged so we're just keeping this page up to date. so **@ilyarozanovisthebest81** please stop reversing the changes or we'll have to report you for vandalism
