Notes

HHHHH okay im like 10k words deep into a really angsty multichap ill be posting soon and needed a break so i thought id try my hand at a texting fic!!

minor content warnings for discussions of domestic abuse (nothing graphic, just twitter being twitter) and discussions of blowjobs lmfao. this is acc inspired by an injury a close friend of mine got while we were at university lmfao

i truly believe hayden and ilya would have the most abysmal spelling. shane can only spell by the grace of yuna holland.

any inconsistencies or mistakes u notice....no u didnt <3 ,3

Shane Hollander Official @ShaneHollanderHockeyPlayer

Thank you so much to everyone who sent me well-wishes yesterday! They were very much appreciated. I had a little bit of lockjaw due to stress, and we went to ER out of an abundance of caution. Biggest thanks to @[Rozanov81](#) for being the best husband (and captain) that I could ask for. ❤️❤️❤️

↳ **Shane Hollander Official** @ShaneHollanderHockeyPlayer

And to everyone speculating on the nature of my (very minor!) injury: It had nothing to do with my husband. Domestic abuse is a serious issue in Canada and around the world, and speculating about it on Twitter has never helped anyone. If you or someone you love is in danger, help is available.
