Summary

What's a girl to do on a lonely night in Boston? Make a burner account to stan "her" secret boyfriend publicly, no holds barred.

Chapter 1: Babygirl or Daddy?

Chapter Notes

This fic is set during the season between Heated Rivalry and The Long Game. I stuck as close to canon as possible with a fic featuring Ilya being a social media/WAG chat menace.

Please have creator's style turned ON and please excuse any skewed images--this is my first time coding EVER.

Really?

What?

The Twitter account. Really?

You like it?

Of course not! All you're doing is posting embarrassing stuff on there. What the are you even thinking?

I am thinking... I have best boyfriend in the entire world and no one knows. He is so funny and beautiful and talented. I want everyone to know how much I love you and how hot you are, even if they cannot know who I am.

I hate hiding. World does not even know I exist.

They obviously know you exist, you're being dramatic.

But world does not know who I am to you. I just want to brag about my hot boyfriend. Is this a crime?

Ugh, no it's not a crime.

And I want to show world that you love me enough to deal with embarrassing tweets.

I hate hiding too. You know that right?

Yes.

And I love you too.

Please just be careful. Me being outed would suck, but you being outed... I can't even think about that.

I will be SO CAREFUL. Do not worry!

Oh god

Hi Lily! This is Jackie Pike, I'm Hayden's wife! Shane wouldn't give me your number but he didn't

say not to DM you here 😊

Hello

I was wondering if you wanted to be added to the Metro WAGs chat? It's a super small group and we'd love to have one more! 💕

Oh yes this sounds like fun!

Metro WAGs ✨

Jackie

Hey ladies! I have a surprise for you all! 💕

[Jackie added Lily to the group chat.]

Jackie

Everyone, meet Shane's girlfriend, Lily!

Hello. I am ESL, just as warning. Please excuse my English if I make mistakes.

Jackie

You're good, girl! Your English is fine.

Ok. Then I am ready to WAG my chin with you all!

Jackie

Emma

hi lily! im emma, sorren miitkas girlfriend 😊

Melanie

Hey! I'm Melanie Comeau, Gil's wife. It's nice to have another WAG here!

Hello, nice to meet you all. I didn't think I would be welcomed so easy.

Emma

what why not???

I live far and not able to meet anyone in person, it's hard to make friends.

And my twitter is very... I don't know the word. Some hate it and some love it. 🙋

Jackie

You're in Boston, right? Hayd keeps calling you "Boston Lily" so I'm assuming.

Melanie

Divisive

Yes. Divisive. Good word.

And yes, Boston! It is beautiful city, I like it very much.

Emma

hey as long as you root for our team when we play against the Raiders!!

I am big Raiders fan but I always hope for my Shane to do his best ❤️

Emma

aw 💕

But Metros still lose because Raiders are best team in whole league 😊

Jackie

Boo!! Lily, the betrayal! 💔

Rose

Hi, Lily!!! It's nice to meet you! This is Rose btw

Rose who?

Rose

Landry

What

Jackie why is she here

This is WAG chat no?

Jackie

Omg sorry I didn't warn you, Lily! Rose joined the chat when she and Shane were together

Rose I think you go away now, ok bye bye!

Emma

what nooo we love rose 💕💕

I think maybe you just keep her in because you all want to pretend to be friends with big movie star and this your only chance as boring Canadian housewives, probably never meet a celebrity again

Emma

wow what the fuck

Wannabe WAG

Hey Lily, sorry to surprise you like that in the group chat. I didn't realize you didn't know I was in there. Look I promise not to tell anyone what I know about you and I want to be super clear that I'm not a threat to yours and Shane's relationship. I only stayed in that gc because I really like the other girls, it's fun to have some friends who aren't in the industry and don't treat me any different for it. What you know about me?

I just mean that I know Shane's gay so you must be a man, right?

Hm

If you know this then you know you are not a threat to me and Shane because Shane is super gay.

Be as hot as you want, he don't want you.

And you are not going to tell anyone or else

I'm not going to tell anyone! I wouldn't do that to Shane (or you for the record).

If you hurt Shane I will hurt you

I can do this too

You don't even know who I am

Just that I am man

You be scared of half the world

I could be anyone

You walking down the street and bam, there I am.

Good luck bonjour

I'm not even French

You know nothing

I'm not going to out Shane!

hm

Metro WAGs ✨

Melanie

Seriously? That's so uncalled for. Rose is great. Imagine someone saying you were only with Shane because you want to look cool dating a pro athlete. How would that make you feel?

Jackie

No we genuinely like her!! Sorry I didn't warn you Lily, but can we all please be nice?

This is bad example because Shane is very boring Canadian. If I wanted to date cool athlete I would date Rozanov.

But my heart is very stupid. 🙄

Rose

Guys it's cool, Lily is allowed to be upset.

Oh wow thank you for permission. 😞

And I'm not upset. But WAG chat is for WAGs and you are not W or G. You need to find your own friend group and stop trying to wreck homes

[Lily changed chat name to Metro Queens + 1 Wannabe.]

Melanie

Lily. Girl. Take it easy, seriously. Day 1 in the group chat and you're already attacking people?

[Melanie changed chat name to Girl Talk 💋✨.]

Jackie

Okay, wait. Rose are you really okay with how she's acting? Because she might be a WAG but as much as I love Shane, you were our friend first and you don't deserve to be talked to like this.

Rose

It's really fine Jackie. Shane and I have talked a lot, he told me some stuff. They've been together a long time and he dated me while they were on a break, so it's kind of messy. I wouldn't be a fan of me either if I was her.

Jackie

If you're sure...

No is not true.

Jackie

What isn't?

Shane did not date Rose when on break. Shane and I had a fight and he ghosted me to date Rose.

We were not exclusive but we never had "we are taking break" talk. He just leaves my house then a week later I saw on website he was dating big celebrity and he ignored all my texts.

Melanie

Oh, damn.

Emma

thats actually so shitty

Jackie

Wait how long is "a long time" though? We've only known about you for a few days!

Long time. Years.

Melanie

Years?! Why so secretive?

It is... lots of problems? Different things happening. I don't know word for it.

Jackie

Complicated?

Yes, maybe. I think so?

I am here on work visa and it would cause problems back home to be public with Shane. My family is very old fashion. So we are secret. Not serious at first. We just see each other when we were in same city and see others when we were in different cities. But then I wanted more.

So last year when he is over at my house I ask if he sees other girls, and why I never hear about it before. He tells me this is private thing and will not answer my questions. When he knows I have deeper feelings he got upset and left.

Then I see on TMZ he is dating Rose. I think this must be why he run away. How long were they dating? Were they secret for years too, like me?

Emma

omg thats awful

Rose

Lily, I'm so sorry ❤️ I didn't know it happened like that. Now I want to kick Shane's ass!

Sorry I called you all boring housewife.

I did not mean it.

Jackie

What??? That doesn't sound like Shane at all, that's crazy.

No is true!

Rose only I touch his ass. Go away.

Rose

Jackie

I believe you! I'm just surprised is all.

Why surprised Jackie? Men are very stupid.

Jackie

😂 Too true! The other day I asked Hayden to do the dishes and he ended up unloading the dishwasher before it was ran, so I had to empty out all of our cabinets and wash every dish because I didn't know what was clean or dirty.

You washed every dish? Not Hayden?

Jackie

After his first attempt I wasn't going to trust him with that!

This sounds like... what is term? For when men do chore badly so they don't have to do it again.

Melanie

Weaponized incompetence?

Yes! That! This sounds like that. Now Hayden never has to do dishes again. Win for him.

Jackie

I don't think he did it on purpose...

Jackie. Men are very stupid. Hayden is very stupid. But he is not that stupid.

Jackie

Hey!

He did not notice dishes were still greasy? Stinky? Covered with bits of food? Sorry but he is stupid.

Melanie

Yeah I gotta agree with Lily on this one Jacks lol. Time to make him do the dishes regularly until he can tell the difference!

Too many concussions, probably.

Jackie, you try this tonight! When Pike comes home from losing, you put him on the bed and tell him: hold onto headboard and don't come until I say you can!

Then you drag it out as long as you can. Suck him, ride him, stop everything and just play with his

nipples. Make him suffer, just a little. Make him beg.

Emma

omg 😭

Trust me!

He will wish he wasn't married to you so he could marry you AGAIN!

Emma

Oh

10/10

Emma

umm

Melanie

That's not what we heard.

?

Melanie

We heard Shane is more like a 5/10.

Who tells you this?

Oh yes. The wannabe. She is lying, Shane is 11/10.

Emma

yeah okay

Jackie

Lily you can be honest! What happens in WAG chat stays in wag chat!

Is true! Maybe this is Rose Landry problem not Shane problem.

Melanie

Next you're going to tell us he's 11/10 at oral too 😂

No.

Jackie

No?

12/10

Emma

Melanie

Right.

My Shane is wild boy, very good mouth.

Melanie

We're talking about Shane Hollander, right? The guy who has a panick attack if the restaurant has Seagram's and not Canada Dry? Not some other Shane?

Emma

i just cant see that lol

You know what they say. Lady in the streets but in the sheets...

And my Shane is street lady!

Jackie

Lily no!

What?

Jackie

That makes it sound like Shane's a prostitute!

Oh, no. Sorry, my English. He is good enough to be one, but no, this is for me only.

So I know we didn't really get into it the other night but you're texting Jackie now? How'd you even get her number?

She messaged me on Twitter after we posted the cottage

She wanted to add me to the Metro WAG chat! 😊

Wait what? You're in the Metros WAG chat? Why?

Because I am WAG of course!

Oh my god.

What do you even have to talk to them about?

All kind of things, is very fun!

Yes, I agree with you Jackie!

Melanie

But I thought Shane was "like a tiger" in bed?

Yes but if I marry him then I can fuck him every day. 😍

Emma

this is an excellent point

Rose

I agree with Jackie and Lily.

Of course you do. 😏

Rose

I feel like no matter where I put Shane you wouldn't have liked it. 😂

Emma

i changed my answer

marry rozanov, fuck scott, kill hollander

Melanie

Marry Scott, fuck Hollander, kill Rozanov

Ew what is wrong with you both?

Scott Hunter is 1 000 000 years old
And Shane is perfect, you would be lucky to even smell his hockey gear!

Melanie

👹 Hunter is hot, sue me!

Emma

ok how about sorren, dallas kent, and connors

Rose

Marry Connors, fuck Sorren, kill Dallas Kent

Emma

i would marry sorren, fuck connors, and kill kent

Jackie

Agreed, Rose!

Sadly I also agree with Rose.

Rose

Melanie

Marry Connors, fuck Miitka, kill Kent.

Emma

why does not one want to marry sorren??? 🙄

Rose

Girl we know way too much about that man for that. 😂

Melanie

Gil, Carter Vaughn, Wyatt Hayes

Obviously I would marry Gil. Then I guess... fuck Vaughn and kill Hayes.

Marry Hayes, fuck Vaughn, kill Comeau.

Jackie

This is a hard one! Marry Vaughn, fuck Hayes, kill Comeau.

Melanie

Jackie!!

Jackie

Sorry! 🙏

Rose

Once again agreeing with Jackie...

Emma

Jackie

Marry Hayd (obv), fuck Marleau (metaphorically), kill Barrett

Emma

marry hayden, fuck barrett, kill marleau

Rose

Jackie I think we have very good taste! Though mine wouldn't be metaphorical 🤔

Jackie

Melanie

Marry Barrett, fuck Hayden, kill Marleau.

You all have terrible opinions.

Wrong opinions.

Emma

opinions cant be wrong

Oh yes they can!

Melanie

Okay so enlighten us, oh wise one. What's your answer?

Is obvious.

Marry Marleau. Fuck Barrett. Sorry Jackie, you are now widow.

Melanie

Of course lol.

Jackie

Should've seen that answer coming.

You can move in with me, do not worry! I will take care of you better than Pike. ❤️

Emma

marry marleau? but didnt he give shane that big concussion last season? i wouldve thought you hated him

No no. This was clean hit, Marleau did not mean to hurt Shane. They talked, no bad feelings there.

He is good guy who plays high contact sport. That is all.

Rose

Okay, how about Shane, Hayden, and Gil.

Emma

this feels like its gonna get messy

Rose

Melanie

Hayden wouldn't tell anyone about you! I already told him why you're so secretive, he was really worried.

Sorry. I can't. I wish I could.

Rose

Okay girls how are we getting our guys to take their shoes off inside?
Because I'm about to lose it on this new guy I'm seeing, I swear.

Jackie

Um...

Well, Hayden and I are both Canadian. That's kind of in our blood.

Rose

Damn

He is American?

Rose

Yes! I don't care at his place but he tramples his dirty shoes all over my apartment!

Oh okay I know this! Here is what you do.

You put shoe rack by front door, and next time he comes over you say: see, here is shoe rack. Use it and respect me stupid American or never see my boobs again except in movies

Jackie

Omg 😂

And if he does not respect you then you have other choice to make 🙄

Emma

thats seems kinda harsh

No, is not harsh. This is boundary. I wear shoes in my house but Shane does not. So when I am at Shane's home, I take off my shoes. Easy. What, you going to stay with a man who disrespects you and your home?

Rose

That's actually really fair. I think I'm actually going to try this.

Yes. I live in America but I am not stupid American. I give good advice.

Melanie

Emma

would you rather... have to eat an entire wooden door every year or only be able to eat blueberries for the rest of your life ???

Jackie

Blueberries, 100%

Melanie

Yeah, blueberries.

Door. I would turn it into dust and put it in my protein shakes every day. They are already gross so no problem!

Melanie

That's actually a really good idea, I was thinking it had to be eaten plain 🤔

Jackie

Still gross imo

Melanie

Okay! Would you rather... not have to eat (but if you do, you don't gain weight) or never need to sleep again (but you can if you want to).

Jackie

Never need to sleep for sure.

Melanie

Really? If you choose to never have to eat that means you don't have to cook or do dishes... ever.

Jackie

I'm already covered with my piles of blueberries 😂 no cooking or dishes required!

Emma

yeah id rather not have to eat! or be able to eat whatever i want, no consequences 😊

I would pick no sleep. I don't mind cooking or dishes and have to eat door every year anyway so

Emma

Would you rather be able to talk to animals or be fluent in every human language?

Jackie

Human languages!! That would be so cool.

ANIMALS!

Melanie

😂 Who would've guessed Lily's answer??

I would also pick animals though, for the record!

Emma

me too 😊

I do not care to talk to people but my neighbor has a dog and I would love to have conversation about suspicious mailman with her.

Jackie

Suspicious mailman?

Yes. She does not like him even though he brings her dog treats and I want to know why. What does she know???

Melanie

She probably just doesn't like a stranger coming near her territory.

No, this dog loves EVERYONE except the mailman. He is up to something, I know it.

Emma

😂 ok dr doolittle

Jackie

Oh I have a good one! Would you rather have your gender changed or your partner's gender changed?

Emma

change my own gender. i could def be a gay guy lol

I am bisexual so I would be ok with Shane being a woman 😊 but I don't think Shane would be happy 😂

Jackie

I didn't know that, Lily!

Thanks for telling us 💕

And Shane as a woman is a wild thought lol

He is already so pretty, he would be bombshell 😍

Emma

true he could pull it off for sure

Oh I thought of one! Would you rather have hair for teeth or teeth for hair?

Emma

omg what??? 😭

Jackie

Ugh both are gross hahaha

Answer!!! 🐱

Jackie

I guess... teeth for hair? I can always wear a wig, right?

Emma

teeth for hair. hair for teeth is nasty lol

I think maybe you are not thinking this through. Teeth would not just be on your head, but also eyebrows, eyelashes, body hair... all teeth.

Jackie

Nooo 😭

Emma

ok hair for teeth then... i could cut it and get dentures

ugh thanks a lot lily now im a little nauseated

the anti shayden fic... i think someones jeaaaallouuuussss!!! also... "jackie said you could be my hall pass but only when we're out of town" ...does anyone have any fic recs that start like this but are pro shayden? asking for myself 🙄🙄

Jackie

Lily did Hayden actually do something to upset you?

Why?

I saw your last tweet. At first it seemed like just chirping but this seems like you actually don't like him, so I'm just wondering why? Hayden's a really good guy, I'm sure if he did something he didn't mean it.

No no. Pike is fine. This fan fiction. I sometimes have a hot head, yes? I wrote this one when I heard Shayden exists and was very annoyed.

I like to chirp Hayden, is very fun but just for fun, nothing serious

Okay... It's all fake anyway, you can just ignore the whole "Shayden" thing.

No Jackie, this I cannot ignore. People always are talking about it. They comment it in my other fic even, now that they know I am with Shane 😞

But you're okay with the hollanov stuff?

Well I like Hollilynov best but I take what I can get 🙄 maybe this is my next project!

Orrr... is Haydenov a thing? 🤔

Gross Jackie. I was eating!

Rose

Girl! I saw your tweet! I don't usually read fan fiction but yours is actually insanely good 😄 (and your shayden one was hysterical! "I'm not having sex with you just because the internet thinks we should" KILLED me. I could see exactly how Shane would say it too.)

Oh

Thank you

I didn't know you were a Supernatural fan, that's one of my favorite shows.

Yes it's very good.

Except all the queerbaiting.

Ten years! Crazy.

Right??? The most we've gotten is that lame "we're family" line. Ugh.

Yes when I saw that scene I was so mad! Family? No no no, you are lovers! Dean is always giving big bottom eyes to Cas and then calls him "family" !!!

Seriously!

So listen... I don't usually do this, but I'm working on a project with one of the Supernatural guys...

Ok

Do you want me to get something signed for you? A shirt or something? 💕

Is this a bribe? Feels like bribe.

No!

Well, maybe.

I just feel really bad. I honestly didn't know how everything had gone down with you and Shane. I didn't even know you existed to be honest. But I'm really sorry that I contributed to hurting you.

Oh

It's ok

This was Shane's fault. You didn't know.

I really didn't.

But yes, I will take signed shirt.

Mens large

😂 You got it!

❤️ Jane ❤️

"Final Destination: Shayden" ? Seriously Ilya?

I thought it was clever!

It's not.

It rhymes!

No it doesn't.

And you owe Hayden an apology, that was too far.

It is not real, Shane!

You killed him off in a fan fiction! Since when do you even like fan fiction?

I found it a few years ago. I like the Hollanov tag very much! There are a lot of ones where I get you pregnant 🐱

What the hell?

Is just a fun website, nothing serious! I go on when I'm bored and missing you 😊

You still went too far.

I forgot about the Hayden one. I wrote it last year as kind of therapy... to make your accident have a happy ending.

Ilya. Hayden dying was a happy ending?

You go out with my best friend and have fun night instead of concussion in hospital, that is good ending!

True life didn't have enough of a happy ending to it? Me drugged up and asking you to come to the cottage?

This was very good ending! But you being unharmed would be better.

Ilya.

OK fine. I will apologize. But only because I love you and he is your friend for some reason

...

Say it back.

You're so annoying.

Shane

Say it back.

I love you too. ❤️

Or surprise you?

Surprise me I guess.

You're leaving soon, yes? You'll be there when I get home?

Yeah.

Good. I want you to be naked and ready for me when I get there. Bent over the back of the couch so I can just slide right in.

Uh yeah, I can do that. Definitely. Jesus

Do you want me to pick up lunch on my way?

OMGOMGOMG I think I just figured something out brb

♥ Jane ♥

Oh my god.

Did you see thst article?

What article?

TMZ posted an article about you. Specifically pictures of you sexting a Jane.

Check twitter. You're probably tagged in a thousand tweets by now.

One moment

Oh

You are upset because they say you are bad at sexting?

No!

Shane

I'm fucking not!

Shane

Stop saying my name!

Where are you right now? Is anyone near you?

I'm home. If TMZ can see my phone screen we have bigger problems than being outed.

Fine

You are not bad at sexting.

It's whatever

No, I need you to listen to me.

So you don't send me texts about wanting my cock. So what? When I sext you and you reply "oh yeah that would be cool" do you know what I am thinking?

Shane

Shane

What

I am thinking... my Shane wants my cock so bad he cannot even think of what to say.

And what you do say is so sweet and genuine and honest, it gets me going better than any spicy reply you could send me.

I cannot imagine any better than that.

Oh wow.

Really?

Yes. Other people see "oh ok" and think you are bad at sexting. But I know it's because you just got so hard there was no more blood in your brain to think of a reply.

Ok?

Okay

I love you very much.

I love you too.

And I don't care about TMZ. It is creepy yes, but all they found out was I celebrate Russian holidays and am dating someone. It will blow over soon, I am sure.

Oh my god, they know. It's all over twitter

There are so many posts about our stupid nicknames! We shouldn't have made them so similar to our names!

It's like 3 people. It's nothing.

I'm freaking out.

It is NOT 3 people! Some of the tweets have hundreds of likes!

Shane it's nothing

They are acting like they know the truth but they don't know. They have a couple pieces of the entire puzzle and say "oh my ship is true yay" and the rest of the world sees these tweets and thinks they are crazy.

You really think so?

Yes. This will be over soon. Just don't reply to any of these comments, ok?

I really don't like it. This could just keep getting worse, and we won't know until it's too late.

You want me to make it go away sooner?

What? How?

I think I know what to do, don't worry!

You THINK???

Not great

Wild night for you

Was fun though, yes?

Yes. I can't believe Rose got me to drink

And I can't believe you didn't talk me out of tweeting all that stuff

Eh I was having fun!

You weren't saying anything crazy, just silly

Yeah and I'm sure there won't be ANY fans that dig into every word we said 🙄

Will be fine. You worry too much.

Drink some water and go back to sleep, I'll handle the hollanov hoard ♥

Did your Montreal girl really pop on twitter for a hot minute just to argue with Hollander's girl?

Yes. She was drunk, thought it was a funny idea

Whyd she delete her account?

She is shy. She sobered up a little and changed her mind

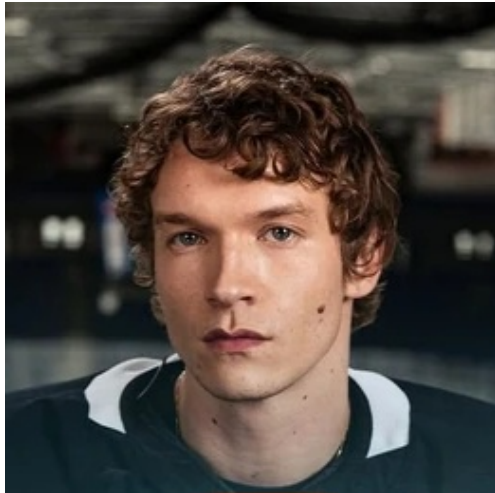

Damn

Wouldve loved to get to chat with her a bit, youre so secretive about her!

I couldve done you a favor and given her some sexting pointers too 😂

Today 9:06 AM

Sooo... don't freak out

What

Seriously, don't freak out, okay?

What

Shane just tell me

Rose kind of figured out who you are

But she's not going to tell anyone! I promise, we can trust her!

Oh

Is ok

She would never ever betray us, she's not like that

It is?

Yes. She is good friend. I trust her

How did she find out?

I'm not completely sure. I think she just put a bunch of stuff together. What I've said about you, your tweets, whatever you guys talk about in the wag chat

Queen chat. Wag chat is something else, so boring.

Well whatever. I think she just had enough information to fill in the blanks.

When she asked I froze up, I didn't know what to say

Hm yes

You are terrible liar

Liar

Stupid English

And I'm not that bad

Shane

You are worst liar I have ever met

So bad at it people take pity and don't tell you how bad at it you are

Like a child losing a game and everyone says oh yay you did it you won

But child didn't win anything

Well whatever. I am sorry though. I didn't mean to get you outed at all.

No need to be sorry, is ok. This is not really outed. 1 more person knows. That's ok

But I need to go now

I have actress to threaten

Wait what?

Ilya???

Rose 

Today 9:47 AM

So

You know my secret

Congratulations

Now you don't need to fear half the population anymore

Just me

First of all, I'm not and never have been scared of you

And second, you don't need to be afraid of me either.

How could I be scared of person who got kidnapped 37 times?

I'm serious though, your secret is safe with me 

How did you figure it out?

Mm a bunch of stuff honestly. I knew you were an ESL guy in Boston who rooted hard for the Raiders. Then I saw that stupid TMZ article about you texting a "Jane" and the way Jane was texting you was super familiar, and you said you were spending the holidays with Shane. During never have I ever you said you'd been on a magazine cover before. The way you chirp the other hockey players on twitter.

And I also mentioned something about your friend Svetlana being super pretty and drunk-Shane made sure I knew she was just a friend to you lol

He is more jealous than I am I swear

Yeah I can see that 

Did Shane tell you why I can't come out yet?

Yes and I PROMISE no one will hear it from me 💕

And if you guys need any help with anything just let me know

Like what?

Like... distracting the twitter mob or going on another date with Shane or something.

Seriously though

Thanks

Lily
