Ever since I left the city, you
Got a reputation for yourself now
Everybody knows and I feel left out
Girl you got me down, you got me stressed out
Cause ever since I left the city, you
Started wearing less and goin' out more
Glasses of champagne out on the dance floor
Hangin' with some girls I've never seen before

You used to call me on my cell phone
Late night when you need my love
Call me on my cell phone
Late night when you need my love
I know when that hotline bling

2017: the year of ottawa

ESPN: Hockey trade experts say they're 'baffled' by Rozanov's move to Ottawa, which has been labelled one of the most bizarre trades in hockey history...

Liz Keating (Boston PR)
Hello Ilya, just letting you know that the official Boston Bears twitter account will be posting soon to announce the trade. We're going to do as much damage control as possible behind the scenes, and will monitor the situation online. Don't worry, let us handle things.

@BostonBearsOfficial ✔️
We are sad to announce that the 2017-2018 season will be our Captain, Ilya Rozanov's, final season with the Boston Bears. We have loved our Captain for many years now, but we wish him luck with his new team, the Ottawa Centaurs in the 2018-2019 season.

This is amazing, Ilya. Very exciting. As for social media, people seem a bit confused by the Shane Hollander aspect of it, but lots of people seem excited by the charity! Maybe don't post anything else yet and we'll see how it goes😁

Hi Ilya. I'm so sorry this has happened to you and Shane, I wish I was contacting you under better circumstances. People are so awful and have no respect for privacy! I'm here to help in any way that I can, me and Farah have been communicating about various plans and statements and we'll get something sent over by EOD. Best wishes to you and Shane.

in all seriousness tho, i hate that this is how we found out. there's nothing worse than being

outed before ur ready, especially for two hockey players. not to mention ilya is from russia!!! i really love this account and this fandom but i feel so bad for them i think i might take a few days off tweeting about this, or at least until they make a statement themselves. idk it just feels disrespectful because of the circumstances of their outing. thanks everyone, bye for now! <3

We are aware that a video has been circulating that unintentionally showed us both in an intimate moment, we do not blame Hayden Pike in any way for what was an unfortunate mistake.

Although having the decision to disclose our relationship made for us isn't ideal, we would like to announce, officially, that we are in a committed, romantic relationship for several years. We wish we could have told you in our own way, but we don't hold this unfortunate accident against Hayden.

We know that our relationship will be difficult for a lot of people to accept and understand. We have never let our personal relationship interfere with our competitiveness on the ice, and we believe our career achievements show that very clearly. We've always kept personal and professional seperate, and we hope that our teams, our fans, and the league can do the same.

Thank you,
Shane and Ilya.

I would say no one is more excited that me to announce this, but this was his husband's face on the first day of training...

Ilya Rozanov Apology Video (BTS)

Ilya: I need incentive to do this.

Harris: The incentive is that you don't get fired, Ilya.

Troy: Where the hell did you learn that word?

Ilya: Where do you think?

Ilya: [*smirking*] My husband likes to reward me. Like dog.

Troy: You just called yourself a dog, and you're happy about that?

Ilya: For Shane, yes.

Ilya: *Woof, woof-*

[cut]

Ilya: [*reading from a piece of paper*] I want to apologise to anyone offended by my actions. I did not realise I was being recorded-

Ilya: [*looking up at the camera*] What the fuck?

Ilya: No, actually, I am not sorry.

Ilya: Is not my fault someone video me saying these things. They should do apology video, not me.

Harris: [*off camera*] Yes, Ilya, I agree. However, you then reposted said video on your twitter account with millions of followers and captioned it-

Ilya: [*blowing a raspberry*]

Troy: [*off camera*] Stop being a dick, Roz.

Harris: As I was saying, you captioned 'I said what I said'.

Ilya: [*shrugging*] So what?

Harris: So, you were recorded in the video telling Shane you wanted to lick his-

Shane: *Okay!* Let's not repeat it anymore times than we have to, please.

Harris: Anyway, I don't think I need to explain why that's not an appropriate thing to post on your official *work* social media account, do I?

Ilya: [*groaning*] I am not sorry for saying I want to fuck my husband, it is true!

Harris: *Ilya!*

Ilya: What? I am not allowed to want to love my husband out loud anymore?

Ilya: This is homophobia.

Troy: Roz, I swear to fuck-

Ilya: Is discrimination. Against me.

Harris: [*sighing*]

Ilya: Harris, have mercy [*pouting*]. He is too hot. Look at him, Harris! Look at his freckles. How can I resist-

Shane: [*off camera*] Ilya.

[Ilya's mouth snaps shut. He rolls his eyes but huffs.]

Ilya: Fine. I will read what card says.
