Love Loudly

by [alwaysonyourleft](#)

Summary

Shane asks Ilya how many sports cars he owns. It should've been a simple question. He has approximately one hundred complaints about it. Ilya enjoys every single one.

Notes

Hi, it's been a while. I've been busy with life but mostly I'm trying to make sense of how the fandom has changed over the last few months. It's exactly why people can't have nice things. Safe to say that I'm not leaving, only taking a necessary break. As long as there's accountability taken, I'll be touching the grass and be wise. I'm still stoked for season two and I can't wait to be back at the cottage. See you there!

See the end of the work for [more notes](#)

today 1:15 AM

How many cars do you actually own?

can't sleep?

I'm serious.

eight

Eight?

maybe nine

Who forgets their own cars?

it happens.

No. It absolutely does not "happen."

you're very worked up, Hollander

Because it's ridiculous.

you asked no?

you underestimated me

I underestimated your ability to say no to expensive toys.

they're investments, mr landlord

They're cars.

beautiful cars

it moves

Oh does it now?

yes, Hollander

You sound like every rich guy who's ever justified buying something unnecessary.

do you want to know something?

What?

I could buy anything I wanted

That is exactly the problem.

anything

1:16 AM

Please stop emphasising it.

anything

You're insufferable.

Don't heart me.

I'm going shopping

No.

ah does it now?

I know you.

Rozanov.

I'm warning you.

Ilya

it's bad

Yes it is bad, Rozanov.

You should stop it.

Who need ten cars in their life?

no Hollander how do you sent receipt?

what receipt?

ILYA

open it

IS THIS REAL?

Jesus, you got me Cartier?!

I told you

told me what?

I can buy anything I want

You're actually using me to make a point.

yes

You're insufferable.

thank you

THAT WASN'T A COMPLIMENT!

How much did this cost?

it's worth every dollar

I swear to God.

it sparkles

I'm going to throw it back to you

you said I buy unnecessary things no?

SO YOUR RESPONSE WAS TO BUY ME JEWELRY

Hollander you're having a panic attack

You're not helping.

you still haven't said thank you

It's a diamond earrings!

very nice diamond

That's the most Russian things I ever heard from you.

1:17 AM
are you sure?

I can do better

Don't.

don't what?

Distracting me.

I can multitask

You have a shopping addiction.

multitudes Hollander

I hate you.

you miss me

I'm ending this conversation.

no you're not

Shut up Rozanov

you love my mouth

Ilya

Shane

I can't wear them.

yes you can

Most leagues banned jewelry during games.

so?

who cares

take it out before games

That's not the point.

You bought me something I can't even wear half the time.

you'll wear it

you like me

You don't know that.

and yet here we are

Here we are because you have too much money and not enough restraint.

exactly

You're enjoying this Rozanov

You know what bothers me the most?

that I'm right?

No.

Well, not just that.

go on

1:18 AM

I'm not annoyed enough that you pay attention to stupid little things.

You didn't get me anything flashy.

You just got exactly what I'd pick for myself.

so yes?

No.

It's an impractical purchase.

you're still on that?

Hollander I didn't buy it for games

Then when?

dinners

vacations

summer

days off

when we're together

thats plenty of times yes?

You're making this difficult

wear it yes?

Maybe.

good boy

I said maybe.

I'll take maybe

Don't get used to it.

too late

I already won

End Notes

I hope you guys will enjoy it. I'm sorry if it's too short. I'm trying a new format but if anyone is interested for it to be a series, I might consider it. Don't be shy to leave your feedback in the comments section. Thank you :)
