Ilya Rozanov's 2017 Dating Wrapped

by [forjodssake](#)

Summary

Ilya Rozanov has shared a file with you: Sex_statistics_presentation_2017.ppt

(or: Ilya drops a bunch of hints about his love life to his teammates. They do not pick up on them)

Notes

this came to me in a dream and is so stupid but I had to do it. Was Dating Wrapped a thing in 2017? Is this fic canon compliant with timelines? do these hockey teammates have names in the show? no, hardly, and other than Marlow no — but whatever we're just having fun

spiritually this fic owes a debt to the blockbuster [please leave a message](#) which i assume everyone has already read but if not - get on it!

See the end of the work for [more notes](#)

Cliff Marlow

At least it's more interesting than Victor's

Victor St-Simon

I'm sorry I have a gf I love very much???
