Exclusive: Steamy Night Out With Hollanov

Published: 1/4/26 **11:30 AM EST**

Updated: 1/4/26 **2:20 PM EST**

Ilya Rozanov and **Shane Hollander** fans are feeling the heat! – The two hockey players were spotted out together being **VERY** intimate.

In what can be described as a wild night out, a few members of the Ottawa Centaurs were seen celebrating a big win against Buffalo. Teammates **Troy Barrett**, **Zane Boodram**, and **Luca Haas** joined the celebration. Eyewitnesses report that the night was filled with lots of drinking as well as heavy laughter from the captain and his husband.

Onlookers noticed the duo heated things up on the dance floor with their cozy embrace. The couple danced the night away in a corner of the club, unaware they were being filmed. The viral moment of Ilya cupping a feel of Hollander's backside makes its rounds on Twitter. Multiple accounts are tweeting their reactions to the sighting. One fan tweets, "I didn't know Rozanov got down like this!" A Twitter frenzy began with how "freaky" this couple was.

Amid the Twitter storm, Ilya took to the platform himself, responding as nonchalantly as possible, "What happens at the club... stays at the club, right? 😊"

With so much talk surrounding Ilya's and Shane's nightlife adventure, fans are eagerly waiting for what the duo will do next. Stay tuned as we keep you updated on the latest happenings with this pair!

Video Below:

The club is practically full, but Ilya and Shane have made a space for them in the corner. A loud murmur is heard throughout, lights flashing as 'You' by Llyod plays. Both athletes look a bit drunk as they dance, mostly Shane with his blush-stained cheeks. Ilya and Shane had semi-coordinated outfits, Ilya rocking a black t-shirt and black jeans. (his jacket long gone) While Shane is wearing a white shirt with dark-washed jeans. Ilya's hands are tightly gripped around his husband's waist as their bodies move together. The rather stiff-bodied Shane danced with no problem. The alcohol definitely played a part in that.

A huge grin was on Shane's face as his husband sang the song to him. Shane had one arm wrapped around Ilya's neck as they moved side to side. His eyes never leave the ones in front of him. Eyes filled with hunger as they continued to stare at each other. Ilya looked to be mouthing, "You're just my type," lazily as his hands began to move lower. Shane pushed their bodies closer to whisper something into their husband's ear. Seeming to excite the other party, causing him to pull Shane into a lustful kiss. Their teammates cheered them on, shouting "Hollanov! Hollanov! Hollanov!"

A pillow is thrown at Ilya, knocking his phone out of his hands. "Get off Twitter!" Shane's distant voice is heard from the bathroom. "You're making it worse."

Not only did Shane have to deal with a killer hangover, but he had a dumbass on their bed responding to fans. For the past two hours, Ilya has made it his mission to respond to every tweet he and Shane have been tagged in. "Don't get jealous, I'm talking to other people," he chuckled, picking up his phone. Shane, after fully waking himself up, has been trying to calm himself down from the embarrassment on the internet. Seeing himself in a drunk daze... God, he couldn't believe he'd let himself get that drunk. Shane had no recollection of the night until his phone started pinging from various social media platforms.

His husband didn't make it better. People began to tweet about Ilya's replies to fans. Shane audibly groaned as his timeline updated with more tags from each platform.

"You asshole! You're having fun with this," his own voice began to hurt his head.

“I’m doing...” Ilya thought as he translated in his head, “Damage control.” Another chuckle came from the bed as he continued on his tirade on Twitter.

Shane looked at his husband in disgust. “I hate you,” his venomous glare continued as he left their shared bedroom on the hunt for ibuprofen.

“I love you!” Ilya shouted out as he continued to type on his phone.

“Fuck you! You fucking asshole.” Shane’s monotone voice could be heard echoing through their hallways.

End Notes

I just know Ilya likes teasing Shane on Twitter ;)
