Notes

This is just a stupid drabble so I can practice html coding, but I finished it so I'm posting it! My school gave us exactly one HTML coding class in like the sixth grade that I've only ever used on ao3 (my education has served me well) but this is completely credited to Azdaema Codes (Azdaema): info on how to make this ios workskins here <https://archiveofourown.org/works/22703617/chapters/58468126>

make it make centaurs

Today, 9:21 AM

Bood

Okay bitches it's time to plan the next Bood's BBQ
I'm thinking last weekend of the bye week (either Saturday or Sunday lmk which you'd prefer), if that works for everyone? All-Stars will be over and hopefully most people will be back from your vacations
But let me know if you can't make it SOONER rather than LATER cuz we don't have much time to plan
(kids welcome, dogs welcome, etc)

Dykstra

me and cait are in as always! either day works! cait's offering to bake a pie
dibs on making the playlist 👍

Hazey

Dibs REVOKED, absolutely not, we're not doing this again
But thank you Bood! Lisa is only free that Saturday, but she could swing by after her shift if Sunday is the only day that works for everyone.

Barrett

Is Harris invited?

Bood

Dude, of course Harris is invited. Harris was invited before YOU were invited.

Barrett

Okay. I can make either day. Harris will bring cider.

Bood

I can always count on my boy Harris
Okay seriously @everyone can I just get a role call and a yes to Saturday?

Dillon

Yessir 🤔

Chouinard

Saturday's better for me!

Young'n

BOOD BBQ!!! BOOD BBQ!!!!

LucaHaas

Yes I can make it :)

LaPointerDog

Fuck, I can't, sorry, litterally not back in town till the morning of the game

Homleboy

all the way @Bood! happy to bring anything!

Bood

Okay, great all, Saturday it is!

Hazey

Wait, is Cap coming?

Bood

Of course cap is coming, ever since Hollzy joined the team when is he not coming?

Young'n

SHUT UP SHUT UPPPP HES GONNA MAKE A SEX JOKE

Hazey

Damn, we walked right into that one, Bood 😞😞😞

Barrett

@Young'n @LucaHaas @Holmeboy cover your eyes, young ones

Bood

I apologize in advance.

Today, 9:58 AM

Bood

Nothing? Did we dodge a bullet here?

Young'n

caps afk were all safe 🎉🎉

Dillon

Gosh, I'll regret asking when I'm inevitably mocked for this, but what's "afk"?
"as fuck ____"?

Holmeboy

LMAO IJBOL

Young'n

LaPointerDog

Young'n

LucaHaas

Dillon

Hazey

Haas is everyone's favorite (I know this one! @Dillon: "away from keyboard")

@Barrett, @Dillon, and @Chouinard liked this message

Bood

I forgot he and Hollz just never check their fucking messages on the weekends

Dykstra

wonder why that is lmao

Chouinard

Ew.

Young'n

HOMOPHOBIA???

Chouinard

Shut up, rook.

Bood

Except seriously, I need a headcount.

Everyone shut up.

@CapnRoz @Hollzy Trying to get a headcount for a last minute bbq! You guys in?

CapnRoz

ah i see you are all still being idiots

but also yes, haas is favorite of course

and we will have to see, sorry, do not know if we will be free

very sad for all of you if we cannot

will be so boring without us

and hotness levels will be at record lows

sorry :(

Hazey

Geez, tell us how you really feel cap, lol

Young'n

the fuck you mean you don't know??

CapnRoz

@Dillon afk is away from keyboard loser

Barrett

Roz, you are not young, you are not hip

Young'n

go to bed grandpa lol

CapnRoz

im benching you for rest of season, sorry 🙄

Bood

Just checking: are you just mocking us or you guys actually can't make it? I didn't think you guys were going on vacation or anything.

But no worries if not!

CapnRoz

shane is sick 🙄

if he gets better, we will come, if he does not, then he will want to be sick and pathetic at home and not spread germs

everyone send love to my poor husband 🙄🙄

Hazey

Aw, sorry guys, that sucks! Hope he feels better soon!

LaPointerDog

(hollzy can get sick???)

Young'n

(i know, right?? i was thinking the same thing!)

Holmeboy

(It just seems like he would be above that?)

(He gives superhuman vibes yk?)

Bood

Sorry to hear it, cap! We'll set aside some leftovers if you can't come!

Barrett

Is everything good? He seemed fine at All-Stars. Harris is offering to bring you guys some cider if you want any, he swears it's good for colds.

LaPointerDog

(harris stays reading our texts over troy's shoulders lmao)

CapnRoz

yes he will be fine

thank you for leftovers

and yes, shane is superhuman, he can control his immune system, it is genetic i think whenever he is going to be sick during the season he politely says "no thank you" and saves it for his next day off like a very responsible boy 🙌

Barrett

Lol.

LaPointerDog

(lowkey don't know if he's joking tho. That sounds like hollzy)

LucaHaas

(I feel compelled to point out that we actually have a younger centaurs chat and putting certain texts in parentheses doesn't do anything about who reads it) But I hope Shane feels better very soon!

Bood

@CapnRoz Yeah, that sounds like Hollzy alright
Rooks, you're fucking killing me

Young'n

no but deadass, how serious is cap being rn?

Holmeboy

Honestly I cant tell either

But Hollzy seems like a serious mind over matter dude so idk

CapnRoz

i am being very serious

spends the first two weeks of every summer sick like a dog

ruins every vacation 😞😞

he thinks hockey is more important than spending time with lovely husband

Barrett

Hollzy has a lovely husband?? Where?? Since when??

You guys would be on my way back from the pharmacy!

CapnRoz

Zane Boodram

Today, 4:16 PM

Shane Hollander

Hi Zane, sorry, I wasn't looking at my phone yesterday. I apologize.

I am feeling much better today, however, and I wanted to let you know that Ilya and I are planning on attending your barbeque on Saturday.

I am asymptomatic and no longer contagious, and Ilya doesn't seem to have caught the bug I had, but we would understand if you would rather us sit this one out.

(And sorry again for my husband)

Hey Hollz! Glad you're feeling better, would definitely love to have you!

And don't worry about Roz! You don't have to apologize for him, it's all good!

Shane Hollander

Thank you.

Please let us know if we can pick up anything for the BBQ. I know Harris is bringing cider but maybe wine? Ilya might bring vodka for himself, but I will make him share if the WAGs want to host a cocktail corner.

Sure, that'd be great

As long as it won't irritate your throat, Hollz!

Shane Hollander

...

I hate this team.

I'm sorry, I had to! 😂😂😂

Shane Hollander

You did not.

Shane Hollander

Thank you for the invitation anyway. We will be there.

You are always welcome, Hollz. See you Saturday!

End Notes

this was fun but WOW it took forever. Sort of meditative tho lol, I might try and do some twitter fic next. Thanks for reading this little experiment, I hope you chuckled or at least breathed out through your nose
