Nice Men in Montreal

by [canadawett](#)

Summary

Shane makes a list: reasons to Come Out on one side and to Stay Safe on the other. It's definitely not meant to accidentally star in the background of his mom's Instagram post for fans to find.

But now that the world knows, maybe Shane can finally let himself have everything he's wanted.

If only Ilya didn't go out and get engaged the next day. Which is fine! Rozanov was settling down? Shane could settle down, too. He would find himself a nice man.

Got to Shane's safe. About to settle in and read through this Armani contract.

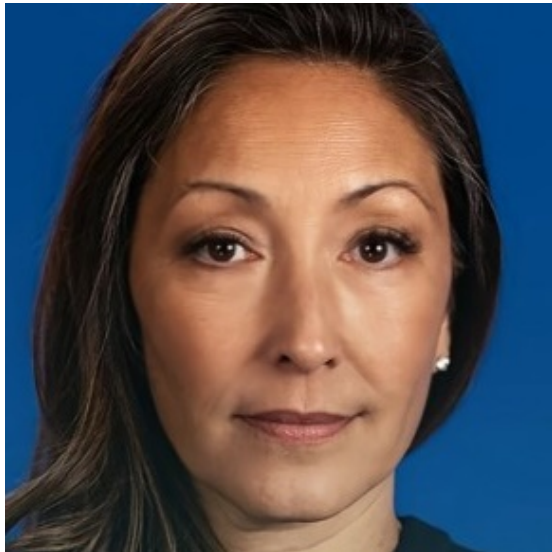

At least he got a good brand deal in the breakup.

Let me know how it goes when he gets home from practice.

I am prepared for every scenario.

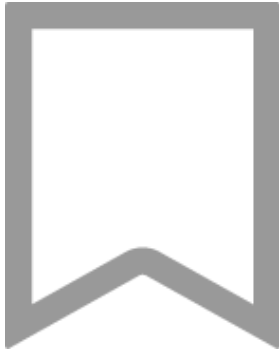

So you bought wine...

Partly to celebrate! Partly to commiserate!

Commiseration all done!

How'd it go?

He was surprised to see me at first. Then relieved. I think he thought I was going to give him some terrible news. And now he's just kind of annoyed. But Shane annoyed. So it's very mild.

I can't believe you're actually disappointed your son isn't heartbroken.

It's his first relationship in eight years!

That we know of...

Don't even, David. Shane's private but he's not secretive. We would have known.

You mean you would have known.

Ha!

He's just busy. Knowing Shane, a serious girlfriend is probably the next step after winning another Stanley Cup. He'll come to us if he wants to talk.

The sound of him opening his second ginger ale and banging around in the kitchen beg to differ!

I just keep thinking... ROSE LANDRY.

If not her...

Okay, counterpoint...

SHANE HOLLANDER

I wouldn't be surprised if he brought home North America's best neurosurgeon. Or, I don't know, an ecologist who's single-handedly brought a species back from the brink of extinction.

A Swedish princess.

Shane's future wife is probably toppling monarchies as we speak.

Watch out, Swedish princesses.

Ugh, you're right. Our daughter-in-law is going to be a force.

For our son? I don't think anyone less will do.

I mean, not horrific. Sorry. I don't know why I said that. It's going to be okay. You have a great support network and you're an incredible person and you're so brave and I am in literal awe of you
And for what it's worth, I've been seeing a really positive response online

Star MLH Player Lists 32 Reasons Why He Can't Come Out (And 5 Why He Should)

Professional men's hockey (very likely) has its first out player in Montreal Metros captain Shane Hollander—whether he wants the title or not.

By Mara McIntosh | Nov 23, 2016, 2:14 PM EDT

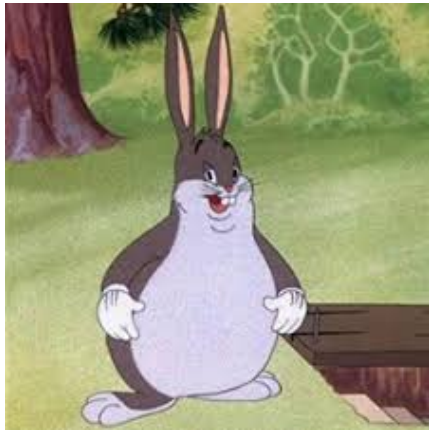

Shane Hollander is used to the spotlight, but it's clear he never intended for his intensely personal struggle to find itself in the uncompromising court of public opinion.

The document that has set the Internet ablaze was shared accidentally by his mother and manager, Yuna Hollander, in a teaser about Hollander's latest brand deal with Armani. What the photo reveals, tucked behind Yuna's laptop, is a handwritten pro/con list. The decision being weighed: whether to come out. It is, in a word, heartbreaking.

On the con side—what Hollander terms "stay[ing] safe"—includes items like:

- fired from MLH + never play pro hockey again
- lose sponsorships (only money, might be ok)
- disappoint fans/friends/coaches/family/everyone (could be very bad)
- legal issues?
- violence?
- spend life alone anyway

Hi Shane, thanks again for the call. I'll recap here. As we monitor the situation, I think it's best if we remain in contact via text.

Jason Stein (Attorney)

Agreed.

Sounds good.

Farah Jalali (Agent)

Great. As discussed, we've broken containment. Recommendation is limited phone use, unless you feel up to it. There's a lot of support pouring in right now--that's encouraging!

Will do. Kind of difficult to see people responding to how pathetic my list was...

Mom

Vulnerable, Shane! Honest!

Farah Jalali (Agent)

Yes! I know it's a total shock, and again, I am so sorry this is how it happened...

BUT!

The public has your back. That's key. People think twice about homophobic comments in and out of the locker room if they know the internet's watching.

Jason Stein (Attorney)

We hope for the best!

Farah Jalali (Agent)

And we prepare for a shitshow.

I expect the shitshow...

Jason Stein (Attorney)

You let us handle that. I know you're not comfortable with legal options but I will reiterate that this path is available to you, in case you need it.

Farah Jalali (Agent)

For tonight... breathe. Talk to your friends, family. The statement is coming tomorrow.

Okay. Yes. Okay.

Last chance to back out now, I guess haha

Raiders edge out 3-2 victory against Montreal

Usually, the score is the least interesting part of a MTL-BOS match-up. Bench-clearing brawls aren't unheard of, especially in the playoff push, but tonight's showing was surprisingly friendly.

By Jordan Guralnik

Dec 2, 2016, 4:18 PM ET

BOSTON, Mass. --In a show of sportsmanship from the captain of the Boston Raiders, Ilya Rozanov made a clear effort to shake hands with Montreal's Shane Hollander during warm-ups before their game this Friday.

From there, the tone was set. The captain's message clear: we're all good.

No doubt, this was in response to the Nov. 21, 2016 post from Hollander's mother, Yuna Hollander, which accidentally revealed a personal note Hollander had written, presumably to himself. Eagle-eyed fans zoomed in on the image, and the list of pros vs. cons for coming out as gay has made the rounds online, garnering support from players, fans, and celebrities alike.

Notable MLH fans Tom Hanks and Keanu Reeves both posted their support, and Reeves was seen sporting a Hollander jersey at a Kings game the week before.

"A player's sexual preference have nothing to do with their game," Rozanov said after the home ice victory. "Tonight, we beat Hollander and the Metros because we have strong transition players and Montreal only has Hollander and a good goalie. Metros have never lost because their best player is gay. Which I am pretty sure he has always been."

Following the game, Rozanov shared an additional message with his 3.2 million Instagram followers. "I have donated \$8,100 to Boston Pride Hockey. @itscliffmarleau tag, you're it! Hockey is for everyone."

Since his post, twelve other MLH players have posted their donations and "tagged" another player. So far, \$54,000 has been donated to LGBTQ organizations.

Hey Ilya

I'm sorry about leaving. Up until that day, I thought the scariest thing was being outed and then it turned out I was equally as afraid of feeling things for you you didn't or couldn't or didn't want to feel back. And then when you reminded me you liked girls, it just felt like you were confirming I would always have to share you with them. I don't know where we go from here but if you want to try, I want to try

I'm Jessie btw.

Sure, why not 😊

Wowwwww. A ringing endorsement. I meant it about no pressure!

Sorry, at practice.

Yes, let's do it!

Go out, I mean!

Haha I just checked your schedule and what about Thursday? Lunch? Even less pressure.

Wow, that's really thoughtful of you.

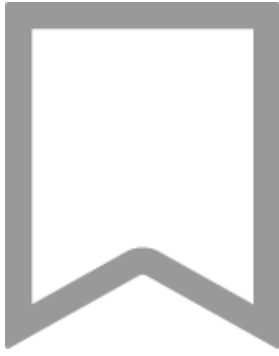

I'll forward you the info for my favorite place. Vegan. I think you'll like it.

Looking forward to it.

This may be a dumb question I regret asking but when you stay over at someone's house do you bring your own pajamas or are they provided for you? What's the expectation?

And toothbrush? Will he think I'm trying to take over his space if I bring one?

Why does the internet designate a separate weekend fuck bag? Why can't I just bring a regular bag?

Wow, Ilya Rozanov fucked you up bad huh?

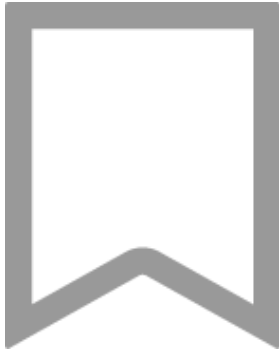

Toothbrush yes. Wear his clothes. Bring whatever bag.

When can dad and I meet this new boyfriend? It looks like it's getting serious.

I don't know. I'm asking him to tone down the instagram posts.

He's a great guy, but I don't know if we're making any sort of long-term plans yet. And I really don't get to see him that often. We mostly text.

You're getting to know each other. We'll be here when you're ready.

Hey, I just wanted to say I'm sorry about last night. I'm going to do some reading up on BDSM culture and see what I feel comfortable with

Wait, what? What do you mean BDSM culture?

Oh, sorry, I assumed. I guess I was just referring to the things you wanted me to do?

Like sex?

The sex I'm good with! The spitting, the spanking, the insults... not so much

It looks pretty terrible when you put it like that!

But I don't think I asked to be insulted?

I mean, you told me to be meaner to you? To make you cry?

Right, that

I'm really, really sorry. We really, really don't have to do any of that

Lol give me one more really

Really!

I can try doing some of that... but I don't want to hurt you

Even if I like it?

If I say yes, will you be disappointed?

No

I'm so boring!

You're really, really nice! I'm the one who's boring
Shane, you are the most adventurous guy I know BY FAR

even sadder for you because i do not care

but they don't see these fucking 2 am sexts you send me

and they don't see you cry when i make you take me when you're whiny and sensitive

*made

oops my english... not so good

what would they think hollander?

if they knew one time you scooped cum off your stomach and said here use this, i'm out of lube

or that you like it when i press on your bruises

He's caring and kind and thoughtful too!

Those are all just variations on nice

Because he is!

Sorry, your feeble protests are lost on me now that I have seen this man's abs. Abs that I know you have licked, Shane Hollander

Abs belonging to a competitive, sardonic, cocky, self-assured but stupidly sensitive asshole

Aw, tell me more about how terrible he is, Shane!

Whose side are you on?

The loungewear is navy but it can be any color you think is hottest.

Navy's good.

i would say what is this a fucking ad?

what's that?

Russian mafia

you just bought the apartment next door but you're in trouble and you need somewhere to hide out for the night

i am so lucky that my new neighbor is home and has a spare pajama set from the 2016 fall collection then

i hate every single goddamn beauty mark on your stomach
i hate all the freckles you don't even know you have
really? i kind of hate them too
no not really
shut up shane
ilya i'm so close
i hate when you bite your arm like it's going to make you quieter

Hello, Shane Hollander. Ilya doesn't know I am texting you, and I would like to keep it that way. I stole your number off his phone. I am asking as his friend that you stop torturing him. You might think Ilya has an endless capacity for heartbreak, but I don't. I can't keep watching him reach for someone who thinks it's fun to slap his hand away each time. He would abandon his home for you. I hope you know this. If pressed, he might risk prison. He'd definitely quit hockey. I don't think you're the kind of person who would use this information against him. Don't prove me wrong. So. Two choices, Hollander. Either love him or leave him alone.

Ilya Rozanov's Top 5 Things

By Lisa Rauss | April 6, 2017

The Boston Raiders are on fire. So is Captain Ilya Rozanov. Luckily, we got him to take a quick dip.

We sat down with Ilya Rozanov for a semi-serious but mostly silly interview that began with the five things in his desert island bag.

Here's what he said:

1. One crate of Jewel of Russia vodka. (Not sponsored. I just like it.)
2. A tape of 2008 World Juniors final game to motivate me to get off the island and beat Canada. Again.
3. Nintendo 3DS with Mario Kart and Pokemon game.
4. [redacted] 😊
5. And Anna Karenina. It was my mother's favorite book. A good bedtime story when you're little, but I've been wanting to go back to it as an adult. No spoilers!

ilyarozanov81 An unexpected surprise this morning after a hard week. Thank you. Maybe there is alternate universe where you have met each other. I hope it exists. I hope you are happy there.

I wish I had met your parents under better circumstances lol
You were asleep when I left, but I'll come back a little later.
Ilya Rozanov came to visit you, by the way. You were pretty out of it, but he looked kind of devastated. But also happy you weren't going to be in the playoffs. 🙄 You pro athletes take your competition way too seriously!
Thanks, babe! I'm feeling a little better. Limited screens though.
Of course! Love you!

met your boyfriend while you were in the hospital
didn't mean to obviously
i didn't say anything to him but you were a little grabby, wanted to hold hands
don't worry, he just thinks you are being nice

I don't want to do this over text, but I know you're traveling and I have a busy stretch coming up, so I think it's only fair we don't drag this out any longer.
You're breaking up with me.
Yes
Tell me what I can change, and I'll do it. I'm really coachable and good at taking direction.
This isn't hockey. And I can't make you un-fall in love with your ex.
Rose? We are literally just good friends. Totally platonic.
No, Ilya.
Hahahaha oh my god. Ilya is not my ex boyfriend.
Practically crying at your bedside is total bro behavior, I'm sure. Maybe I'd think that if I hadn't seen the texts. "He just thinks you're being nice."
Okay. He's just a guy I used to have a thing with. A handful of times.
Right. Whatever he is, I don't think this is fair to me or you or him either. It's his instagram you're always checking, right? He's who you've been texting.
I stopped! I'm stopping!
Shane, there's nothing to salvage here. We had a nice time. It didn't work out, and I suspect you'll have a much easier time moving on from me than you have with Ilya. Which isn't a dig at me, btw!
More like a dig at you lol
Because you're obsessed.
It's so clear now.
And I can't decide if I need to find a guy as obsessed with me as you are with him or if I need to stay 1000 ft away from that kind of frankly exhausting relationship.

It does kind of feel like staring at the sun...
And yet you keep staring! So there must be a reason. Go figure it out! I have dogs to spay.

Oh, Shane, are you sure you don't want to fix things with Jessie? He was so sweet.

Mom, please do not show up with wine. Unannounced. Again. I am fine, and it's okay that Jessie and I broke up. He's a good guy, but not for me.

Your dad has more friends and coworkers with eligible sons. We'll find you someone! Vogue is in my inbox ready for a boyfriend photoshoot/feature.

And how do you feel about jewelry? Bvlgari is interested.

Mom!!

Okay, okay. Nurse your heart, my baby.

I miss the days when you were more worried about my ankles... or my ribs... or my head...

Shane, honey, I was always most worried about your heart.

I am about to do something very stupid, I think, and this is my last chance to be talked out of it

No 💖

Some of us got to be very stupid as teenagers while you were waking up at 5 am to practice

You have not even BEGUN to fill your stupid quota

But this is a step in the right direction

You don't even know what I'm going to do
I can guess it involves a certain star-crossed loverboy
In which case what you're about to do is not stupid at all

Ilya's Scary Friend (Boston)

Sat, Mar 11 at 4:33 PM

Hello, Shane Hollander. Ilya doesn't know I am texting you, and I would like to keep it that way. I stole your number off his phone. I am asking as his friend that you stop torturing him. You might think Ilya has an endless capacity for heartbreak, but I don't. I can't keep watching him reach for someone who thinks it's fun to slap his hand away each time. He would abandon his home for you. I hope you know this. If pressed, he might risk prison. He'd definitely quit hockey. I don't think you're the kind of person who would use this information against him. Don't prove me wrong. So. Two choices, Hollander. Either love him or leave him alone.

Fri, Jun 16 at 5:36 PM

I love him

Of course, you do, Hollander. He is very easy to love. I hope I'm not the only person you are telling this to...

You're not. Or you won't be very soon

Lily

Sat, Jun 17 at 8:32 AM

did you leave?

i'm down the street. the hotel didn't have the protein shake i like

hurry up

bed is cold

you're such a baby

soon they will amputate

literally ten minutes

and before you ask, i did grab you a "breakfast sandwich" with pancakes instead of bread. it is 1,200 calories and contains 56 mg of sodium but 0 macronutrients

it's 8 am hollander. too early for such sexy sexts

my cottage is a no saturated fats zone, so i'm warning you to get your fill now

such a good boyfriend. i will live to be 100 and you will never be rid of me

good. i'm done dating. i tried it, i didn't like it. it's you or no one

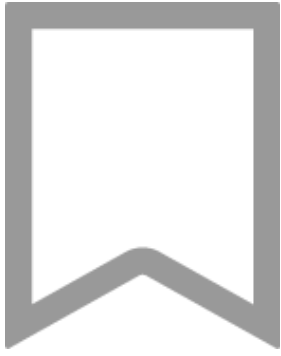

i hate that no one else knows how absolutely 100% crazy you are

oh really, rozanov? because i think you love it
