Summary

real hollanover @twentyfour

guys why does every member of the hollander-rozanov family like to lick shane's face :0

Notes

See the end of the work for [notes](#)

Are you at the grocery store?

You didn't wake me up :(

Can you get me my cereal?

Also come home quickly.

Ilya

I am

You haven't been sleeping well, I wanted you to sleep

Already got your boring cereal

I'm coming home

<3

mary @mary2006

Wow just saw Ilya Rozanov at the grocery store he was so intimidating I couldn't even say hi
wow

jaks @hkybf

ilya rozanov husband material except he's actually married damn you shane hollander sleep with one eye open

Mark @hockeyfanmark

Do Rozanov and Hollander ever do anything together other than skating

> **Mark** @hockeyfanmark

They're supposedly married and don't even go grocery shopping together

roz gf @sabisabri

you guys can't blame 2481 for being private about their relationship

> **mary** @mary2006

Replying to @sabisabri

Right! Imagine being outed and exposed in this industry like....

> **roz gf** @sabisabri

no really... you can't blame them at all

r/hollanov 1h ago

@Rush_of_blood

Why are Shane Hollander and Ilya Rozanov so reserved

I admit I know absolutely nothing about hockey and I don't care about it enough to deepen my knowledge. But ever since Hollanov got outed I've been keeping an eye on their story hoping to catch some romantic action between them. LoL imagine my surprise when nothing happened... like at all.... They never go out, they hardly ever post pictures together, they

don't share anything, they simply interact on the ice (and even that looks pretty ordinary tbh). Why are they so reserved, are they even affectionate at all?

> **@hollyholly**

They don't owe you anything. They got outed ffs, Hollander literally had to leave his team. It's understandable that they might not want to share their private life with randos like you on the internet.

> **@whatthehuh11**

Yo my thoughts exactly!!!! Even when they got married there weren't any pictures circulating online..... Are they even truly together

> **@hollan0000000000005**

You're so mistaken. They aren't hiding anything, you just don't know where to look. There's plenty of evidence that they go out together sometimes, and it's obvious that they're affectionate with one another. Not every relationship has to be super loud.

> **@Rush_of_blood**

I think Rozanov is really good at showing his affection. Hollander on the other hand....

59 @whatthepuck

no bc they might actually be divorced haha

marysol @yaoier

Hollanov Divorce Allegations! FIGHT BACK @ hollanov !

Anonymous asked:

ilya rozanov loves shane hollander more than shane hollander loves ilya rozanov and i will die on this hill

Then you will be dead and wrong. Just because Ilya is more vocal about his affection on social media that doesn't mean that he loves more. Every time this topic comes up you losers take a chance to shit on Shane for absolutely no reason. We have a billion clips of Shane

looking at Ilya like a lovesick puppy on the ice, what does he have to do to prove he's in love with his fucking husband whom he has been in a relationship with for years? You seem to keep thinking they owe you a public display of their marriage, so I'm here to remind you that they actually don't. Get out of here, seriously.

#hollanov #shanehollander #ilyarozanov #2481 #centaurs #hockey #seriously don't piss me off

ILYA IS BEING TAKEN AWAY FUCK

Luke @lukas

That's a concussion for sure, if he's lucky

#Hollanov @HockeyHollanov

Look at Shane omg.... I can't imagine how scary that must have been.... He literally flew to Ilya. Praying they're both okay.

[Video of Ilya bouncing off the boards and falling down, unmoving. The camera zooms in on Shane as he's taking off his helmet and quickly making his way to Ilya. He doesn't leave his side even when the paramedics surround them. Instead, he leans down and speaks close to Ilya's face. The video ends.]

Hockey News @dailyhockey

Ottawa Centaurs' captain Ilya Rozanov hit the ice after a brutal collision with Buffalo's rookie Miles. The game will shortly begin again without him.

Hollander will not play the rest of the game.

myriam @24lovers

Hockey News @dailyhockey

Ottawa Centaurs' captain Ilya Rozanov is reportedly in stable condition after suffering a concussion and shoulder strain. He won't participate in the upcoming games.

Could have been much worse

Centaurs  @OttawaCentaurs

Wishing you a quick recovery, Captain. @rozanov81

How is he?

Mom

He's sleeping. I made him lunch and helped him with his exercises. Don't worry too much, honey.

I should be there.

Mom

He knew you'd say that.

You talked about this and agreed you'd play and then come back. He's not alone, Shane, we're right here.

Ok?

Ok.

Thank you, mom.

Hayden

[Picture]

The kids wanted to send a selfie to Uncle Ilya

How is he?

Please say thank you to your kids.

He's doing better.

You know you can text him yourself, right?

Even if he still can't use his phone for long.

Hayden

Maybe I already did

Sure.

Hayden

Seriously! Ask him!

Also, maybe I wanted to check on you too

I think I'm better now than he's better.

Hayden

Ugh

If you need me just call

Thank you.

Ilya

Did Hayden Pike just text me?

Don't be on your phone too much.

I miss you.

Ilya

I miss you

@Miss_Yaoi

What did Hollander say to Rozanov as they waited for the paramedics?

I know I can't bring myself to watch the clip of Rozanov falling to the ice, it was just too brutal. But I have a friend who's into lipreading and also happens to be a bit insane and she has been watching and re-watching the freaking clip and still hasn't managed to get a single word. At this point I don't even think that was English.
