Summary

Shane: omg how did you know im on pain meds? u know everything!

Shane: like how I'm gay

Rose: Shane, don't tell people you're gay right now, okay?

Shane: I know I know

Shane: he said shhhh

Shane: he is so cute

Shane: he held my hand :)

Or: A look into Shane's texts while high on pain meds.

Notes

I usually make my fics more book compliant but this one is fully just a fic of episode 5 so no book knowledge required!

However, suspension of disbelief IS required because Shane being on his phone like this while concussed would be horrible. Don't do that if you find yourself concussed! I just wrote Shane sending drunk texts for my Christmas fic "where the lovelight gleams" and I had so much fun with it that this also appeared lmao

Silly goofy title from Go Go Juice by Sabrina Carpenter
