In love with my boyfriend, not sure what to do about it?

Shane_Hollander24: 1 day ago

Alright. I'll keep this quick, I guess.

So, me, 27(m), Is kind of in love with my boyfriend 27(m). Well, not really my boyfriend. See, I'd love for him to be all of that for me, but that's just not where we at the moment. We're more in the fuck buddies phase. How long? None of your business. Okay, nine years. Nine years we've been fucking. It's been on and off, but that's the rough estimate. I got a girlfriend (not my real girlfriend) for some of it, but that's not really the point.

Point is, I think I'm in love with him. Like, really down bad. Like, I can't jerk off anymore without imaging him pegging me down. I've timed it. I cum x2 faster when his cock is in my ass versus when a dildo is up there. I really think my body only accepts his cock Sometimes, I can only get off in his bed too. Like, my bed is fine, but it's soo much better when I'm in his bed. Maybe I just need his scent around me at all times. Does that mean something? Not sure.

So, anyways, i invited him over to my cottage. It's a really nice place that I always go to in the summer, and Id really like for him to join me. Big whoop. Bad thing, he didn't say yes. He said maybe. In my experience, maybe means no. (My mom used to say she'd 'maybe' buy me candy at the store. She never got me candy at the store) So I'm not sure what to do now? Is it insane to ask again? Will I convince him if I keep asking, or should I just give up?

For context I really don't want to give up. Like that is the last thing I want is to give up. Please don't tell me to give up.

First of all, was the part about your masturbation habits and him dicking-you-down needed? I really didn't find that relevant to your question at all.

Yoursoulismile: 1 day ago

ThoughtThinker: 1 day ago
Alright. Realistically, can we discuss the chances that this is actually Shane Hollander? And that the one he's talking about is Ilya Rozanov? I didn't believe it at first but you all are making me think.

Shane_Hollander24: 1 day ago
Let's not discuss any of that at all actually.

Tieryanqueen: 1 day ago
Yall i just looked at the replies on his account. It's all talking about hockey gear and what it's like winning the Stanley cup LMAO. This is Shane Hollanders real account

Shane_Hollander24: 1 day ago
Fake news. None of that is true in the slightest.
