Notes

Just a short drabble I made now that I'm obsessed with the Game Changer book series. Also, my finals is literally tomorrow. Reminder that english is not my first language and like i said, wrote this literally before my finals exams. Apologies for any grammatical errors. Hope you enjoy reading and wish me luck on my exams. Kudos and comments are highly encouraged!

When Shane found out that Ilya had bought two tickets of the standing section of Sabrina Carpenter's Short & Sweet Tour in Toronto, he was speechless. Shane wasn't really a big fan of Sabrina Carpenter or pop music in general. Of course, he knows her and her popular songs such as Espresso, Feather and Nonsense but that was it. If anything, Shane considers himself more of a Conan Gray's huge listener, considering his Spotify Wrapped is just a full blown Wishbone album in it.

So when Shane realised that Ilya is a Sabrina Carpenter's fan (or a Carpenter, he found out later on), something clicked in his mind but he's not quite sure what it is. Maybe, it's surprising knowing that Ilya's taste in music has been very diverse. Just three weeks ago, Ilya had just recommended EoO by Bad Bunny and Shane actually really liked that song.

“So, why is she arresting people?” Shane asked, a tiktok video showing Sabrina arresting her fans and some celebrities playing on his phone. Ilya, lying down, his head on top of Shane's thighs, looking up at his husband before slightly smirking. “It's sex innuendos, love.” Ilya replied.

“Oh.”

Ilya chuckled for a second before sitting up on the couch next to Shane. He probably needs to explain some Sabrina Carpenter's lore before going to the concert tomorrow.

“Wait, what do you mean that guy from Saltburn dated her and left her? That's a shit move.” Shane said, listening to his husband talk about the story of some songs. “Da, very shit. I only like Jacob Elordi anyway.” Ilya said, sensing jealousy from the man beside him. Smiling, Ilya placed both of his hands on Shane's face before kissing the man desperately.

“Definitely Juno,” Ilya said between the kisses. Shane parted his lips first before looking at Ilya, confused. “God, you're so cute, Hollander.” Ilya laughed before kissing Shane again, slowly unbuttoning his husband's shirt.

“Manifest that you're oversized.” Ilya sang along to the lyrics of Bed Chem as he looked with admiration to his husband there and pointed his finger to his chest. Shane chuckled, knowing what the lyrics and the whole song meant. He has been doing “research” and learning some of Sabrina’s songs in advance. Of course, not all songs. That night, he also learned new songs as the concept went on. “Taste” might be his new all-time favourite song.

The concert was halfway through. Earlier, the moment Ilya and Shane entered the venue, they were swarmed by countless hockey fans who immediately recognized the famous rivals-turned-husbands. Shane was even starting to sign autographs until Ilya intervened with a smile and a firm boundary, "My husband is handsome, I know. Now, let us please enjoy this concert in comfort, yeah?"

As House Tour plays, Ilya took out his phone to record Shane and himself singing to it. Being at the barricade was definitely a benefit as they can clearly see Sabrina performing the song beautifully. Ilya pointed his phone back to Shane who was singing the song as if his life depended on it.

“You definitely want me to enter through your backdoor”

“Oh, fuck you, Rozanov”

Ilya smiled as he stopped recording with his phone, slipping it down his pocket. He wrapped arms around Shane's neck before whispering into his ear, “I might tonight, моя любовь”

—————♡—————

“Is this the part where she arrests people?”

“Da”

Shane wasn't expecting anything. However, everything changed as he saw himself and Ilya being shown on the huge concert LED screens with “YOU’RE UNDER ARREST FOR

BEING TOO HOT” flashing on it. Police sirens can be heard loudly in the background. “Holy shit!” Ilya said, excited while looking back to back from his husband and the screen. The venue became louder as they saw Shane and Ilya on the screen.

“Woah, huge crowd! What's your name?”

“Shane and Ilya!” Shane screamed loudly enough to make sure the singer heard him. He was so sure Ilya was too excited, losing every words in his vocabulary to say anything at that moment.

“Shane and Ilya...What a lovely name. Any of you single?”

“We're married!” Ilya finally able to let his voice out. He screamed as he put his left hand up to show his wedding ring to the camera. Seeing his husband, Shane also put his hand up, showing the ring as he wrapped his other arm behind Ilya's neck. The sound in the venue became louder, reacting to the lovebirds on the screen.

“Shit! Well, I don't really play hockey but I know a thing or two about shooting my shot on hot people. You two are so hot that it made my skirt—”

Sabrina's words were immediately cut off when a piece of her skirt suddenly fell away. Ilya let out a chuckle at the spontaneous antic. Though he had previously seen footage of this exact thing happening at other shows via social media, witnessing it live right in front of him gave him an entirely new level of excitement.

“I guess you two deserve some time alone in my penalty box for that. In fact, Shane and Ilya, you two are under arrest for being so hot!”

It wasn't long until a pink fluffy handcuffs is in Shane's hand. He waves the handcuffs around his finger to the camera before passing it to Ilya. Ilya decided to be mischievous so he handcuffs his left hand with Shane's right hand before pulling Shane's face for a kiss in front of the camera as the instrumental of Juno starts playing.

“Whatever pose she does later, we're doing it tonight.” Ilya said, slightly louder due to the loud music. Shane smirked, loving the idea. He knows the deal and he's excited for whatever it is.

“Oh late at night, I'm thinking about you ah-ah” Ilya and Shane sings to each other as they watch Sabrina performing the song with her dancers, waiting for the iconic moment. They watched Sabrina quickly move towards the center of the stage.

Have you ever tried this one?

Interrupting her song only briefly, she seized a hockey stick from a nearby crew member and dramatically swung it, mimicking a fierce hockey player, before she continued singing.

“No freaky position tonight, I guess.” Shane murmured to the man still cuffed beside him. “You're no fun, Hollander.” Ilya retorted, quickly closing the space to speak right into Shane's ear. Feeling the heat from Ilya's breathe in his ear, Shane tried his best to control himself as Ilya whispers something in his ears.

“I'll make sure we try every freaky position that exists until you can't walk tomorrow, sweetheart.”

“Is that a challenge?”
