Summary

[Chat with Ilya ❤️]

29-Oct 2022 23:10

Ilya ❤️: Who is sexy man I am seeing many pictures of you with?

Ilya ❤️: And why is he touching your waist in all of these pictures?

Ilya ❤️: Shane?

Ilya ❤️: Are you busy sleeping with sexy actor man?

????

Yeah, obviously.

He's great with his tongue.

or; the contents of shane hollander's phone look a lot different in 2022 than they did in 2015.
he's eternally grateful for this

Notes

hi! okay so, firstly, this is like a weird mash-up of book and series timelines/references. everything has blurred into one now, and I was most of a bottle of wine down when writing a lot of this. obviously the section of this fic that takes place in 2022 is post books, as none of the things that happen in the long game have happened in the show yet. spoilers, I guess, if you haven't read the book, but realistically most of you deffo know everything that happens by now 😭

secondly, there's a decent amount of casual misogyny and homophobia in this, especially in the 2015 section. obviously, known feminist shane hollander would never participate in this, but he's also definitely not in a place in his life or career where he feels he can call out any of this behaviour in any meaningful way, so if you're looking for shane to be fighting back during this time period, unfortunately this isn't the fic for you. he's a terrified closeted man in

a career that has a culture of deep rooted homophobia and misogyny who has been trying to keep his head down for as long as possible. it's okay, things get better for him.

thirdly, i don't want to hear a single WORD about my spellings of words like colour and favourite. im spelling it the right way and canadians do this also (as they should) which most of these characters are. idk why you americans like taking letters out of words (i actually do know the history of this but still), you're a very silly bunch. all my love tho 🧡

lastly, FUCK the montréal metros/voyagers

Ilya Rozanov [Ilya ❤️]: Yes! We can finish the season of Love is Blind

Yuna Hollander [Mom]: Thank god. I nearly had it spoiled for me last week at my book club 😬

What?

David Hollander [Dad]: Don't ask. They started it when you were visiting Hayden a few weeks ago. Something about getting married to someone without seeing their face.

Ilya Rozanov [Ilya ❤️]: They get to see each other after they get engaged David! Then they live together for 3 weeks to decide whether they should get married

I'm not sure 3 weeks is enough time to decide to marry someone?

Ilya Rozanov [Ilya ❤️]: That is why it is fun

Yuna Hollander [Mom]: It's very fun, sweetie. We'll explain tonight 💜

Yuna Hollander [Mom]: I've bought a tub of cookies and cream ice cream for you Ilya 😊

@shanehollanderhockeyplayer: Merry Christmas from my family to yours 🎄

End Notes

моя любовь - my love
мои ангелы - my angels

I'm aware that Russian Orthodox Christmas is celebrated on a different day but I think they'd adopt each other's traditions :)

I stuck with the biblically accurate full government name contact for rose. shane clearly wanted to put some respect on her name.

I'm sure you can tell that some of this was inspired by recent events involving the hr cast such as hudson slutting it up in milan

using some of these emojis was very painful for me but i had to keep taking deep breaths and reminding myself who the characters were.
