@chicagoballrrr

Time for family?? Fuck me the NHL is turning into a bunch of pussies

@detroitfan69

The fact that Ilya Rozanov retired before his time just goes to show why they should not allow gays or women in the NHL... someone has to look after the kids!

@hockeymaniac1971

Responding to **@detroitfan69**

Exactly! Rozanov retired because they have kids now! He never would have retired this early if he'd just married a woman!

@marlowfan666

Rozanov's an embarrassment to the sport, retiring to stay at home with the kids and calling himself a WAG

@bbbbbbears1781

WHY ROZANOV WHY

@bostxbxy1

Seriously what kind of man gives up an elite NHL career to change nappies... fucking loser

@thisisilya ✓

To stupid idiot people asking why i am retiring for my children:

1. i am good dad, unlike you all who are spending too much time online
2. have you all seen my husband???

Our favourite family!

[Video attached: Ilya Rozanov is stood in the WAG box watching his husband play. He has his 1 year old son on his hip and his 3 year old daughter holding his hand. All three are wearing matching Hollander 24 jerseys. When he spots the camera is on him, he lifts his daughter onto his other hip. He whispers to both of them and then all three wave at the camera. The camera pans to Shane Hollander who is staring at the screen with a smile on his face.]

@ilyarozfanatic18

never in my life did i expect to see ilya fucking rozanov, the man who checked a guy so hard he had to have four emergency dentist procedures, attend a cens game in the WAG box wearing hollander jerseys and holding a daddy diaper bag...

@gocensgocensx

@Hello!Canada ✓

Check out our new article!

Link: Hello!Canada: are the first husbands of hockey on the thin ice?

Ilya Rozanov, hockey legend, husband of Shane Hollander, father to their two adopted children... cheater?

The now retired hockey player was seen last Saturday night leaving infamous Montreal nightclub arm-in-arm with the very gorgeous Svetlana Vetrova, a Russian Boston girl who Rozanov has been linked with several times in the past. The Russian pair were spotted several times (see pictures below) dancing intimately together. Meanwhile Shane Hollander was photographed in Ottawa with their two children, holding several bags... Taking into consideration the numerous, very public twitter arguments the husbands have been having these last few months... are the first husbands of hockey on thin ice?
