A Little Tattoo

by [SpicyGayChickenNugget](#)

Summary

Ilya finds a small tattoo on Shane's hip during their second meet up.

Or

They didn't cover Hudson's tattoo during the second meet up in episode 1, so canonically, Shane Hollander has a tattoo.

Notes

My little twist of their second meet up during Episode 1.

it's soft, it's cute, and lost importantly... Shane Hollander has a tattoo (thank you Hudson! And thank you to whoever forgot to cover it!!)

The moment the door opened, Ilya was pushed aside by Shane who immediately closed and locked the door behind him.

"Are you being chased?" Ilya asked, Shane looked at him with a glare that made him smirk "I was standing out there like an idiot, Scott Hunter is right next door!" He muttered. Ilya couldn't help but chuckle in amusement.

Before he could look back at Hollander, he heard him whisper "fuck it" before their lips were clashed together.

Ilya immediately kissed back, pulling Shane's waist closer before breaking it "get on your knees" Shane dropped without an argument. "Oh, wow — fuck"

It took only seconds before Ilya felt Shane swallow him to the back of his throat, moaning around Ilya's cock who gently tugged on Shane's hair "shit, Hollander" he groaned.

It felt that tingle sensation in his stomach and immediately pulled Shane off. Too fast, too soon.

He kissed Shane again, leaning down to hold the back of Shane's thighs before lifting him up and carrying him over to the bed.

Even when Ilya laid Hollander down, their lips stayed together. Only breaking momentarily as they pulled their shirts off. He kissed Shane's neck, and down his chest before tugging at the waistband of Shane's pants.

When they are finally undressed, Ilya hummed, a satisfied smile as he saw how Shane looked. He attached his lips to Shane's jaw, licking a stripe across before kissing the nape of his neck and down —
scattered kiss all the way down to Shane's hips when he saw it.

On Shane Hollander's right hip, he has a small gun tattoo.

A smile crept into Ilya's face "oh my, Hollander.. you have tattoo"

Shane's eyes widened, forgetting that little detail "shit, no, ignore it" Ilya shook his head "no, is pretty" he teased. Shane groaned "please, continue?" Ilya chuckled and leaned down, placing a kiss on it "for now" he whispered as he dragged kisses down before opening his mouth.

Shane moaned when Rozanov had his mouth on his cock, bobbing his head with a fast pace. He whined — putting his hands into the soft curls and tugging "roz- shit, Rozanov~" he whimpered.

Ilya hummed around Shane's cock, sending shivers up Shane's spine "ngh~ i-im-" Ilya glanced up, watching Shane fall apart from only a blow up. He smiled as Hollander finished, swallowing it all before pulling off.

He kissed the tattoo again, kissing back up Shane's chest "on your stomach" he said twice, kissing Shane's shoulder as he rolled over.

"Have you ever touched yourself here?" Rozanov asked as he dragged his fingers down Shane's spine, and in between his thighs "shut up..." Ilya smirked "why? Does it make you gay to touch here?" He teased, Shane groaned "i-.. I'm trying to say I have...a thing" he mumbled quietly.

Ilya furrowed his eyebrows in confusion "a thing?" He asked, Shane sighed "a dildo..."

Slowly, Ilya's lips curled again to a smile, his eyes widening in both shock and amusement "you are full of surprises tonight, Hollander. First tattoo, now this? I thought you were a good boy" He teased. Shane scoffed "i-i am- Fuck off!..."

"So you admit to being a good boy?" He continued to tease. Shane groaned with a fake annoyance — why did he want to be called a good boy?

"I'm leaving" he said pushing himself to buy Ilya stopped him "no, no, I stop, yes? I want to fuck you"

Shane paused "not here... Not with Scott Hunter next door" he explained as he rolled onto his back again.

Ilya could see the nervousness on Shane's face so he leaned down to kiss Shane softly "he is hot, should let him listen — like mating call" Shane chuckled "you'd like that, wouldn't you?"

Ilya shrugged "you probably would too" Shane playfully rolled his eyes.

"So, next time, yes?" Rozanov suggested.

"Next time?"

Was Ilya already planning next time?

"Да, next time. In two weeks, your apartment" he said, leaning down to kiss Shane again who melted into it.

When they pulled apart, Shane looked up to Ilya who was still between his thighs "for now, I have other things we can do" Ilya explained.

Shane raised an eyebrow "like?"

Ilya hummed as if he was thinking "hm... Maybe, like you explain about tattoo?"

Shane sighed "I was drunk-" Ilya immediately cut him off "drunk? Shane Hollander, Drunk? Full of so many surprises" Shane held back a smirk "yes, I was drunk... I was with some friends during the off season, and I don't remember much besides waking up with a tattoo. That's all" he explained.

Ilya smiled "how bad of you"

Shane bit his lip "does it look bad" he asked quietly, Ilya hummed "no. Is pretty."

It was odd. Over the years, Ilya had become oddly obsessed with Shane Hollander's tattoo.

A tattoo that no one besides him knew about.

It was odd. Ilya would kiss it, or run his thumb over it when he held Shane's waist and he barely even noticed he did it half the time — it was a habit, one that Shane adored.

He had never asked about Ilya's odd obsession about it, until now.

They laid in bed, the window curtains open to show the soft sunset reflecting off the lake.

Sweaty and sticky, still catching their breaths and so sickly in love.

Ilya had his hand on Shane's hip as he laid on his back with Shane's head rested against his chest.

His thumb gently sliding over the tattoo over and over. "Ilya" he asked, Rozanov hummed "Shane" he replied softly. A small smile tugged at Shane's lips.

"Why do you like my tattoo?"

Ilya opened his eyes "because, is a secret... No one would expect Shane Hollander to have a tattoo. But I know. I have known for many years. Is special" he answered truthfully.

The reason made Shane smile more and lean into his elbow to connect their lips.

"I love you" he whispered, Ilya smiled back "I love you too"
